

parish of Beswick, hereby declared to be free from foot-and-mouth disease, and that area, except as aforesaid, shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

3. The following area declared by Order of Council to be an area infected with foot-and-mouth disease (namely),—the petty sessional division of Bainton Beacon, in the East Riding of the county of York,—is, except the parishes of Kilham, Middleton, Rotsea, and Sledmere, hereby declared to be free from foot-and-mouth disease, and that area, except as aforesaid, shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

4. The following areas (namely),—(1.) the parish of Beswick, in the petty sessional division of North Hunsley Beacon, in the East Riding of the county of York; (2.) the parishes of Kilham, Middleton, Rotsea, and Sledmere, in the East Riding of the county of York; and (3.) all the lands and buildings situate at Bridlington, in the petty sessional division of Dickering, in the East Riding of the county of York, within the following boundaries, namely,—Marton-road, Sewerby Heads-road, Forty foot-lane, the Promenade, Chapel-street, Prospect-street, Quay-road, Saint John's-street, Kirkgate, and Pinfold-street, respectively; shall continue to be and are hereby declared to be areas infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of December, 1881.

By Her Majesty's Most Honourable Privy Council.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. This Order shall take effect from and immediately after the fifteenth day of December, one thousand eight hundred and eighty-one.

2. The following area (namely),—so much of the parishes of Brokenborough, Charlton, and Malmesbury St. Paul (exclusive of the Local Board District of Malmesbury), in the county of Wilts, as is comprised within the inner boundaries of the Fosse-road, the road from Malmesbury to Five Lanes, and the road from Five Lanes to Long Newnton,—which was declared by Order of Council dated the second day of November, one thousand eight hundred and eighty-one, to be an area infected with foot-and-mouth disease, is hereby declared to be free from foot-and-mouth disease, and that area shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of December, 1881.

By Her Majesty's Most Honourable Privy Council.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. This Order shall take effect from and immediately after the fifteenth day of December, one thousand eight hundred and eighty-one.

2. The following areas (namely),—(1.) the parishes of Gwennap, Redruth, Stithians, Peranarworthal, and Kenwyn, in the county of Cornwall, and (2.) the parishes of Kea, and Feock, in the county of Cornwall,—which were declared by Order of Council to be areas infected with foot-and-mouth disease, are hereby declared to be free from foot-and-mouth disease, and those areas shall, as from the commencement of this Order, cease to be areas infected with foot-and-mouth disease.

3. The following area declared by Order of Council to be an area infected with foot-and-mouth disease (namely),—the parishes of Mabe, Constantine, Mawnan, Budock, St. Gluvias, and Mylor, in the county of Cornwall,—is, except the parish of Mylor, hereby declared to be free from foot-and-mouth disease, and that area, except as aforesaid, shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

4. The parish of Mylor, in the county of Cornwall, shall continue to be and is hereby declared to be an area infected with foot-and-mouth disease.

Edmund Harrison.

AT the Council Chamber, Whitehall, the 14th day of December, 1881.

By Her Majesty's Most Honourable Privy Council.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1878, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. This Order shall take effect from and immediately after the fifteenth day of December, one thousand eight hundred and eighty-one.

2. The following area (namely),—the parishes of West Bergholt, and Great Horksley, in the county of Essex,—which was declared by Order of Council to be an area infected with foot-and-mouth disease, is hereby declared to be free from foot-and-mouth disease, and that area shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

3. The following area declared by Order of Council to be an area infected with foot-and-mouth disease (namely),—the parishes of Dedham, and Ardleigh, in the county of Essex,—is, except the parish of Ardleigh, hereby declared to be free from foot-and-mouth disease, and that area, except as aforesaid, shall, as from the commencement of this Order, cease to be an area infected with foot-and-mouth disease.

4. The following areas (namely),—(1.) the parish of Ardleigh, in the county of Essex; (2.) the parishes of Foxearth, Borley, Liston, Pentlow, and Otten Belchamp, in the county of Essex; (3.) the parishes of Lawford, Mistle, and Little Bromley, in the county of Essex; (4.) the parishes of Tilty, Broxted, Great Easton, Little Easton, Thaxted, Chickney, and Takeley, in the county of Essex; and (5.) the parishes of Castle Hedingham, Great Yeldham, Little Yeldham, and North Wood, in the county of Essex; shall continue to be and are hereby declared to be areas infected with foot-and-mouth disease.

Edmund Harrison.
