THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, from the Secretary of State for Foreign Affairs, an extract from the “*Moniteur*,” publishing two Imperial Decrees, bearing date 6th June, 1868 :—

By the first a duty of 20 centimes per ton burthen is established, from the 1st January, 1869, on all ships, French or foreign, entering the port of Bordeaux laden, and coming from a long voyage or from a foreign country.

By the second a duty of 10 centimes per ton burthen is established, at the port of Dunkerque, from the 1st July, 1868, upon all vessels, French or foreign, with the exception of tugs, pilot-boats, and boats engaged in coast fishing.

These dues are to be levied solely for the purpose of covering the difference between the rate of interest paid by the State, for the loans contracted with the two towns of Bordeaux and Dunkerque respectively, and the rate paid by those two towns to the subscribers to the loans; and will consequently cease immediately upon the entire reimbursement of the sum which forms the difference.
