	Name.	Acts of Courage for which recommended.
Royal Navy	... Captain Arthur Knyvet Wilson	<p>This Officer, on the staff of Rear-Admiral Sir William Hewett, at the battle of El-Teb, on the 29th February, attached himself during the advance to the right half battery, Naval Brigade, in the place of Lieutenant Royds, R.N., mortally wounded.</p> <p>As the troops closed on the enemy's Krupp battery the Arabs charged out on the corner of the square and on the detachment who were dragging the Gardner gun. Captain Wilson then sprang to the front and engaged in single combat with some of the enemy, thus protecting his detachment till some men of the York and Lancaster Regiment came to his assistance with their bayonets. But for the action of this Officer Sir Redvers Buller thinks that one or more of his detachment must have been speared.</p> <p>Captain Wilson was wounded but remained with the half battery during the day.</p>
