(LEITH.)

At the Council Chamber, Whitehall, the 12th day of November, 1878.

By the Lords of Her Majesty's Most Honourable Privy Council.

THE Lords of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. In this Order words have the same meaning as in The Contagious Diseases (Animals) Act, 1878.

2. Cattle affected with pleuro-pneumonia may be moved out of places infected with pleuro-pneumonia, within the Burgh of Leith, for slaughter, in manner and under the conditions following, and not otherwise:

(1.) The diseased cattle shall be moved with a licence of the Local Authority of the Burgh of Leith, to a slaughter-house in the Burgh specified in the licence, in a float or cattle-van properly constructed so as to prevent contact of the diseased cattle with other cattle during the movement.

(2.) The diseased cattle shall be moved to the slaughter-house in charge of an Inspector or other officer of the Local Authority; and the same officer shall enforce and superintend the immediate slaughter there of the cattle, and shall forthwith report the fact of the slaughter to the Local Authority.

(3.) The float or cattle-van shall immediately after each occasion of use be cleansed and disinfected, by or under the superintendence of the Local Authority, in manner provided respecting vans by Article 8 of The Cleansing and Disinfection Order of 1878.

*Commission signed by the Lord Lieutenant of the County of Elgin.*

Henry Alexander Grant, Esq., to be Deputy Lieutenant. Dated 11th November, 1878.

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction consisting of a piece or parcel of land, comprising three roods and two perches (or thereabouts), which has been permanently secured to the vicarage of Saint Paul, Helsby, in the county of Chester, and in the diocese of Chester, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, section five, grant to the Incumbent of the said vicarage of Saint Paul, Helsby, and to his successors, to meet such benefaction, one yearly sum or stipend of seventeen pounds and twelve shillings, such yearly sum or stipend to be payable out of the common fund under our control, and to be calculated as from the day of the publication of these presents in the London

Gazette, and to be receivable in equal half-yearly portions, on the first day of May and on the first day of November in each and every year; Provided always, that if at any time lands, tithes, or other hereditaments sufficient, in our opinion, to produce the said yearly sum or stipend, or any part thereof, shall be annexed by us to the said vicarage, in substitution for such yearly sum or stipend, or for such part thereof, our liability for the payment of such yearly sum or stipend, or of such part thereof, as the case may be, shall thereupon and thereafter cease and determine.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

(L.S.)

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction, consisting of a piece or parcel of land, comprising one thousand nine hundred and fifty square yards (or thereabouts), which has been permanently secured to the vicarage of Saint John-juxta-Swansea, in the county of Glamorgan, and in the diocese of Saint David's, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, sections five and eleven, grant and appropriate out of our common fund to the said vicarage of Saint John-juxta-Swansea, to meet such benefaction, one capital sum of seven hundred pounds sterling, to be applicable towards defraying the cost of providing a parsonage or house of residence for the said vicarage, according to plans and a specification approved or to be approved by us, such capital sum, or the balance thereof unapplied to such purpose, to remain in the meantime in our hands at interest after the rate of three pounds per centum per annum, and such interest to be paid to the Incumbent for the time being of the said vicarage of Saint John-juxta-Swansea.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

(L.S.)

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction of two hundred pounds sterling, which has been paid to us in favour of the vicarage of Saint Margaret, Blackfordby, in the county of Leicester, and in the diocese of Peterborough, and in respect of which we have agreed to pay to the Incumbent of the same vicarage, and to his successors, a yearly sum of six pounds thirteen shillings and four pence, and in consideration also of a further benefaction, consisting of certain yearly tithe commutation rent-charges, amounting together to forty-four pounds and fifteen shillings which have been permanently secured to the aforesaid vicarage, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, sections five and eleven, grant to the Incumbent of the said vicarage of Saint Margaret, Blackfordby, and to his successors, Incumbents of the same vicarage, to meet the said benefactions, one yearly sum or stipend of thirty-six pounds thirteen shillings and four pence, such yearly sum or stipend to be payable out of the common fund under our control, and to be calculated as from the day of the publication of these presents in the London Gazette, and to be receivable in equal half-yearly portions, on the first day of May and on the first day of November

in each and every year: And we do also, in further consideration of the aforesaid benefactions, hereby grant and appropriate out of our said common fund to the said vicarage of Saint Margaret, Blackfordby, one capital sum of one hundred pounds sterling, to be applicable towards defraying the cost of providing a parsonage or house of residence for the said vicarage, according to plans and a specification approved or to be approved by us, such capital sum, or the balance thereof unapplied to such purpose, to remain in the meantime in our hands at interest after the rate of three pounds per centum per annum, and such interest to be paid to the Incumbent for the time being of the said vicarage of Saint Margaret, Blackfordby: Provided always, that if at any time lands, tithes, or other hereditaments sufficient, in our opinion, to produce the said yearly sum or stipend of thirty-six pounds thirteen shillings and four pence, or any part thereof, shall be annexed by us to the said vicarage, in substitution for such yearly sum or stipend, or for such part thereof, our liability for the payment of such yearly sum or stipend, or of such part thereof, as the case may be, shall thereupon and thereafter cease and determine.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

(L.S.)

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction, consisting of a clear yearly rent-charge of one hundred and fifty pounds upon the revenues of the rectory of Radcliffe, in the county of Lancaster, and in the diocese of Manchester, which has been permanently secured to the consolidated chapelry and benefice of Saint Andrew, Black-lane, Radcliffe, in the same county and diocese, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, section five, grant to the Incumbent of the said consolidated chapelry and benefice of Saint Andrew, Black-lane, Radcliffe, and to his successors, to meet such benefaction, one yearly sum or stipend of thirty-five pounds, such yearly sum or stipend to be payable out of the common fund under our control, and to be calculated as from the day of the publication of these presents in the London Gazette, and to be receivable in equal half-yearly portions, on the first day of May and on the first day of November in each and every year: Provided always, that if at any time lands, tithes, or other hereditaments sufficient, in our opinion, to produce the said yearly sum or stipend, or any part thereof, shall be annexed by us to the said consolidated chapelry and benefice, in substitution for such yearly sum or stipend, or for such part thereof, our liability for the payment of such yearly sum or stipend, or of such part thereof, as the case may be, shall thereupon and thereafter cease and determine.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

(L.S.)

WE, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, sections five and eleven, do hereby grant to the Incumbent of the vicarage of Bishopstone, in the county of Sussex, and in the diocese of Chichester, and to his successors, Incumbents of the same vicarage, one

yearly sum or stipend of sixty-seven pounds, such yearly sum or stipend to be payable out of the common fund under our control, and to be calculated as from the fifteenth day of July, in the year one thousand eight hundred and seventy-eight, and to be receivable in equal half-yearly portions, on the first day of May and on the first day of November in each and every year: And we do also hereby grant and appropriate, out of our said common fund, to the said vicarage of Bishopstone, one capital sum of one thousand and five hundred pounds sterling, to be applicable towards defraying the cost of providing a parsonage or house of residence for the said vicarage, according to plans and a specification approved or to be approved by us, such capital sum, or the balance thereof unapplied to such purpose, to remain in the meantime in our hands at interest after the rate of three pounds per centum per annum, and such interest to be paid to the Incumbent for the time being of the said vicarage of Bishopstone: Provided always, that if at any time lands, tithes, or other hereditaments sufficient, in our opinion, to produce the said yearly sum or stipend of sixty-seven pounds, or any part thereof, shall be annexed by us to the said vicarage; in substitution for such yearly sum or stipend, or for such part thereof, our liability for the payment of such yearly sum or stipend, or of such part thereof, as the case may be, shall thereupon and thereafter cease and determine.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

(L.S.)

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction, consisting of one hundred pounds sterling, which has been paid to us in favour of the vicarage of Cowley, in the county of Oxford, and in the diocese of Oxford, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, sections five and eleven, grant and appropriate out of our common fund to the said vicarage of Cowley, to meet such benefaction, one other capital sum of one hundred pounds sterling, to be applicable towards defraying the cost of providing a parsonage or house of residence for the said vicarage, according to plans and a specification approved or to be approved by us, such capital sum, or the balance thereof unapplied to such purpose, to remain in the meantime in our hands at interest after the rate of three pounds per centum per annum, and such interest to be paid to the Incumbent for the time being of the said vicarage of Cowley.

In witness whereof, we have hereunto set our common seal, this seventh day of November, in the year one thousand eight hundred and seventy-eight.

#### INCOME TAX.

WHEREAS by an Act passed in the 28th year of Her Majesty, cap. 30, for granting to Her Majesty certain duties of Customs and Inland Revenue, power is given for increasing, in certain cases, the number of persons appointed under the provisions made by the Act passed in the 5th and 6th years of Her Majesty, cap. 35, Commissioners for the general purposes of the Income Tax Acts, and persons to supply vacancies amongst such Commissioners in each district or division in Great Britain; and it appearing to the Board of Inland Revenue that the number of persons so appointed for the division of Sturminster, in the county of Dorset, is insufficient for the proper discharge of the business therein arising under the Income Tax Act, the said Board hereby authorize the increase in the number of the Commissioners for the said division, to any number not exceeding fourteen and of persons to supply vacancies amongst such Commissioners to any number not exceeding fourteen; and we, the undersigned, two members of the said Board,

do hereby convene a meeting of the persons appointed for putting in execution within the said county, an Act passed in the 38th year of the reign of King George the Third, intituled "An Act for granting an aid to His Majesty by a Land Tax to be raised in Great Britain for the service of the year 1798," being respectively qualified to act as Commissioners in the execution of the last-mentioned Act, to be holden at the Swan Inn, in Sturminster Newton, on Thursday, the 5th day of December, 1878, at eleven o'clock in the forenoon, for the purpose of choosing and appointing, according to the regulations of the said Act of the 5th and 6th years of Her Majesty, such number of fit and proper persons to be Commissioners for general purposes for the said division of Sturminster, and of persons to supply vacancies amongst such Commissioners, as may be sufficient to increase the number of such Commissioners to any number not exceeding fourteen, and of persons to supply vacancies amongst such Commissioners to any number not exceeding fourteen.

## Upper Mersey Navigation.

(Powers to Commissioners to alter or modify existing Tolls, Rates, or Dues; to levy additional or increased Tolls, Rates, or Dues, and to alter, modify, or increase Compositions in respect of Tolls, Rates, or Dues; to repeal, alter, or modify certain Exemptions from Payment of Tolls, Rates, or Dues; to borrow additional Moneys on Mortgage of Tolls, &c.; to improve Navigation; to remove Rocks and Wrecks, or to contribute Funds towards the Cost of such Removal; Agreements with the Mersey Conservancy Commissioners and the Mersey Docks and Harbour Board; Amendment or Repeal of existing Provisions as to Buoying and Lighting of the Channel between Ellesmere Port and Pool Hall Rocks; Alteration of Times and Places for holding Meetings of Commissioners; Amendment or Repeal of Acts; Incorporation and Amendment of General Acts; and other Purposes).

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Upper Mersey Navigation Commissioners (hereinafter called "the Commissioners") for an Act to effect all or some of the purposes following; that is to say:—

To repeal or to alter or modify the powers of the Commissioners to levy tolls, rates, or dues granted by "The Upper Mersey Navigation Act, 1876" (hereinafter called "the Act of 1876"), or any other Act relating to the Commissioners, and to enable the Commissioners to demand, recover, and receive new or increased tolls, rates, or dues, in addition to those authorised by the Act of 1876, and to compound for any such tolls, rates, or dues,

and to alter, modify, or increase the compositions now leviable by the Commissioners, and to confer, vary, or extinguish exemptions from tolls, rates, or dues, and to confer, vary, or extinguish other rights and privileges.

To repeal or alter section 32 of the Act of 1876 relating to certain exemptions from the payment of rates or dues therein referred to, and to make other provisions in relation thereto.

To empower the Commissioners to raise additional moneys for the purposes of their undertaking, and of the intended Act, on mortgage of the tolls, rates, or dues now authorised to be levied by them or to be granted by the intended Act, and to confer all necessary and usual powers with reference to such borrowing.

To confer upon the Commissioners further and additional powers to improve the navigation of the Upper Mersey, and also to make bye-laws for the regulation, protection, and management of the Upper Mersey, to impose penalties on all persons placing or continuing obstructions, or throwing, emptying, or depositing ballast therein; to place lighthouses, light-ships, buoys, beacons, and mooring-chains in the Upper Mersey for the safety and convenience of ships, vessels, and other craft navigating the same.

To empower the Commissioners to remove rocks and wrecks, or other impediments or obstructions to the free navigation of the River Mersey, within the limits defined by the Act of 1876, or to empower them and the Commissioners for the Conservancy of the River Mersey, acting under the authority of the local and personal Act 5 and 6 Vic., cap. 110, and the Mersey Docks and Harbour Board, or the Commissioners and either of the last-named bodies, to make and enter into and carry into effect

contracts and agreements with reference to the removal of such rocks and wrecks, impediments, or obstructions, and respectively to apply their existing funds, or to raise additional moneys for such purposes, and to confirm any contracts or agreements made or to be made for those purposes.

To repeal or alter section 27 of the Act of 1876, and to make further provisions in relation to the buoys and lighting of the channel between Ellesmere Port and Pool Hall Rocks.

To make further provisions with respect to the times and places of holding the meetings of the Commissioners, and so far as necessary to alter or modify the provisions of the Commissioners Clauses Act, 1847, incorporated with the Act of 1876.

To alter, amend, and enlarge, or to repeal so far as may be necessary for the purposes aforesaid, all or any of the powers and provisions of the several local and personal Acts following, namely, the Upper Mersey Dues Act, 1860, and the Upper Mersey Navigation Act, 1876; the 5 and 6 Vic., cap. 110; and any other Acts relating to the Commissioners for the Conservancy of the River Mersey; the Mersey Docks and Harbours Act of 1857; and the Mersey Docks Acts Consolidation Act, 1858; and also all other Acts, charters, grants, customs, rights, and privileges relating to the River Mersey which may be inconsistent with the exercise of the powers and provisions of the intended Act.

To incorporate with the intended Act all or some of the provisions of the "The Commissioners Clauses Act, 1847," "The Harbours, Docks, and Piers Clauses Act, 1847," and any Acts amending or affecting the same, or any of them.

Printed copies of the Bill for the intended Act will be deposited in the Private Bill Office of the House of Commons, on or before the 21st day of December next.

Dated this 11th day of November, 1878.

#### Cancer Hospital.

(Incorporation of the Subscribers to the Cancer Hospital at Brompton; Provisions as to Land and Property held by or for the Charity; As to Acquiring and Disposing of Land, &c.; and for the Management of their Affairs, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next session for an Act to incorporate the subscribers to the charity or charitable institution known as the Cancer Hospital, established at Brompton, in the county of Middlesex, by the name, style, or title of "The Governors of the Cancer Hospital," or by such other name, style, or title as may be deemed expedient, with powers to sue and be sued, perpetual succession, a common seal, and all other incidents of a Corporation.

And it is proposed to transfer to and vest in or provide for the transfer to and vesting in the said Corporation of all lands, tenements, hereditaments, and personal property vested in or held by the said institution, or any person or persons for or in trust for the said institution, and to authorize the said Corporation, notwithstanding anything in the Mortmain Acts or elsewhere to the contrary, to purchase, take, and otherwise acquire, whether by gift, grant, devise, or otherwise, and to hold, occupy, enjoy, let, sell, or otherwise use or dispose of lands, tenements, or hereditaments, or money charged thereon, and any other real or personal property, and to provide for the appointment of Governors and officers,

and for the application, investment, and disposal of the funds and revenues of the Corporation, and for the making, and from time to time rescinding, altering, and amending bye-laws, rules, and regulations, and for all other matters and things necessary or expedient for carrying on, conducting, and managing the business and affairs of the said institution.

And it is proposed to vary or extinguish all existing rights and privileges which might or would prevent the accomplishment of any of the objects of the intended Act, and to confer other rights and privileges, and to repeal, alter, or amend the several Acts of Parliament known as the Mortmain Acts so far as may be necessary for effecting the objects of the intended Act.

Printed copies of the Bill for effecting the objects aforesaid will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December, 1878.

Dated the 9th day of November, 1878.

Wisbech Gas.

(Dissolution of the Wisbech Gaslight and Coke Company (Limited); Incorporation of New Company, with Powers to Maintain and Enlarge Works, and Light Wisbech St. Peter, and other places with Gas; Alteration of Capital; Electric Light, and other Powers).

**N**OTICE is hereby given, that the Wisbech Gaslight and Coke Company (Limited) intend to apply to Parliament, in the ensuing Session, for leave to bring in a Bill for all or some of the following, among other purposes, that is to say:—

1. To dissolve the said Limited Company, and to cancel and annul their memorandum and articles of association, and to re-incorporate the shareholders by the name of the Wisbech Gaslight and Coke Company, or by some other name, and to confer upon the new Company all necessary powers and authorities for carrying into effect the objects of the Bill.

2. To confer upon the Company all needful powers for lighting with gas, or other artificial light, the following parishes, or some of them, or some part or parts thereof respectively, namely—the parishes of Wisbech St. Peter, Wisbech St. Mary, Leverington, and Elm, in the county of Cambridge, and the parishes of Walsoken and Enmeth, in the county of Norfolk.

3. To authorise the Company to hold lands, and to maintain the existing works of the Limited Company, and to alter, enlarge, and improve those works, and to erect additional works, houses, and buildings on the lands or any part of the lands now belonging to or held by or in trust for the Limited Company, and to enable the Company to manufacture gas, and any residual products arising in the manufacture of gas, and to sell and dispose of gas, coke, coal-tar, and other residual and manufactured products, matters, and things.

4. The lands to be held and used for the manufacture and storage of gas and for gasworks, and for the manufacture and sale of residual products arising from the manufacture of gas or of the

materials used therein, and for other the purposes of the intended Act, are the lands now belonging to, or held by, or in trust for the Limited Company, and on parts of which the gasworks of that Company have been erected, and which said lands are situate in the said parish of Wisbech St. Peter, and are bounded as follows:—On the North, by land belonging to Mr. John Gardiner; on the South, by a garden belonging to William Goddard Jackson, Esquire; on the East, by land of the said William Goddard Jackson; and on the West, by a street called "Chase Street" and "The Chase."

5. To enable the Company to supply for public and private purposes light produced by electricity or any artificial means other than and besides the burning of gas, and for that purpose to utilise so far as practicable all or any of their works and machinery, mains, pipes, and other apparatus, and from time to time to erect and maintain such other works, machinery, and apparatus as may be necessary in or incidental to the manufacture and distribution of such light, and in respect thereof to levy rates, rents, and charges, and to exercise all or any of the rights and powers now enjoyed or exercised by the Limited Company with respect to the supply of gas, and also all such other rights, powers, and privileges as may be conferred by the Bill, and to confer upon the respective local authorities within the limits of the Bill a power of contracting and agreeing with the Company for the furnishing by them of any such light.

6. To enable the Company to acquire, hold, use, and enjoy, patent rights, licenses, and royalties in relation to the manufacture, conversion, and distribution, as well of gas and the residual products arising therefrom as of electricity or such other artificial light as the Company may supply within their district, and to carry on the business usually carried on by gas companies, or which is or may become incidental thereto, and to maintain, alter, or renew any existing mains and pipes within their limits of supply, and to lay down and maintain, alter, or renew mains, wires, and pipes in, through, across, along or under lands, streets, roads, public or private; lanes, railways, rivers, canals, waters, sewers, drains, pipes, bridges, and other passages and places within the limits of the intended Act.

7. To empower the Company to manufacture, purchase, or hire gas meters, stoves, fittings, and other apparatus, and to sell, fit up, or let the same, and to charge and receive rents, charges, and remunerations for the sale and supply of gas and other services rendered with respect to such gas meters, stoves, and fittings and other apparatus, and to alter existing rates, charges, and remunerations, and to confer, vary, and extinguish exemptions from the payment of such rates, charges, and remunerations.

8. To authorise the Company of the one part, and all or any of the local or sanitary authorities within the said limits of the other part, to make and carry into effect contracts and agreements for and with respect to lighting and for supplying all things and performing all acts incidental to lighting any streets, roads, places, or buildings within such limits upon such terms and conditions as they shall respectively agree upon.

9. To make provision as to the present capital of the Limited Company, and to alter, define, and regulate the same, and to enable the Company from time to time as may be required to raise upon such terms and conditions as may be named in the Bill further capital by shares or stock (preferential or otherwise), and by borrowing, and to create debenture stock.

10. The Bill will incorporate with itself the necessary provisions of "The Companies Clauses Consolidation Act, 1845;" "The Companies Clauses Act, 1863;" "The Companies Clauses Act, 1869;" and "The Lands Clauses Consolidation Acts, 1845, 1860, and 1869;" and it will also incorporate with itself, so far as the same are applicable and except so far as the same may be specially varied, the provisions of "The Gasworks Clauses Acts, 1847 and 1871;" and it will confer upon the Company all other rights and privileges necessary for carrying into effect the objects of the Bill, and it will vary and extinguish all such existing rights and privileges as may interfere with the attainment of any of those objects.

11. Printed copies of the intended Bill will, on or before the 21st day of December next, be deposited in the Private Bill Office of the House of Commons.

Dated this 11th day of November, 1878.

Board of Trade.—Session 1879.

Ystrad Gas and Water.

(Application to Board of Trade under "Gas and Water Works Facilities Act, 1870," for Provisional Order to authorize the Raising of Additional Capital.)

NOTICE is hereby given, that the Ystrad Gas and Water Company (hereinafter referred to as "the Company") intend to apply to the Board of Trade, pursuant to "The Gas and Water Works Facilities Act, 1870," for a Provisional Order, to be confirmed by Parliament in the ensuing session, for the following purposes (that is to say):—

To authorize the Company to raise additional capital for the purposes of their undertaking by the creation and issue of new shares or stock, and by borrowing on mortgage, and by the creation and issue of debenture stock, or by some of such means, and to attach to such new shares or stock, or some part thereof, preference or priority in the payment of dividend and other rights and privileges.

The intended Order will incorporate all or some of the provisions of the Companies Clauses Acts, 1845, 1863, and 1869, and so far as may be necessary for the purposes of the Order it will amend and enlarge the provisions of the Ystrad Gas and Water Act, 1868, the Ystrad Gas and Water Order, 1872, and the Ystrad Gas and Water Company's Gas Act, 1874, and confer on the Company all necessary powers for carrying into effect the aforesaid objects and purposes, and it will vary or extinguish all rights and privileges which would impede or interfere with such objects and purposes, and confer other rights and privileges.

A copy of this advertisement, as published in the London Gazette, will, on or before the 30th day of November, 1878, be deposited for public inspection with the Clerk of the Peace for the county of Glamorgan, at his office at Cardiff, and also at the office of the Board of Trade, Whitehall, London.

Tring Pools Land.

(Power to sell Poor Fuel Land in parish of Tring; Amendment of Acts and other purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next session for a Bill (herein referred to as "the Bill") to effect all or some of the following objects (that is to say):

To confer power on the Trustees in whom is vested certain pools land or fuel allotments situated in the parish of Tring, and county of Hertford, to sell and dispose of or exchange such land or some part thereof on such terms and conditions as shall be provided by the Bill, and to provide for the management and application of the moneys to be received from the sale of such land.

To confer power on the Charity Commissioners of England and Wales to consent to and confirm and sanction any sale or exchange of pools or fuel land to be made by the said Trustees.

To confer on the said Trustees and on the said Commissioners, and on all other parties interested in the said land, all such powers as shall be necessary for carrying the objects of the Bill into effect.

To sanction and confirm any agreement already made or to be made by the said Trustees for the sale or exchange of such land, or otherwise in relation thereto.

To vary and extinguish all rights and privileges relating to the said land intended to be sold, and any other rights or privileges which might interfere with any of the objects aforesaid, and to confer all powers and privileges necessary for effecting these objects, or in relation thereto.

To repeal, alter, and amend, so far as necessary, for the purposes of the Bill, the provisions of "The Commons Act, 1876," and of an Act of Parliament passed in the year 1797, entitled "An Act for dividing, allotting, and enclosing the open and common fields, common meadows, common pastures, and waste lands and grounds within the parish of Tring, in the county of Hertford," and the award made under the last-mentioned Act, and any other Act, deed, or writing relating to the said land, or to the objects of the Bill.

Greenock Railway Guaranteed Company.

(Provisions for making good Loss resulting from Stock fraudulently issued by John Duncan, and other Losses, and otherwise; To ascertain and fix Amount of such Stock; To bar and exclude Claims in respect thereof, and of Dividends or Interest thereon after a limited time; Cancellation of existing Certificates of Stock in the Company, and the issue of new Certificates; New Common Seal; New form of Stock Certificate; Increase of Capital; New Charges on existing Income of Company; Application and Appropriation of new Capital; Costs of Investigation into Frauds, and Costs of Act and of Management; Provisions as to making good Losses out of Income of Company; Confirmation of Scheme to be settled by Company regulating Rights of Stockholders in Income of Company; Incorporation, Amendment of Acts, and other Purposes.)

**N**OTICE is hereby given, that application is intended to be made to Parliament in the ensuing session, by the Greenock Railway Guaranteed Company (in this notice hereafter called the Company), incorporated by "The Caledonian Railway Arrangements Act, 1851" (in this notice hereafter called the Act of 1851), for leave to bring in a Bill for the purposes following, or some or one of them, that is to say:—

1. To provide for making good to the holders of stock purporting to be stock of the Company, but fraudulently created and issued by John Duncan, formerly secretary of the Company, the amount of such stock, and dividend or interest thereon, in such manner, by such ways and means, and on such terms and conditions, as the Bill may provide, or as may be prescribed by Parliament, and to meet and provide for the other

losses the Company has sustained by the misappropriation of its funds by the said John Duncan.

2. To ascertain and fix the amount of, and to confirm and declare valid as stock of the Company all stock purporting to be stock of the Company, but fraudulently issued by the said John Duncan, and held by *bond-fide* purchasers or their representatives or assigns, which the holders thereof may, within such time as the Bill may direct or Parliament may fix, claim to have made valid, and to define and regulate the mode and manner in which such claims shall be made, investigated, and determined, and to provide that all stock so fraudulently issued, and dividends or interest due thereon in respect of which such claims are not made within the time to be so limited, shall be barred and excluded and held to be invalid, and the Company freed and discharged from all liability in respect thereof, and to attach to such stock so confirmed and made valid, all the rights, privileges, and advantages, and to subject the holders of such to all the liabilities which attach or would attach to the said stock if the same had been legally created and issued by the Company.

3. To authorize and empower the Company to call in and cancel all stock certificates of the Company, including the stock certificates so fraudulently issued, and to grant and issue new certificates in lieu thereof, or otherwise to provide for the cancellation of such certificates, and the granting and issuing of new certificates in lieu thereof.

4. To authorize the Company to cancel their existing common seal, and to procure and provide a new common seal in lieu of the common seal so cancelled.

5. To provide that all certificates of stock in the Company shall be signed by one or more of the directors of the Company and by the secretary of the Company, and be sealed with the common seal of the Company.

6. To authorize the Company to raise additional capital by the creation and issue of new shares or stocks, and to attach to all or some of such shares or stock, such dividends or interest and such rights, privileges, advantages, preferences, or priorities as the Bill may define or Parliament may authorize, and to provide that the dividends or interest on such shares or stock shall be payable out of one or both of the annuities payable to the Company by the Caledonian Railway Company under the Act of 1851 in such proportions and in such manner and on such terms and conditions as the Bill may provide or Parliament direct, and to appropriate and make applicable to the payment of such dividends or interest the said annuities or either of them, or any part or parts thereof, and to provide that to the extent to which such annuities may be so appropriated and made applicable, the dividends now payable to the holders of the existing stock of the Company shall be reduced.

7. To provide for the application and appropriation of the new shares or stock to be created and issued under the authority of the Bill—first, in substitution for the stock so fraudulently created and issued, and, on such substitution being effected, to provide for the cancellation of the said stock so fraudulently created; and secondly, in payment of the costs, charges, and expenses incurred in connection with the investigation into the creation and issue of the said stock so fraudulently created, and in preparing, applying for, and passing the Bill; and thirdly, in providing a sum to meet the other losses sustained by the Company through the frauds of

the said John Duncan, and the expenses which the Company may incur in managing its affairs and in distributing among the holders of shares and stock the said annuities as the same may be received from the Caledonian Railway Company, or otherwise to provide for the application and appropriation of such new shares or stock in such manner as the Bill may provide or Parliament may prescribe.

8. To authorize the Company (if they think it more desirable to do so rather than permanently to increase the capital of the Company) to or otherwise to make good the loss occasioned by the fraudulent issue of stock by the appropriation from time to time of the foresaid annuities or either of them, or any portion thereof, as the same may hereafter become payable in the purchase of stock in the Company, until the same is reduced to the amount thereof, existing previous to the creation or issue of the said fraudulent stock, and to provide for the cancellation and extinguishment of the stock so purchased as aforesaid.

9. To declare, define, and regulate the capital of the Company, and to fix and regulate the rights *inter se* of the existing holders of stock in the Company, and the holders of the new shares or stock to be created and issued under the Bill in the annuities payable by the Caledonian Railway Company under the Act of 1851, and to vary, alter, and extinguish all or any of the rights of the existing holders of stock with reference to such annuities, and to vary, alter, and extinguish all other existing rights and privileges inconsistent with or which would in any way interfere with any of the objects of the Bill, and to confer, vary, or extinguish other rights and privileges.

10. To confirm and give effect to any scheme which the holders of stock in the Company may approve of, previous to the passing of the Bill, with reference to all or any of the matters aforesaid, and the making good the loss arising from the creation and issue of the said stock so fraudulently created and issued, and the other losses suffered by the Company.

11. To incorporate with the Bill, with or without modification or alteration, all or any of the provisions of "The Companies Clauses Consolidation (Scotland) Act, 1845;" and "The Companies Clauses Act, 1863."

12. To amend, alter, or repeal all or some of the powers and provisions of the several Acts following, and of any other Act relating to the Company, that is to say (local and personal), 7 William IV. and 1 Victoria, cap. 116; 3 and 4 Victoria, caps. 107 and 123; 4 and 5 Victoria, cap. 5; 6 and 7 Victoria, cap. 49; 9 and 10 Victoria, caps. 143 and 188; 10 and 11 Victoria, caps. 168 and 169; and 11 and 12 Victoria, cap. 78; "The Caledonian and Glasgow, Paisley and Greenock Railways Amalgamation Act, 1847;" and of "The Caledonian Railway Arrangements Act, 1851;" and particularly the powers and provisions of the two last-mentioned Acts, or either of them relating to the Company.

13. Printed copies of the proposed Bill will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December next.

Dated this 11th day of November, 1878.

4256. To Robert Alexander Webb, of 152, Upper Thames-street, in the city of London, Merchant, for the invention of "an improved air-gun."—A communication to him from abroad by Wilhelm Rosner, of Mohrenstrasse, 29, Cologne, Germany.
4259. To John Morton, of Glasgow, in the county of Lanark, North Britain, Sewing Machine Maker, for the invention of "improvements in plaiting or kilting machines."
4260. To Thomas Skelding Tongue, of Birmingham, in the county of Warwick, Machinist, for the invention of "improvements relating to sewing-machines, part of which is applicable to other purposes."
4261. To Joseph Bedford, of Leeds, in the county of York, Corn-Mill Engineer, for the invention of "improvements in centrifugal flour dressing machines and in apparatus connected therewith."
4262. To Thomas Chadwick, of Liverpool, in the county of Lancaster, Salt Manufacturer, Henry Whitehead, of Longport, in the county of Stafford, Manager, and Smith Norbury Cartledge, of Longport aforesaid, Potter, for the invention of "improvements in manufacturing or producing salt from brine and for stoving the same by means of steam."
4263. To William Henry Abbott, of Harrow, in the county of Middlesex, for the invention of "an improved plaiting or kilting machine."
4264. To Richard Bishop, of Hackney, in the county of Middlesex, Civil Engineer, for the invention of "improvements in tramways."
4265. To George Singer, of Coventry, in the county of Warwick, for the invention of "improvements in and connected with bicycles, tricycles, and other velocipedes."
4266. To Charles Algernon Parsons, of No. 2, Queen's-gate, Kensington, in the county of Middlesex, for the invention of "improvements in engines worked by steam or other fluid pressure, and in rotating slide valves for the same, the said engines being applicable as pumps, and the said rotating valves being applicable to multiple cylinder engines and pumps generally."
4267. To William Palliser, of No. 21, Earl's-court-square, in the county of Middlesex, Knight, for the invention of "improvements in projectiles."
4268. To James Stewart Smyth, Capt., 2nd Batt. 17th Foot, of the Caledonian United Service Club, Edinburgh, for the invention of "improvements in apparatus for transporting weights from place to place."
4269. To William Pretty, junior, of Ipswich, in the county of Suffolk, for the invention of "improvements in corsets."
4270. To William Pochin, of Salford, near Manchester, in the county of Lancaster, for the invention of "improvements in the treatment of iron slag, by which it is rendered suitable for use as a manure."
4271. To Alfred Vincent Newton, of the Office for Patents, 66, Chancery-lane, in the county of Middlesex, Mechanical Draughtsman, for the invention of "improvements in shuttle motions for looms."—A communication to him from abroad by the New York Silk Manufacturing Company (Incorporated), of the city

- and State of New York, United States of America.
4272. To Thomas Joseph Ditchburn, of Lewisham, in the county of Kent, Civil Engineer and Naval Architect, for the invention of "improved machinery for cutting or chopping wood."
4273. John Jones, of Middlesbrough, in the county of York, for the invention of "an improvement in the manufacture of iron."
4274. To Anne Edden, of Hammersmith, in the county of Middlesex, for the invention of "improvements in horse-shoes."
4275. And to John Giers, of Middlesbrough, in the North Riding of the county of York, Ironmaster, for the invention of "improvements in the manufacture of iron and steel."
- On their several petitions, recorded in the Office of the Commissioners on the 24th day of October, 1878.
4276. To Charles Jones, of Derby, in the county of Derby, for the invention of "improvements in machinery and apparatus to be employed in foundries."
4277. To David Elkan, of the firm of Jacobs and Company, of Finsbury, in the county of Middlesex, for the invention of "improvements in umbrella tip fasteners."
4279. To Henri Adrien Bonneville, of the British and Foreign Patent Offices, 18, Rue de la Chaussée d'Antin, Paris, France, and 6, Piccadilly, in the county of Middlesex, Patent Agent, for the invention of "a new or improved means of registering sales in commercial houses."—A communication from Anatole Rouillard, a person resident at Rouen, France.
4280. To Henri Adrien Bonneville, of the British and Foreign Patent Offices, 18, Rue de la Chaussée d'Antin, Paris, France, and 6, Piccadilly, in the county of Middlesex, Patent Agent, for the invention of "certain improvements in frying-pans."—A communication from James Edgar and Alfred Bardell, two persons resident, the first in the city of New York, and the second in Brooklyn, both of the county and State of New York, United States of America.

4282. To William Timbrell Clark, of Crick, nr. Rugby, Northamptonshire, Engineer, for the invention of "improvements in pistons and valves for steam engines, and in the pistons and piston rods for air-compressors, such improvements being also applicable for other purposes."
4283. To John Edwards Stokes, of Eastcott Villa, Selwyn-road, Upton Manor, in the county of Essex, for the invention of "improvements in obtaining light by electricity, and an apparatus for its application to illuminating purposes."
4285. To Robert James Coningsby, of Croydon, and Albert Grover, of Mitcham, both in the county of Surrey, for the invention of "certain improvements in the manufacture of frames for pictures, also applicable to other purposes."
4286. To John Henion Johns, of Rhymney, in the county of Monmouth, Roller, for the invention of "improvements in machinery or apparatus for preparing, coating, and cleaning metallic sheets or plates."
4287. To Francois Verrue, Engineer, of 23, Boulevard de Strasbourg, at Paris (France), for the invention of "an improved magneto-electric engine."
4288. To Everett Austin Snuggs, of 26, Sheet-street, Windsor, for the invention of "improvements in water taps, which taps are also applicable to other purposes."
4289. To James Rhodes, of Horsfoth, near Leeds, in the county of York, for the invention of "improvements in vent valves for casks or barrels containing liquors."—A communication to him from abroad by Taylor Burrows, of Lille, in the Department of Nord, in the Republic of France.
4290. To George Gale, of New Wortley, near Leeds, in the county of York, for the invention of "improvements in the means or apparatus for igniting, regulating, and extinguishing the lights in street and other lamps."
4291. To John Scaife, of Leeds, in the county of York, for the invention of "improvements in steam and other packing."
4292. To George Archer, of Holloway, in the county of Middlesex, for the invention of "improvements in converting oscillating and other reciprocating motion into revolving motion."
4293. To James Apperly, of Dudbridge House, near Stroud, in the county of Gloucester, for the invention of "improvements in the construction of rotary steam engines."
4294. To Henry Walker, of Birmingham, in the county of Warwick, Gun Manufacturer, for the invention of "improvements in breech-loading small arms."
4295. To Felix Alexandre Testud de Beauregard, of Boulevard de Strasbourg, 23, Paris (France), Engineer, for the invention of "improvements in the mode of utilizing the heat and the expansion of steam and gas upon the liquids, and the apparatus for effecting the same."
4297. To Bristow Hunt, of Serle-street, Lincoln's-inn, in the county of Middlesex, Gentleman, for the invention of "improvements in machinery or apparatus for agglomerating coal and other substances."—A communication to him from abroad by Gustave Jean Paul Couffinal, of Paris, France, Civil Engineer.
4298. To Elias Leak, of Longton, in the county of Stafford, Potters' Machinist, and John Edwards, of Fenton, in the same county, Manufacturer, for the invention of "improvements in apparatus for supporting pottery-ware in kilns and ovens."
4299. And to Henry Woodward, of No. 56, Wilton-road, Aston, Birmingham, in the county of Warwick, for the invention of "improvements in the manufacture of balls for billiards and other similar purposes."—A communication to him by Narcisse P. Fouquerolle, a person resident at Saint Denis, near Paris, France.
- On their several petitions, recorded in the Office of the Commissioners on the 25th day of October, 1878.
4300. To William James Fleming, of Glasgow, in the county of Lanark, North Britain, for the invention of "an apparatus for mechanically basting meat whilst cooking."
4302. To James Rae, of Sydenham, in the county of Kent, Engineer, for the invention of "improvements in tramways and apparatus for cleaning the same."
4303. To Arthur Charles Henderson, of 6, Southampton-buildings, Holborn, in the county of Middlesex, Patent Agent, for the invention of "improvements in rectilineal stocking frames, which improvements are specially applicable to Dutch looms or rectilineal looms taking up

directly on the plates."—A communication to him from abroad by Madame Auroy, née Julie Augustine Loisseleur Deslongchamps, Gustave Beuve, and Charles Boucher, all of Puteaux, in the Department of Seine, in the Republic of France.

4305. To Albert Barraclough, of Heckmondwike, in the county of York, Plumber and Brazier, for the invention of "improvements in means or apparatus for heating water or other liquids used for the purpose of washing felted carpets, cloths, wool, worsted, skirtings, or other fibrous materials, also applicable for heating water or other liquids for dyers' or brewers' vats, and similar purposes."
4306. To Alexander Martin Sullivan, of Clapham, in the county of Surrey, for the invention of "improvements in railway breaks."
4307. To Stephen Joseph James Kelly and Leonard Chapman, both of Charlotte-street, Shoreditch, in the county of Middlesex, for the invention of "an improved mode or process of graining and marbling."
4308. To Frank Baldwin Walsh, of Dublin, in the county of Dublin, Ireland, for the invention of "an improved machine for the manufacture of collars for horses and other animals."
4309. To John Brunton, of Great George-street, Westminster, in the county of Middlesex, for the invention of "improvements in sluice valves or sluice apparatus."—A communication to him from abroad by Robert Brunton, of Hyderabad, Scinde, India, Civil Engineer.
4310. To James Mason, of Eynsham Hall, near Witney, in the county of Oxford, for the invention of "improvements in the treatment of the residues resulting from the burning of iron pyrites."
4311. To Robert Edward Colbert, of Old Ford-road, in the county of Middlesex, for the invention of "an improved disinfecting powder or composition."
4312. To Samuel Johnson, of Wood Green, in the county of Middlesex, for the invention of "improvements in apparatus for preventing waste of water in water-closets, urinals, lavatories, and other situations where intermittent supplies of water are required."
4314. To John Adam, of Queen Victoria-street, in the city of London, for the invention of "improved apparatus to facilitate playing on the organ and harmonium."—A communication to him from abroad by Camille Maillet, of Antwerp, in the Kingdom of Belgium.
4315. To Benjamin Pryor Stockman, of Poet's Corner, Westminster, in the county of Middlesex, Civil Engineer, for the invention of "improvements in apparatus for producing light by electricity."
4316. To James William Thomas Cadett, of Camberwell-grove, in the county of Surrey, for the invention of "new or improved electrical arrangements whereby electricity can be applied in increased amount or force."
4317. And to Frederick Daniel Tilleard, of Kensington, in the county of Middlesex, for the invention of "improvements in lamps for lighting by electricity."

On their several petitions, recorded in the Office of the Commissioners on the 26th day of October, 1878.

4319. To William Alexander McKeown, of Belfast, in the county of Antrim, in Ireland, Doctor of Medicine and Master in Surgery, for the invention of "improvements in acoustic apparatus."

4321. To William Phillips Thompson, of 6, Lord-street, Liverpool, in the county of Lancaster, British and International Patent Agent and Civil Engineer, for the invention of "improvements in and relating to apparatus or machinery for making sand moulds for metal castings."—A communication to him from abroad by William Aikin and William Whyte Drummond, both of Louisville, Kentucky, United States of America, Foundrymen.

4322. To Henri Adrien Bonneville, of the British and Foreign Patent Offices, 18, Rue de la Chaussée d'Antin, Paris, France, and 6, Piccadilly, in the county of Middlesex, Patent Agent, for the invention of "a new or improved brick to be used for the borders of paths, walks, or alleys in gardens or parks."—A communication from Emile Beaucantin, a person resident at Rouen, France.

4323. To William Graham, of Monk Bretton, in the county of York, for the invention of "improvements in securing wheels and pulleys to their axles."

4324. To Stephen James Menzies, of Liverpool, in the county of Lancaster, for the invention of "improvements in and relating to apparatus for sending money and other similar articles by mail or otherwise."

4325. To Jean Ferdinand Chaffaud, of Bordeaux, and Guillaume Camin Barbotin, of Arès, in the Department of Gironde, in the Republic of France, for the invention of "improvements in hammocks for life-preserving in case of shipwreck, or forming bouys when so required."

4326. To Joseph Yeo, of Edenhall, Penrith, in the county of Cumberland, for the invention of "an improved animal trap."

4327. To Eli Whitwam, of Huddersfield, in the county of York, Engineer, for the invention of "improvements in the manufacture of 'condenser' bobbins."

4328. To Thomas Castle, of Snodland, in the county of Kent, for the invention of "improvements applicable to kilns and retorts specially useful in the manufacture of cement."

4329. To George Goundry Munger, of the city of Rochester, in the State of New York, United States of America, Attorney-at-Law, for the invention of "improvements in lubricating compounds."

4331. To William Edward Gedge, of No. 11, Wellington-street, Strand, London, in the county of Middlesex, Patent Agent, for the invention of "an improved system of lighting by means of colored glasses."—A communication to him from abroad by Louis Michel, of Thonon (Haute Savoie), France.

4332. To Henry Newbold, of Manchester, in the county of Lancaster, Agent, for the invention of "improvements in the method of and means for maintaining the charges of gas in balloons."

4333. To Daniel Orme, of the firm of George Orme and Company, of Oldham, in the county of Lancaster, Gas Meter Manufacturers, for the invention of "improvements in wet gas meters."

4335. To Edward Seed, of Blackburn, in the county of Lancaster, Window Blind Manufacturer, and Richard Woods, of Blackburn aforesaid, Sawyer, for the invention of "improvements in velocipedes."

4336. To James Lane, of Nottingham, in the county of Nottingham, Chemist, for the invention of "an improved compound for rendering new and used barrels suitable for the reception of beer."

4337. To Claude Edward Grosvenor Wyrall, of 5, Southampton-buildings, in the county of Middlesex, for the invention of "improvements in the construction of lamps."

4338. To Charles Weightman Harrison, of South Kensington, in the county of Middlesex, Gentleman, for the invention of "improvements in obtaining light by electricity, and in the means or apparatus employed therein."

4339. And to James Hill Dickson, of the Rhea Fibre Works, Godalming, in the county of Surrey, and 8, Union-street, Borough, in the county of Surrey, Engineer, and Sydney Herbert Hollands, of 796, Old Kent-road, in the county of Surrey, for the invention of "improvements in treating rhea, flax, hemp, and other such like vegetable fibrous materials."

On their several petitions, recorded in the Office of the Commissioners on the 28th day of October, 1878.

4341. To William Campion and James Bettney, both of the town and county of the town of Nottingham, for the invention of "improvements in machinery and apparatus applicable to turning-off machines."

4342. To Harry Statham, of the city of Manchester, in the county of Lancaster, for the invention of "improvements in bandages to be worn on the human body."

4343. To William Henry Waterfield, of Upper Gornal, in the county of Stafford, Firebrick Manufacturer, for the invention of "improvements in, and applicable to, the construction of puddling furnaces and other furnaces."

4344. To Francis James Odling, of No. 199, Adelaide-road, Hampstead, in the county of Middlesex, for the invention of "improvements in gas batteries for the production of electricity."

4345. To William Bull, of No. 4, Lancaster-place, Strand, in the county of Middlesex, Engineer, for the invention of "improvements in forming, fitting, and closing glass and other bottles, and in securing and liberating the contents of such bottles."

4347. To Joshua Stansfield Wilson, of 13, Esplanade West Sunderland, in the county of Durham, Electrician, for the invention of "improvements in and appertaining to apparatus for producing electric light."

4348. To Joshua Stansfield Wilson, of 13, Esplanade West Sunderland, in the county of Durham, for the invention of "improvements in and appertaining to secondary galvanic batteries."

4349. To George Vincent Fosbery, of Cannon-street, in the county of Middlesex, for the invention of "improvements in and relating to pumps."

4350. To William Pindar, of the city and county of York, for the invention of "improvements in silk machines for dressing flour, part of such improvements being applicable for sieving or sifting other powdered and pulverized materials."

4352. To Samuel Cutler, of Millwall, in the county of Middlesex, for the invention of "improvements in gas valves, and in the arrangement of the pipes connecting them with the vessels with which they may be employed."

4353. To John Imray, of Southampton-buildings, in the county of Middlesex, for the invention of "improvements in the treatment of ammoniacal liquor, for the separation of ammonia compounds therefrom."—A communication to him from abroad by Henry Joseph Ernest Hennebutte, of Anglet, near Bayonne, and Charles Just Felix Raoul de Jeannel Mesnard, Vicomte de Vaureal, of Biarritz, France.

4354. To John Henry Johnson, of 47, Lincoln's-inn-fields, in the county of Middlesex, Gentleman, for the invention of "improvements in feed water heaters or apparatus for steam-boilers."—A communication to him from abroad by Henry Buik, temporarily residing at Rotterdam, in the Kingdom of Holland.

4355. To Hector Auguste Dufrené, of No. 10, Rue de la Fidélité, Paris, in the Republic of France, and 4, South-street, Finsbury, London, Civil Engineer and Patent Agent, for the invention of "an improved caster for furniture."—A communication from Monsieur Nicolas-Xavier Braidy, 10, Rue Oberkampf, Paris, in the Republic of France.

4356. To Frederick John Runyard, of Camden Town, in the county of Middlesex, for the invention of "improvements in folding bedsteads."

4357. To Arthur Wellesley Lake, of 66, Gloucester-gardens, Hyde Park, in the county of Middlesex, for the invention of "improvements in elastic packing, and in vessels or utensils packed with the same, and in the application thereof, and in means, modes, and processes connected therewith."—A communication to him from abroad by Jacob C. Horton, of the city of New York, and James Brady, of the city of Brooklyn, United States of America.

4358. To John Harrison, of Summer-lane, Birmingham, in the county of Warwick, Machinist, for the invention of "improvements in bells for bicycles, applicable also to other useful purposes."

4359. To Edward Slater, of Burnley, in the county of Lancaster, Spinning Master, for the invention of "improvements in machinery for spinning and doubling fibres."

4360. To James Proctor, of Burnley, in the county of Lancaster, Engineer, for the invention of "improvements in apparatus for supplying fuel to boiler and other furnaces."

4361. To John Frederick Bennet, of South Hackney, in the county of Middlesex, for the invention of "improvements in boxes for matches and other articles."

4363. To Charles Thomas Holloway, of Birmingham, in the county of Warwick, Manufacturing Confectioner, for the invention of "improvements in the manufacture of confectionery."

4364. To George Davis, of Aberystwith, in the county of Cardigan, Iron Merchant, for the invention of "improvements in the furniture for rollerblinds, maps, and other similar articles."

4366. To Frederick Astley Whelan, of 15, WALTERTON-road, Saint Peter's Park, Paddington, in the county of Middlesex, for the invention of "improvements in propellers and in engines suitable for driving the same."

4367. And to Joshua Franklin Bailey, of New York City, in the United States of America, at present residing at the Grand Hotel, Paris, in the Republic of France, for the invention of "improvements in electric telephony and apparatus therefor."—A communication from Frank Leonard Pope, a person resident at Elizabeth, New Jersey, United States of America, Electrical Engineer.

On their several petitions, recorded in the Office of the Commissioners on the 29th day of October, 1878.

4369. To Thomas Ferdinand Walker, of Birmingham, in the county of Warwick, Manufacturer, for the invention of "improvements in apparatus for use in ascertaining the speed of vessels moving in water."

4370. To John Hollway, of Jeffrey's-square, in the city of London, for the invention of "improvements in apparatus for the manufacture of iron and steel, and for other metallurgical purposes."
4371. To John Hollway, of Jeffrey's-square, in the city of London, for the invention of "improvements in the manufacture of iron & steel, and the means employed therefor."
4372. To Harry Tee, of Wimbledon, in the county of Surrey, for the invention of "improvements in apparatus for registering the number of passengers in or on vehicles, and distances travelled."
4376. To Alexander Scott, junior, of Greenock, in the county of Renfrew, North Britain, Sugar Refiner, and Andrew McDonald, of Glasgow, in the county of Lanark, North Britain, Manufacturing Chemist, for the invention of "improvements in treating and utilising residual liquids obtained in manufacturing or refining sugar."
4378. To Hugh Stevenson, of Manchester, in the county of Lancaster, for the invention of "improvements in the construction of paste-board, or other boxes."
4380. To John William Hunter, of Stockton-on-Tees, in the county of Durham, Wholesale Grocer and Confectioner, for the invention of "a new or improved machine for the more expeditious and economical manufacture of the sweetmeats commonly known as 'drop' or 'spot' goods, and also as 'buttons.'"
4382. To John Henry Johnson, of 47, Lincoln's-inn-fields, in the county of Middlesex, Gentleman, for the invention of "improvements in the permanent way of railways."—A communication to him from abroad by Jules Antoine Joseph Vautherin, of Paris, in the Republic of France.
4384. To John Edward Walsh, Mechanical Draughtsman and Engineer, of Halifax, in the county of York, for the invention of "improvements in holders and fasteners for windows and sashes."
4386. And to John Sidney Crowley, of Manchester, in the county of Lancaster, Engineer, for the invention of "improvements in the construction of bobbins."
- On their several petitions, recorded in the Office of the Commissioners on the 30th day of October, 1878.

PATENTS WHICH HAVE BECOME VOID.

**A** LIST of the Letters Patent for Inventions which have become void by reason of the non-payment of the additional Stamp Duty of £50, before the expiration of the third year from the date of such Patents, pursuant to the Act of the 16th Vict., c. 5, sec. 2, for the week ending the 9th day of November, 1878.

3817. Henry Reid, of Doveholes, and Henry Alfred Hubbersty, of Burbage, both in the county of Derby, for an invention of "improvements in grinding machinery for grinding mineral and other substances."—Dated 3rd November, 1875.
3818. John Imray, of No. 20, Southampton-buildings, Chancery-lane, in the county of Middlesex, for an invention of "improvements in friction clutches."—Dated 3rd November, 1875.
3819. William Palliser, of No. 1, Earle's-court-square, South Kensington, in the county of Middlesex, for an invention of "improvements in the construction of terrace dwelling-houses."—Dated 3rd November, 1875.
3820. John Henry Palmer, of Sparkbrook, near Birmingham, in the county of Warwick, Gun Maker, for an invention of "improvements in breech-loading fire-arms."—Dated 3rd November, 1875.
3822. Stammers Morrisson, of Albert-square, Clapham-road, in the county of Surrey, for an invention of "improvements in the construction of wheel or roller skates."—Dated 3rd November, 1875.
3825. William Knell, of Park House, Farnborough, in the county of Hants, for an invention of "improvements in screws and screw-drivers."—Dated 3rd November, 1875.
3827. Thomas Mathews, of Whitfield-street, Tottenham Court-road, in the county of Middlesex, for an invention of "improvements in meters or apparatus for measuring and indicating the flow of fluids."—Dated 3rd November, 1875.
3830. John Howard, of Upper Thames-street, in the city of London, for an invention of "improvements in apparatus for sorting or separating mixed corks and cork squares into separate sizes."—Dated 4th November, 1875.
3834. William John Morier, of Glasgow, in the county of Lunark, North Britain, for an invention of "improvements in apparatus for beating, churning, or mixing liquid or partly liquid compounds."—Dated 4th November, 1875.
3835. Martyn John Roberts, of the city of Bath, Esquire, for an invention of "improvements in steam boilers to prevent their priming."—Dated 4th November, 1875.
3840. Thomas Holt, of Rochdale, in the county of Lancaster, Engineer, and James Schofield, of Littleborough, in the same county, Cotton Manufacturer, for an invention of "improvements in arrangements for imparting motion to the grate bars of furnaces."—Dated 4th November, 1875.
3841. William Jackson, of No. 1, Willow Brook-road, Peckham, in the county of Surrey, for an invention of "an improved furnace and apparatus for the dessication of coal or fuel and utilizing its products for cooking, heating, and locomotive purposes."—Dated 4th November, 1875.
3842. Edward Davies and Stanley Wilson, both of Liverpool, in the county of Lancaster, for an invention of "improvements in machinery and apparatus for propelling navigable vessels, parts of which improvements are applicable to various other useful purposes."—Dated 4th November, 1875.
3844. Henry Walton Whitehead, of Holbeck, in the parish of Leeds, in the county of York, a Partner in the firm of Taylor, Wordsworth, & Co., of the same place, Machine and Tool Makers, and Frederick Henry Wright, of Halifax, in the same county, Wool Comber, for an invention of "improvements in means or apparatus used in washing or scouring wool and other fibres."—Dated 4th November, 1875.
3846. Richard Lee, of Philadelphia, United States of America, but at present residing at Huddersfield, in the county of York, Currier, for an invention of "improvements in machinery or apparatus for embossing and glazing leather and other material."—Dated 4th November, 1875.
3847. Alfred William Turner, of Birmingham, in the county of Warwick, Mechanical Draughtsman and Pattern Maker, for an invention of "improvements in washing machines."—Dated 4th November, 1875.

3848. William Robert Lake, of the firm of Haseltine, Lake, & Co., Patent Agents, Southampton-buildings, London, for an invention of "improvements in knitting machinery."—The said invention has been communicated to him from abroad by Charles James Appleton, of Elizabeth, New Jersey, United States of America.—Dated 4th November, 1875.
3849. James Cleminson, of Westminster, in the county of Middlesex, Civil Engineer, for an invention of "improvements in apparatus for feeding steam-boilers with hot water."—Dated 5th November, 1875.
3850. John Tyler Barnsley Bennett, of Aston, near Birmingham, in the county of Warwick, for an invention of "an improved retort and arrangements of retorts for manufacturing gas and other purposes."—Dated 5th November, 1875.
3851. Henry Lander, of Mere, in the county of Somerset, for an invention of "improvements in agricultural implements, commonly called collectors."—Dated 5th November, 1875.
3855. James Wilson, Assistant Manager to Messieurs M. Macfarlane and Company, Distillers, of Glasgow, in the county of Lanark, North Britain, for an invention of "improvements in apparatus to be used in making worts for distilling purposes from certain kind of grain."—Dated 5th November, 1875.
3859. Morgan George Lloyd, of Camolin, in the county of Wexford, Ireland, for an invention of "improved machinery for trimming lawns and cutting sods."—Dated 5th November, 1875.
3860. William Crookes, of Mornington-road, in the county of Middlesex, F.R.S., for an invention of "improved apparatus for indicating the intensity of radiation."—Dated 5th November, 1875.
3863. George John Newton, of Old Radford, in the county of Nottingham, for an invention of "improvements in machinery or apparatus applicable to hobbin net or twist lace machines."—Dated 6th November, 1875.
3864. Bain Munro, of Forfar, in the county of Forfar, North Britain, Engineer, for an invention of "improvements in or connected with tools for cutting coal, stone, slate, marble, or similar materials."—Dated 6th November, 1875.
3868. John Butterworth and William Dickinson, Machinists, and Christopher Catlow, Overlooker, all of Burnley, in the county of Lancaster, for an invention of "improvements in looms for weaving."—Dated 5th November, 1875.
3869. William Robert Lake, of the firm of Haseltine, Lake, & Co., Patent Agents, Southampton-buildings, London, for an invention of "an improved motor for sewing and other machines."—The said invention has been communicated to him from abroad by George Washington Manson, of Washington, District of Columbia, United States of America, Machinist.—Dated 6th November, 1876.
3870. George Tomlinson Bousfield, of Sutton, in the county of Surrey, for an invention of "improvements in the precipitation of copper and other metals from solution."—The said invention has been communicated to him from abroad by the Société Anonyme du Cuivre Français, of Paris, in the Republic of France.—Dated 6th November, 1875.
3871. Charles Mace and John Brewster, both of Sunderland, in the county of Durham, for an invention of "improvements in tube stoppers for stopping the ends of split or leaky tubes in steam boilers, and staying the tube plates."—Dated 6th November, 1875.
