

SUPPLEMENT

TO

The London Gazette

Of TUESDAY, the 17th of JULY.

Published by Authority.

WEDNESDAY, JULY 18, 1877.

AT the Council Chamber, Whitehall, the 18th day of July, 1877.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord Chancellor.
Lord President.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1869, and of every other power enabling them in this behalf, do hereby revoke their Order, bearing date the sixteenth day of July, one thousand eight hundred and seventy-seven, relating to the movement of cattle within that part of the Metropolis which is situate North of the River Thames: Provided that nothing herein shall be deemed to invalidate or make unlawful anything done under the said Order before the date of this revocation, or interfere with the institution or prosecution of any proceeding in respect of any offence committed against, or any penalty incurred under, the said Order.

C. L. Peel.

AT the Council Chamber, Whitehall, the 18th day of July, 1877.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord Chancellor.
Lord President.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1869, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. Words in this Order have the same meaning as in The Contagious Diseases (Animals) Act, 1869.
2. For the purposes of this Order that part of the Metropolis which is situate within the following boundaries shall be deemed to be the infected area:

The River Thames on the south, the Regent's Canal on the east and north, and the westerly sides of Kingsland-road, Shoreditch High-street, Norton Folgate, Bishopsgate-street Without, Bishopsgate-street Within, Gracechurch-street, and King William-street.

3. No cow or heifer shall be moved alive out of the infected area.
