ARTICOLO V.

ARTICOLO VII.

L'imputato o condannato consegnato, finchè non sia stato liberato, o non abbia avuto l'opportunità di tornare nel paese dove dimorava, non potrà essere carcerato, o sottoposto a giudizio nello Stato, a cui fu consegnato, per reato o per altra imputazione diversa da quella per la quale avvenne l'estradizione.

Ciò non si applica ai reati commessi dopo l'estradizione.

ARTICLE VIII.

If the individual claimed is under prosecution or in custody for a crime committed in the country where he has taken refuge, his surrender may be deferred until the law has taken its course.

In case he should be proceeded against or detained in such country on account of obligations contracted with private individuals, or any other civil claim, his surrender shall nevertheless take place, the injured party retaining his right to prosecute his claims against him before the competent authority.

ARTICLE IX.

The requisitions for extradition shall be made, respectively, by means of the Diplomatic Agents of the High Contracting Parties.

The demand for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State applying for the extradition, and by such proof as, according to the law of the place where the fugitive is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person convicted, it must be accompanied by the sentence of condemnation of the competent Court of the State applying for the extradition.

The demand for extradition must not be founded upon a sentence *in contumacia*.

ARTICLE X.

If the demand for extradition be made according to the foregoing stipulations, the competent authorities of the State, to which the requisition is made, shall proceed to arrest the fugitive.

The prisoner shall be taken before the competent Magistrate, who shall examine him, and make the preliminary investigations of the affair, in the same manner as if the arrest had taken place for a crime committed in the same country.

ARTICLE XI.

In the examinations to be made in conformity with the preceding stipulations, the authorities of the State to which the demand is addressed shall admit, as entirely valid evidence, the documents and depositions taken on oath in the other State, or copies of them, and likewise the warrants and sentences issued there; provided that such documents are signed or certified by a Judge, Magistrate, or Officer of such State, and are authenticated by the oath of some witness, or stamped with the official seal of the Department of Justice or some other Department of State.

ARTICLE XII.

If, within two months from the arrest of the accused, sufficient evidence be not produced for his extradition he shall be liberated.

ARTICLE XIII.

The extradition shall not take place until the expiration of fifteen days after the arrest, and then only if the evidence has been found sufficient, according to the laws of the State to which the demand is addressed, to justify the committal of the prisoner for trial in case the crime had been committed in the territory of that State; or to show that the prisoner is the identical person condemned by the Tribunals of the State which demands him.

ARTICOLO VIII.

Se l'individuo domandato è sotto processo o carcerato per un reato commesso nel paese dove si è rifugiato, la sua estradizione può essere differita finchè la legge abbia avuto il suo corso.

In caso si debba procedere contro di lui o sia egli detenuto nello stesso paese per obbligazioni contratte con privati o per ogni altra azione civile, la sua consegna, ciò non ostante, avverrà, salvo alla parte di far valere i suoi diritti contro di lui innanzi all'autorità competente.

ARTICOLO IX.

Le domande di estradizione saranno fatte rispettivamente per mezzo degli Agenti Diplomatici delle Alte Parti Contraenti.

La domanda per la estradizione di un imputato dev' essere accompagnata da un mandato di cattura, rilasciato dalla competente autorità dello Stato che richiede la estradizione, e con tale prova che, secondo la legge del luogo dove il fuggitivo è trovato giustificerebbe il suo arresto, se il reato fosse stato quivi commesso.

Se la domanda riguarda un condannato, dev' essere accompagnata dalla sentenza di condanna della Corte competente dello Stato che fa la domanda di estradizione.

La domanda di estradizione non può fondarsi sopra una sentenza in contumacia.

ARTICOLO X.

Se la domanda di estradizione è fatta secondo gli anzidetti patti, le autorità competenti dello Stato richiesto procederanno alla cattura del fuggitivo.

Il catturato sarà condotto innanzi al Magistrato competente, il quale lo interrogherà, e farà le preliminari indagini sul fatto nel modo stesso che se la cattura fosse avvenuta per un reato commesso in quel paese.

ARTICOLO XI.

Le autorità dello Stato richiesto, negli esami che debbono fare, giusta le precedenti stipulazioni, ammetteranno, come prova intieramente valida, i documenti e le deposizioni testimoniali raccolte con giuramento nell' altro Stato, o copie di esse, e similmente i mandati e le sentenze ivi emanate, purchè tali documenti siano firmati o certificati da un giudice o Magistrato o Ufficiale dello Stato medesimo, e siano autenticati col giuramento di qualche testimone, o contrassegnati col sigillo ufficiale del Ministero di Giustizia, o di qualche altro Ministero di Stato.

ARTICOLO XII.

Se nel termine di due mesi dalla data della cattura del imputato, non sarà esibita sufficiente prova per la estradizione, egli sarà liberato.

ARTICOLO XIII.

Non sarà eseguita la estradizione prima che siano decorsi quindici giorni dal dì della cattura, e solamente quando la prova sia stata trovata sufficiente, secondo le leggi dello Stato richiesto, a giustificare il rinvio del detenuto al giudizio nel caso che il reato fosse stato commesso nel territorio del suddetto Stato, od a dimostrare che il catturato è l'identica persona condannata dai Tribunali dello Stato che lo richiede.

ARTICLE XIV.

If the prisoner be not given up and taken away within two months from his apprehension or from the decision of the Court upon the demand for a writ of *habeas corpus* in the United Kingdom, he shall be set at liberty, unless sufficient cause be shown for the delay.

ARTICLE XV.

If the individual claimed by one of the two Contracting Parties, in conformity with the present Treaty, should be also claimed by another or by other States on account of crimes committed in their territories, his surrender shall, in preference, be granted, according to priority of demand, unless an agreement be made between the Governments which make the requisition, either on account of the gravity of the crimes committed, or for any other reason.

ARTICLE XVI.

Every article found in the possession of the prisoner at the time of his arrest shall be seized, in order to be delivered up with him. Such delivery shall not be limited to the property or articles obtained by the robbery or fraudulent bankruptcy, but shall include everything that may serve as evidence of the crime; and it shall take place even when the extradition, after having been ordered, cannot take effect, either on account of the escape or the death of the delinquent.

ARTICLE XVII.

The High Contracting Parties renounce all claim for repayment of the expenses incurred for the arrest and maintenance of the person to be given up, and for his conveyance on board a ship; such expenses shall be borne by themselves respectively.

ARTICLE XVIII.

The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of the two High Contracting Parties.

The requisition for the surrender of a person accused or condemned, who has taken refuge in any such Colony or possession of either party, shall be made to the Governor or chief authority of such Colony or possession by the Chief Consular officer of the other residing in such Colony or possession; or, if the accused or condemned person has escaped from a Colony or foreign possession of the party on whose behalf the requisition is made, the requisition shall be made by the Governor or chief authority of such Colony or possession.

Such requisitions may be disposed of, in accordance, as far as possible, with the stipulations of this Treaty, by the respective Governors or chief authorities, who, however shall be at liberty either to grant the extradition or to refer the matter to their own Government.

Her Britannic Majesty shall nevertheless be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender to His Italian Majesty of criminals who may have taken refuge in such Colonies or possessions, always in conformity, so far as possible, with the provisions of the present Treaty.

Finally, it is agreed that this stipulation does not apply to the Island of Malta, the Ordinance of the Maltese Government of May 3, 1863 (No. 1230), remaining in full force.

ARTICOLO XIV.

Se l'arrestato non sia consegnato e condotto via fra due mesi dall'arresto, o dalla decisione della Corte sopra la domanda di un'ordinanza di *habeas corpus* nel Regno Unito, sarà liberato, tranne il caso che sia sufficientemente dimostrata la cagione del ritardo.

ARTICOLO XV.

Se l'individuo domandato da una delle due Parti Contraenti in conformità del presente Trattato, sia anche chiesto da un altro o da altri Stati, per reati commessi nei loro territori, la consegna di lui sarà di preferenza accordata secondo l'antiorità della domanda tranne che fra i Governi richiedenti non si sia stabilito un accordo o per riguardo alla gravità dei reati commessi o per qualunque altra ragione.

ARTICOLO XVI.

Ogni oggetto di cui l'arrestato sarà trovato possessore al momento dell'arresto sarà sequestrato, non essere poi con lui consegnato. La consegna non si restringerà alle cose od oggetti provenienti dal furto o dalla bancarotta dolosa, ma comprenderà qualunque cosa che può servire di prova del reato, e sarà eseguita anche quando, dopo ordinata la estradizione, non potrà questa avere effetto, o per la fuga o per la morte del delinquente.

ARTICOLO XVII.

Le Alte Parti Contraenti rinunziano ad ogni domanda per rimborso delle spese occorse per la cattura e sostentamento della persona da consegnare, e per la sua estradizione sul bordo di una nave; le quali spese rimarranno a rispettivo loro carico.

ARTICOLO XVIII.

Le disposizioni del presente Trattato si applicheranno alle colonie e possedimenti stranieri (*foreign possessions*) delle due Alte Parti Contraenti.

La domanda di estradizione per la consegna di un imputato o condannato, il quale sia fuggito in una delle dette colonie o possedimenti di una delle due parti, sarà fatta al Governatore, o all'autorità suprema di detta colonia o possedimento, dal principale ufficiale Consolare dell'altra residente nella colonia o possedimento; o se l'imputato o il condannato sia fuggito da una colonia o possedimento straniero della parte nell'interesse della quale è fatta la domanda, essa sarà fatta dal Governatore o dall'autorità suprema di tale colonia o possedimento.

Su tali domande, potrà essere provveduto in conformità, per quanto è possibile, dei patti di questo Trattato dai rispettivi Governatori o dalle autorità supreme, le quali tuttavia avranno la facoltà o di accordare la estradizione o di riferirne al proprio Governo.

Sua Maestà Britannica nondimeno potrà dare speciali provvedimenti nelle Colonie Britanniche e possedimenti stranieri, per la consegna dei delinquenti rifugiati in dette colonie o possedimenti, a Sua Maestà Italiana, sempre in conformità, per quanto sia possibile, alle disposizioni del presente Trattato.

Resta infine convenuto che questo patto non si applica all'Isola di Malta, rimanendo in pieno vigore l'Ordinanza del Governo Maltese del 3 Maggio, 1863, No. 1230.

ARTICLE XIX.

The High Contracting Parties declare that the present stipulations apply as well to persons accused or convicted, whose crimes, on account of which the extradition is demanded, may have been committed previously, as to those whose crimes may be committed subsequently to the date of this Treaty.

ARTICLE XX.

The present Treaty shall come into operation ten days after its publication according to the forms prescribed by the laws of the High Contracting Parties.

Either party may at any time put an end to this Treaty, which, however, shall remain in force for six months after the notice for its termination.

This Treaty shall be ratified, and the ratifications shall be exchanged at Rome within six weeks, or sooner if possible.

In witness whereof the respective Plenipotentiaries have signed in duplicate, in English and Italian, the present Treaty, and have affixed thereto their respective seals.

Done at Rome, the 5th day of February, in the year of our Lord one thousand eight hundred and seventy-three.

ARTICOLO XIX.

Le Alte Parti Contraenti dichiarano che le presenti stipulazioni si applicano tanto agli imputati o condannati, il cui reato, pel quale è chiesta l'estradizione, sia stato commesso prima quanto a quelli che l'abbiano commesso posteriormente alla data di questo Trattato.

ARTICOLO XX.

Il presente Trattato andrà in vigore dieci giorni dopo la sua pubblicazione, secondo le forme prescritte dalle leggi delle Alte Parti Contraenti.

Ciascuna delle Alte Parti potrà in ogni tempo por fine a questo Trattato, il quale però rimarrà in vigore sei mesi dopo la denuncia.

Questo Trattato sarà ratificato, e le ratificazioni saranno scambiate a Roma fra sei settimane o più sollecitamente se sarà possibile.
