*Board of Trade (Harbour Department),
Whitehall Gardens, August 26, 1884.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul at Lisbon, enclosing a Notice issued by the Portuguese Government intimating that the Port of Certe is declared infected with cholera morbus since the 1st instant.

(H. 6744.)

*Board of Trade (Harbour Department),
Whitehall Gardens, August 26, 1884.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs the following Telegram from Her Majesty's Ambassador at Constantinople, viz.:—"August 22. Steamers bound from Trieste to Russian Ports of the Black Sea may pass Straits in quarantine."

(H. 6750.)

*Board of Trade (Harbour Department),
Whitehall Gardens, August 26, 1884.*

THE Board of Trade have received through the Secretary of State for the Colonies copies of Proclamations issued by the Governor of Gibraltar, imposing a quarantine of seven days against arrivals from Italy, and admitting all vessels arriving from ports east of Suez to free pratique, provided they are furnished with clean bills of health and that the health of all on board is satisfactory.

(H. 6745.)

*Board of Trade (Harbour Department),
Whitehall Gardens, August 26, 1884.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a copy of a Despatch from Her Majesty's Representative at Christiania, intimating that the Norwegian Government have declared all the ports in Great Britain and Ireland, Belgium, and Holland, as well as the German ports in the North Sea, infected with cholera, no quarantine, however, being imposed upon vessels arriving from an infected port unless cases of cholera have actually occurred on the passage, in which event they must proceed to the Quarantine Establishment at Christiansand and there undergo five days quarantine. Vessels with clean bills of health, although arriving from infected ports, are not obliged to proceed to Christiansand, but are, after examination at the port of arrival, permitted to land passengers, &c., if there is no disease on board.

Admiralty, 22nd August, 1884.
