NOTICE TO MARINERS.

(No. 1.)

(The last Number for the year 1866 was 84.)

ENGLAND—SOUTH AND WEST COASTS.

Temporary Lights at Spithead.

Alterations having taken place in the temporary lights exhibited on the forts building and other places at and in the vicinity of Spithead, this is to give notice, that the following lights are now exhibited:—

- 1st.—On a fort building at the entrance of Brading Haven, near St. Helens point, a *fixed green* light, 33 feet above the level of the sea.
- 2nd.—On a fort building on No-mans-land Shoal, a *fixed red* light, 33 feet above the level of the sea.
- 3rd.—On a fort building on the Horse Sand, a *fixed white* light, 34 feet above the level of the sea.
- 4th.—On a pile pier erected on the Sand Head, midway between Ryde and No-mans-land, two small *fixed white* lights, bearing from each other N.N.E. $\frac{1}{2}$ E. and S.S.W. $\frac{1}{2}$ W., distant 215 yards, the southern light being 31 feet and the northern one 15 feet above the level of the sea; the No-mans-land light bearing from the latter S.E. by E. $\frac{1}{2}$ E.

The buoy marking the Sand Head being only 18 yards from the pile pier has, for the present, been removed.

- 5th.—On a fort building on the Spit Sand, a small *fixed white* light, 34 feet above the level of the sea.

Fog Bell, Menai Straits.

The Corporation of the Trinity House, London, has given notice, that on and after the 15th day of January, 1867, a large bell will be sounded
