

said Act, in consideration of the payment of a capital sum of money.

To provide for the appropriation or application of such capital sum and the income thereof towards the income of the vicar.

To provide for the levying and recovery of tithe rent-charges, under the powers of the Public General Act, 6 and 7 Will. IV., cap. 77, as amended by subsequent Acts, or under the intended Act, in substitution for the vicar's rate, authorised to be levied by the Act of 1829, on corn mills and arable, meadow, and pasture lands, and orchards and gardens not locally attached to and occupied with any inhabited houses, and to provide that such tithes shall be made payable as a rent-charge by the owner, and not by the occupier of such lands, &c., and to make other and further provisions in relation thereto, and to apply the same towards the income of the vicar.

To enable the present or any future vicar of the parish of Halifax to avail himself of the provisions contained in the Ecclesiastical Corporation Leasing Act, 1858 (21 and 22 Vic., cap. 57).

To provide for payment of the costs of and incident to the arrangements to be effected by the intended Act, and also the costs of the Act.

The intended Act will vary and extinguish all rights and privileges which would interfere with any of its objects, and will confer other rights and privileges.

Printed copies of the Bill for the intended Act will, on or before the 21st day of December next, be deposited in the Private Bill Office of the House of Commons.

Dated this 8th day of November, 1876.

In Parliament.—Session 1877.

Kent Waterworks.

(Extension of limits of supply of Company of Proprietors of the Kent Waterworks; Application within extended limits of powers of Company's existing Acts, and of Metropolis Water Acts, 1852 and 1871; New Works; Purchase of Lands; Agreements with Company of Proprietors of Lambeth Waterworks; Further money powers; Amendment of Acts.)

1. **N**OTICE is hereby given, that application is intended to be made to Parliament in the ensuing session, for leave to bring in a Bill for effecting the purposes, or some of the purposes following, that is to say:—

2. To extend the limits within which the Company of Proprietors of the Kent Waterworks (in this notice called "the Company") are authorized to supply water, and to enable them to supply water for public and private purposes, to and within the parishes, townships, and places following, or some of them, or some part or parts thereof respectively, that is to say: Swanscombe, Stone, Darent, Wilmington, Sutton-at-Hone, Farningham, Eynsford, Footscray, North Cray, St. Paul's Cray, St. Mary Cray, Orpington, Farnborough, Chelsfield, Keston, West Wickham, and Hayes, in the county of Kent, and so much of the parish of Beckenham, in the same county, as adjoins on the east and north-east the parish of Bromley, and on the south the parish of Hayes, and is bounded on or towards the north by a road, in the parish of Beckenham, leading from Beckenham to Bromley, and called or known as the Bromley-road, and on the north-west, west, and south-west by two lanes, in the parish of Beckenham, respectively called or known as Scott's-lane and Hayes-lane.

3. To enable the Company to have and exercise, within such extended limits of supply, all or some of the powers and authorities conferred upon them in reference to or in connection with the supply of water or otherwise by the Kent Waterworks Act, 1809, the Kent Waterworks Acts Amendment Acts, 1811 and 1850, the Kent Waterworks Act, 1862, and the Kent Waterworks Act, 1864, and to have and exercise within every or any part of their district of supply for the time being all or some of the powers and authorities which, by the Metropolis Water Acts, 1852 and 1871, or either of them, the Company now have or may exercise within their existing district of supply, or any part thereof, and to demand, take, and levy rates, rents, and charges for and in respect of the supply of water within such extended limits, and to confer, vary, or extinguish exemptions from the payment of such rates, rents, and charges respectively.

4. To authorize the Company to maintain or to make and maintain the waterworks and other works and conveniences following, or some of them, that is to say:

1. A well or wells and pumping station in the parish of Beckenham aforesaid (constructed by and in the occupation of the Company), situate in a field adjoining and on the south-west side of the London Chatham and Dover Railway, and about 350 yards south-east of the Shortlands Station on that railway.

2. A reservoir in the parish of Farnborough, in the county of Kent, on that part which is in the occupation of Charles Giles, of a piece of ground known as Cowlas, and numbered 110 on the Tithe Commutation Map of 1841, of the said parish of Farnborough, the said reservoir to be about 150 feet in length from north to south, and about 100 feet in width from east to west, and to be situate in the south-western portion of the said piece of ground.

3. An aqueduct, conduit, or line of pipes (No. 1), commencing at the pumping station above described, and terminating in the intended reservoir above described, which said intended aqueduct, conduit, or line of pipes will be made or pass from, in, through, or into the parishes of Beckenham, Bromley, and Farnborough, all in the county of Kent, or some of them.

4. An aqueduct, conduit, or line of pipes (No. 2), commencing in the intended reservoir above described, and terminating at the existing pumping station of the Company at Crayford, near the Crayford Station on the South Eastern Railway, which intended aqueduct, conduit, or line of pipes (No. 2) will be made or pass from, in, through, or into the parishes of Farnborough, Orpington, St. Mary Cray, St. Paul's Cray, Footscray, Chiselhurst, North Cray, Bexley, and Crayford, all in the county of Kent, or some of them.

5. To authorize the Company to deviate laterally from the lines of the intended works within the limits shown upon the plans hereinafter mentioned, or to such extent as may be prescribed by the Bill, and to deviate vertically from the levels of those works shown upon the sections hereinafter mentioned.

6. To authorize the Company to make and maintain in the parishes, townships, and places aforesaid, and every or any of them, in connection with the intended works hereinbefore described, all necessary and convenient approaches, embankments, roads, ways, wells, tunnels, adits, tanks,
