

NOTICE is hereby given, that a separate building, named the Congregational Chapel, situated at Bollington, in the parish of Prestbury, in the county of Chester, in the district of Macclesfield, being a building certified according to law as a place of religious worship, was, on the 4th day of October, 1871, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand this 7th of October, 1871.

John May, Superintendent Registrar.

Patent Law Amendment Act, 1852.

In the Matter of Letters Patent granted to Joseph Jones and Frederick James Jones, both of Birmingham, in the county of Warwick, for an invention of "improvements in cartridges for breach loading fire arms," bearing date the 4th day of October, 1865, No. 2542.

NOTICE is hereby given, that Thomas Greenwood, of Leeds, in the county of York, Machinist, Westley Richards, of Birmingham, in the county of Warwick, Gun Maker, John Batley, of No. 7, Kensington Park-gardens, in the county of Middlesex, Machinist, and John Thomas Browne, of 61, Cleveland-road, Islington, North, in the county of Middlesex, Civil Engineer, the Assignees of the said Letters Patent, have applied by petition to the Commissioners of Patents for Inventions for leave to file in the Great Seal Patent Office, with the specification to which the same relates, a Disclaimer and Memorandum of Alteration of part of the specification of the said Letters Patent; and that any person intending to oppose such application must give notice thereof at the office of the Solicitor-General, No. 1, Brick-court, Temple, within ten days from the date hereof.—Dated this 11th day of October, 1871.

Newton and Son, 66, Chancery-lane,
Agents for the Assignees.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
2664. Inventions.

NOTICE is hereby given, that the petition of Joseph Thomas Parlour, of Brooklyn, New York, United States of America, now of No. 8, Southampton-buildings, London, Shipwright, praying for letters patent for the invention of "improved machinery and apparatus for raising sunken ships and other submerged bodies," was deposited and recorded in the Office of the Commissioners on the 9th day of October, 1871, and a complete specification accompanying such petition was at the same time filed in the said office.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
Inventions.

NOTICE is hereby given, that provisional protection has been allowed—
