And that the several inspectors do make such reports and returns to the Chief Inspector as he may from time to time require. That the police be required to perform the duties hereby imposed upon them in accordance with the provisions of

the 19th and 20th Vict., cap. 69. And that the Chief Inspector be empowered to engage the services of a veterinary surgeon when, in his opinion, the same shall be rendered necessary.

3. That with a view to prevent the spreading of the said disorder it is expedient that from and after the said 1st day of February until the 1st day of March next, no cow, heifer, bull, bullock, ox, calf, sheep, lamb, goat, or swine shall be brought or sent from any part of Great Britain beyond the jurisdiction of the local authority of this county into any place within such jurisdiction.

Provided that it shall not be unlawful for any person to remove any such animals as aforesaid, the property this day of an owner residing within this jurisdiction, from a place without to a place within this jurisdiction, the owner of such animals obtaining a certificate signed by the owner of the lands on which they have been kept, to the effect that the aforesaid animals are not infected with disease, and have been under his care for twenty-eight days, and that there has been no Cattle disease in the same parish during that period, and such certificate shall also be signed by the Inspector of the District from which it is proposed to remove such animals, and by two Justices of the Peace of this county, on their being satisfied of the reason for such removal.

4. That from and after the said 1st day of February until the said 1st day of March next, no cow, heifer, bull, bullock, ox, calf, sheep, lamb, goat, or swine, shall be removed from any parish or place within the jurisdiction of the local authority of this county to any market or fair, or to any place whatever within such jurisdiction for the purpose of exhibition or sale.

Provided that no person shall be prohibited from exhibiting or selling on his own land or premises any animal belonging to him which has been on such land or premises for not less than fourteen days previous to such sale.

5. That from and after the said 1st day of February next, until the said 1st day of March next, no cow, heifer, bull, bullock, ox, or calf, shall be removed from any parish or place within the jurisdiction of the local authority of this county to any other parish or place, along any public road or highway.

Provided that it shall be lawful for any person to remove any such animals as aforesaid from any one part to any other part of a farm or lands in the same occupation. Provided also, that it shall be lawful for any person to remove, between one hour before sunrise and one hour after sunset, any such animals as aforesaid as shall have been in the possession for four weeks previously of the owner thereof, or of the person, being a resident within this jurisdiction, from whom they shall have been purchased, and the person in charge of such animals shall produce a certificate thereof, dated and signed by the owner or vendor, as the case may be, to any Inspector, Police Constable, or person authorized to require the same; and such certificate shall be countersigned by such stockowner in the parish as may consent to act as an Overseer of Cattle, to the effect that there is no Cattle Disease in the parish, and by a Justice of the Peace in the Division, to the effect that the removal is made for reasons satisfactory to him; and such certificate shall remain in force for three days, and shall specify the number and kind of animals to which the same shall apply.

6. That in the event of any case of Cattle Plague occurring within this jurisdiction, the Chief Inspector do send immediate notice thereof to the Clerk of the Peace, who, on receipt of such
