*Board of Trade (Harbour Department),
Whitehall Gardens, December 30, 1884.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs the following copies of Notices respecting quarantine issued by the Italian Government, viz. :—

Ordinance of Maritime Health, No. 44.

The Minister of the Interior decrees :

The quarantine prescribed by Ordinance No. 28 of October 5, for arrivals from that part of the

French coast lying between the parts of Dieppe and Cherbourg, inclusive of both, is revoked for vessels leaving those places after to-day's date, directed to any point in Italy, except the Islands of Sicily, Sardinia, and the adjacent islets, which arrive with a healthy passage and clean bill of health. The said ships will be admitted to pratique after a rigorous medical inspection.

The Prefects of the Maritime Provinces are charged with the execution of this Ordinance.

Rome, December 17, 1884.

(Signed) MORANA.

Ordinance of Maritime Health, No. 45.

The Minister of the Interior decrees :—

ART. 1. The quarantines prescribed by Ordinances 9 and 31 of June 28 and October 29, are revoked for the ships starting after the 15th instant from the continental coast of France on the Mediterranean, from Corsica, and from the Regency of Tunis, which arrive directed to any point in Italy, except the Islands of Sicily, Sardinia, and the adjacent islets, if they have had a healthy passage and clean bill of health. The said ships will be admitted to pratique after a medical inspection.

ART. 2. No alteration has been made as regards the quarantine regulations for arrivals from Algeria.

*Board of Trade (Harbour Department),
Whitehall Gardens, December 30, 1884.*

THE Board of Trade have received through the Secretary of State for Foreign Affairs a copy of a Despatch from Her Majesty's Representative at the Hague, reporting that the Netherlands Official Gazette of the 23rd instant contains the following notifications respecting quarantine, viz. :—

1. That, in consequence of the receipt of official intelligence of the cessation of Asiatic cholera at Yport and Nantes, the orders, dated the 24th of October and 1st of November last, by which the port of Cherbourg and all ports on the French coast between Cherbourg and Dieppe inclusive, as well as Nantes, were declared to be infected, will be cancelled and cease to take effect on and after the 27th instant.

2. That, considering that Asiatic cholera no longer prevails epidemically in France, and that no case of that disease has occurred during the months of November and December in Belgium, the order whereby the importation and transit
