AT the Court at *Windsor*, the 24th day of *June*, 1885-

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of May, in the year one thousand eight hundred and eighty-five, in the words following, that is to say:-

"We the Ecclesiastical Commissioners for England in pursuance of an Act of the sixth and seventh years of Your Majesty chapter thirty-seven sections six and eight have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Stratton in the Cathedral Church of Salisbury and now vested in us.

"Whereas on the vacancy of the said prebend which occurred on or about the first day of April in the year one thousand eight hundred and thirty-nine by the decease of the Reverend John Still the then prebendary all the lands tenements hereditaments and endowments theretofore belonging to the said prebend (except rights of patronage) became by virtue of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas our estate in the lands tenements hereditaments and endowments aforesaid consists of reversions expectant upon the determination of beneficial leases such leases producing only a small annual revenue and partly on that account and partly on account of the character or situation of the property the said lands tenements hereditaments and endowments are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas by an Act of the twenty-third and twenty-fourth years of Your Majesty chapter one hundred and twenty-four power is given to lessees holding under us in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests to require us to purchase such leasehold interests at a valuation.

"And whereas with a view to the advantageous appropriation of the said lands tenements hereditaments and endowments or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said lands tenements hereditaments and endowments or such parts thereof as we shall at any time and from time to time think fit should be sold or disposed of and accordingly that we should be empowered to dispose of our interests therein or in any part or parts thereof in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorised and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign with the consent of the holder or holders thereof (if any) to be testified by his her or their being made parties to such instruments all or any of the said lands tenements hereditaments and endowments formerly belonging to the said Prebend of Stratton and so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs executors administrators or assigns or other-
