

(3.) Then by the application to the sides, floor, and ceiling of the hold and to every other part of the vessel with which animals or their droppings have come in contact, of a coating of limewash made by mixing good freshly burnt lime with water, and containing in each gallon of limewash either one-fifth of a pint of commercial carbolic acid, or one-fifth of a pint of commercial cresylic acid, or four ounces of fresh dry chloride of lime, such limewash to be prepared immediately before use.

The sweepings of the vessel shall be well mixed with quicklime and effectually removed from contact with animals.

#### *Shipping and Unshipping Places.*

11. At every place where animals are put on board of or landed from vessels, provision shall be made, to the satisfaction of the Privy Council, for a supply of water for animals; and water shall be supplied there, gratuitously, on request of any person in charge of any animals.

12. At every place where animals are landed from vessels, provision shall be made, to the satisfaction of the Privy Council, for the speedy and convenient unshipment of animals, and for a supply of food for them; and food shall be supplied there, on request of any person in charge of any animals, at such price as the Privy Council, from time to time, approve.

#### *Cleansing and Disinfection of Landing-Places.*

13. Where any animal affected with any contagious or infectious disease is landed at a port, or is, while so affected, in or at any landing-place or lair, or other place adjacent thereto, then the landing-place and every such lair or other place where the animal has been shall not be used for any animals not forming part of the same cargo unless and until it has been cleansed and disinfected.

#### *Transit of Animals by Railway.*

14. Every truck used for carrying animals on a railway shall be provided with spring buffers, and the floor thereof shall have proper battens or other foot-holds thereon.

15. A railway company shall not allow any truck used for carrying animals on their railway to be overcrowded so as to cause unnecessary suffering to the animals therein.

16. Between each first day of November and the next following thirtieth day of April, (both days inclusive,) trucks used for carrying on a railway sheep freshly shorn and unclotted shall be covered and inclosed so as to protect the sheep from the weather, but shall be properly ventilated.

#### *Cleansing and Disinfection of Pens and Vehicles.*

17. Every pen, carriage, truck, horse-box, or vehicle used for carrying animals on land, shall, on every occasion after any animal is taken out of the same, and before any other animal is placed therein, be cleansed and disinfected in manner following:—

- (1.) By the sweeping out of the pen, carriage, truck, horse-box, or vehicle, and the effectual removal therefrom of all dung, sawdust, litter, and other matter:
- (2.) Then by the thorough washing of the pen, carriage, truck, horse-box, or vehicle with water:
- (3.) Then in case of a pen, carriage, or truck, by the application to the floor and to all parts above the floor with which animals or their droppings have come in contact, of a coating of limewash made by mixing good freshly

burnt lime with water, and containing in each gallon of limewash either one-fifth of a pint of commercial carbolic acid, or one-fifth of a pint of commercial cresylic acid, or four ounces of fresh dry chloride of lime, such limewash to be prepared immediately before use.

The sweepings of the pen, carriage, truck, horse-box, or vehicle shall be well mixed with quicklime and effectually removed from contact with animals.

#### *Penalties.*

18. If anything is done or omitted to be done in contravention of any of the regulations of this Part of this Order, the owner and the master or person having charge or command of the vessel in which,—and the owner and the occupier of the place where animals are put on board of or landed from vessels at which,—and the Company carrying animals on or owning or working a railway on which,—and also in case of the overcrowding of a truck on a railway, or of the carrying on a railway of sheep freshly shorn and unclotted; the signor of the animals in respect of which,—(as the case may be,) such thing is done or omitted, shall severally be deemed guilty of an offence against this Order:

Provided, that no person shall be liable to a penalty under this Part of this Order in respect of sheep as freshly shorn, where it is proved that the sheep have not been shorn within sixty days before the time of the commission of the alleged offence.

## PART II.

### CONTAGIOUS OR INFECTIOUS DISEASES AMONG ANIMALS.

#### *Discovery and Prevention of Disease.*

19. Every person having in his possession or under his charge an animal (including a horse) affected with a contagious or infectious disease, shall observe the following rules:—

- (1.) He shall, as far as practicable, keep such animal separate from animals not so affected.
- (2.) He shall with all practicable speed give notice to a police constable of the fact of the animal being so affected.

Such police constable shall forthwith give notice thereof to the Inspector of the Local Authority, who shall forthwith report the same to the Local Authority and (except in the case of foot-and-mouth disease) to the Privy Council.

20. Where an Inspector finds in his district cattle plague, pleuro-pneumonia, sheep-pox, sheep-scab, or glanders, he shall forthwith make a return thereof to the Local Authority and to the Privy Council, on a form provided by the Privy Council, with all particulars therein required, and shall continue to make a similar return on the Saturday of every week until the disease has disappeared.

21. Any dung of animals, and any hay, straw, litter, or other thing, commonly used for food of animals or otherwise for or about animals, may be moved out of an infected place within the Metropolis (but not out of the Metropolis) with a licence signed by an officer of the Local Authority appointed in that behalf certifying that the thing moved has been disinfected, but not otherwise.

22. Any officer authorized in this behalf by a Local Authority, or any constable or police officer, may stop and detain any animal (including a horse) which is being moved, or which he has reasonable grounds for suspecting is being moved, in contravention of the Act of 1869 or any
