In Bankruptcy.

Western Australia.—Valuable Lead Mine on the Murchison River, abounding in Ore of the richest quality, with buildings, machinery, and mining apparatus.

TOPLIS and **HARDING** will sell by auction, at the Mart, near the Bank of England, on Thursday, July 31st, at one punctually, by order of the Official Liquidator in Bankruptcy, in the matter of the Geraldine Mining Company,

A valuable freehold mineral property, known as the Geraldine Mines, situate on the Murchison River, about 300 miles north of Perth, in the capital of the Colony of Western Australia, containing about 730 acres, part thereof forming the surface of the mines, and in which a shaft has been sunk to the depth of 13 fathoms, with the several

cottages, workshops, smelting furnaces, machinery, and mining apparatus; also 16,000 acres of land, leasehold from the Crown, situate at Baker's Well, about 16 miles from the mines on the road to Port Gregory, the place of embarkation. These mines have been worked with considerable success during the period of 10 years from 1850, under the able management of Captain Hoskin, with but a limited working capital, the result of which clearly showed, that with sufficient capital a very large profit might be made on the working, the supply of ore being unlimited and rich in quality, as a proof of which the last cargo shipped to England contained, on the average, 76½ per cent. of lead, and the yield is confidently expected to be much richer in quality on sinking the shaft to a depth of 22 fathoms.

Particulars may be had of E. W. Edwards, Esquire, Official Liquidator, No. 22, Basinghall-street; of Messrs. Parker, Lee, and Haddock, Solicitors, No. 18, Saint Paul's Church-yard; at the Mart; and of Messrs. Toplis and Harding, No. 16, Saint Paul's, Church-yard.
