such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates and make and establish any new or other rates in lieu thereof, and from time to time by Warrant as aforesaid to appoint at what time the rates which may be payable are to be paid.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act made and passed in the session of Parliament, holden in the tenth and eleventh years of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post and for the regulating the duties of postage thereon and for other purposes relating to the Post Office.

And whereas it is expedient to alter the rates of postage now chargeable on certain letters transmitted by the post between the United Kingdom and British Columbia and Vancouver's Island, and to fix certain other rates in lieu thereof, in the manner hereinafter mentioned.

Now, we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said hereinbefore recited Acts of Parliament, respectively, and each of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us the said Commissioners (by the authority of the statute in that case made and provided) order and declare and direct as follows; that is to say:—

3. On every such letter so transmitted as hereinbefore mentioned between the United Kingdom and any place in British Columbia or Vancouver's Island, exceeding one half of an ounce in weight, there shall be charged, taken, and paid the several further and additional and progressive rates of postage hereinafter mentioned; that is to say:—

And on every such letter exceeding one ounce and not exceeding one ounce and the half of another ounce in weight, three rates of postage;

And on every such letter exceeding one ounce and the half of another ounce, and not exceeding two ounces in weight, four rates of postage;

And for every additional half of an ounce in weight of any such letter above the weight of two ounces there shall be charged, taken, and paid one additional rate of postage, and every fractional part of such additional half of an ounce in weight shall be charged as an additional half of an ounce in weight; and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding one half of an ounce in weight.

4. On every letter transmitted by the post between any place in British Columbia or Vancouver's Island, and any other of Her Majesty's Colonies or any foreign country through the United Kingdom, the said respective letters being conveyed between the United Kingdom and any place in British Columbia or Vancouver's Island, by packet boat, via the said United States of North America, there shall be charged, taken, and paid over and above the uniform rates of postage, payable thereupon for the transmission thereof between the United Kingdom and British Columbia or Vancouver's Island, such further or additional rates of postage for the conveyance of every such letter between the British colony or foreign country, from or to which the same shall be forwarded, and the port in the United Kingdom of the arrival or departure of the packet boat or private ship conveying the same between such colony or foreign country and the United Kingdom as shall, from time to time, be charged and payable for British postage on letters posted in or addressed to such colony or foreign country, and transmitted to or from such port of arrival or departure in the United Kingdom.
