

"Every Officer appointed to or holding any office under this Order, other than a Medical Officer, shall continue to hold the same until he die, or resign, or be removed by the Commissioners, or be proved to be insane, to the satisfaction of the Commissioners."

"If any Master and Matron hereafter appointed be husband and wife, and one of them should be dismissed by Order of the Commissioners, or should otherwise vacate his or her office, or should die, the other, or survivor, shall, at the expiration of the then current quarter, cease to hold his or her office of Master or Matron, as the case may be."

And whereas it is expedient that the regulations above recited should be altered as hereinafter mentioned :

Now therefore, we, the Local Government Board, in pursuance of the powers given to us by the statutes in that behalf, hereby Order as follows :—

ARTICLE I.—Instead of the regulations above recited, the following regulations numbered (1.) and (2.) respectively shall apply to the officers therein mentioned :—

(1.) Every Superintendent or Master, Matron or Assistant Matron, Schoolmaster, and Schoolmistress of a Separate Workhouse School, appointed after the first day of August, one thousand eight hundred and seventy-nine, shall continue to hold office until he or she die, or resign, or be dismissed by the Guardians, subject to the consent of the Local Government Board, or by the Local Government Board, or be proved to be insane by evidence which that Board shall deem sufficient.

Provided that the Guardians may, with the like consent, determine the appointment of any such officer at any time before, or at, the expiration of the first year of his or her service, by giving to the officer three months previous notice, in writing, signed by their Clerk, of such their intention.

(2.) In every case where both the Superintendent or Master and the Matron are appointed after the first day of August, one thousand eight hundred and seventy-nine, and whether they be husband and wife or not, the termination of the office of either of them by death, resignation, insanity, or dismissal as aforesaid, shall render the office of the other vacant at the expiration of the then current quarter.

And whereas by the above-mentioned Orders, and by other Orders of the Poor Law Board and the Local Government Board, the duties of Medical Officers for Separate Workhouse Schools are prescribed, and it is expedient to make further provision in that behalf :

Now therefore, we hereby further Order as follows :

ARTICLE II.—Every Medical Officer appointed by the Guardians after the first day of August, one thousand eight hundred and seventy-nine, for a Separate Workhouse School, shall immediately upon the occurrence of any case of contagious, infectious, or epidemic disease of a dangerous character amongst the pauper patients under his care, give notice thereof to the Clerk of the Sanitary Authority of the Urban or Rural Sanitary District, as the case may be, within which the School Building is situated, or to the Medical Officer of Health of such authority.

He shall also furnish from time to time to the Medical Officer of Health of such Sanitary Authority such information with respect to the cases of sickness and the deaths amongst the

pauper patients under his care as the Local Government Board may direct, and whenever the Local Government Board shall make regulations for all or any of the purposes specified in section 134 of the Public Health Act, 1875, he shall observe such regulations as far as the same relate to or concern his office.
