

Secretaries of State, that the Local Government Act, 1858, was, on the 21st day of March, 1867, duly adopted by that part of the township of Sowerby which lies out of the boundaries of the Local Board, districts of Sowerby Bridge and Hebden Bridge, being that part of the said township of Sowerby, maintaining its own highways under the control of the Board of Surveyors. And whereas appeal has been duly made to me, under the provisions of the said Act, against the vote of adoption of such Act, and for separation of a part of such proposed district of Sowerby hereinbefore referred to, and report has been made to me thereon by Robert Morgan, Esq., the Inspector appointed for the purpose:

Now, therefore, I, as one of Her Majesty's Principal Secretaries of State as aforesaid, do hereby, under the provisions of the said Act, issue the following order, and determine the question arising on such appeal as follows:—

I do hereby order, that the Local Government Act, 1858, do come into force within such proposed district of Sowerby (excluding from the operation of such Act so much of such district as lies to the north-east of a line commencing at a point on the plan accompanying Mr. Morgan's Report hereinbefore mentioned, and indicated by the letter A, being in the centre of the River Calder, where a culvert passes under the Lancashire and Yorkshire Railway, near to Hand Carr Mill; thence along the centre of the Hand Carr Clough and along, and including, the Thorp House-road to the junction of the Sowerby and Hathershelf-road at the point indicated by the letter B on the said plan; thence along, and including, the Sowerby and Hathershelf-road to the top of Styes-lane at the point indicated by the letter C; thence along, and including Styes-lane (sometimes called Finkel-street) leading to Jack Hey Farm, and thence following and including the road or footpath through Jack Hey Farm to and along the road or footpath leading under the Lancashire and Yorkshire Railway; thence to the centre of the River Calder at Longbottom at the point D, indicated on the said plan; thence along the boundary between the townships of Warley and Sowerby in a north-westerly direction to the starting point at A, so completing the boundary of the portion to be separated from the district of Sowerby) from and after the 22nd day of July, 1867.

Given under my hand this 11th day of July, 1867.

(Signed) *Gathorne Hardy.*
