

after the 25th day of March, 1886, or such later day, not after the 29th day of September, 1886, as Her Majesty in Council may in the case of any place or places appoint, the following provisions shall apply to each of the places mentioned in the schedules to that Act to which Her Majesty may not be pleased before the said day to grant a new charter; that is to say,—

“(a.) The place shall not be a corporate town or borough, and any municipal or other corporation thereof existing under any charter or grant or prescription shall be dissolved;”

“(b.) All property of any corporation in the place which is dissolved by this Act, or of any person as member or officer thereof, or of any court or judge whose jurisdiction is abolished by this Act, shall be applied for the public benefit of the inhabitants of the place in such manner as may be for the time being provided by a scheme of the Charity Commissioners, or, in a case where a scheme is made by the Local Government Board, by that scheme, and shall vest in such persons or body corporate as may be specified in such scheme.”

“Where any part of any of the places mentioned in any of the schedules to this Act is comprised in the district of any Local Board or Improvement Commissioners, whether established before or after the passing of this Act, and Her Majesty is not pleased to grant a Charter to such place, the Local Government Board, after such local inquiry as they think expedient, may, at any time before any Corporation in the said place becomes abolished by this Act, make such scheme as might be made by the Committee of Council under Part Eleven of the Municipal Corporations Act, 1882.”

And whereas it is expedient that a scheme for the adjustment of the powers, rights, privileges, franchises, duties, property, and liabilities of the Corporation should be made as hereinafter provided;

And whereas Her Majesty, by Order in Council on the 17th day of February, 1886, appointed and ordered that in the case of the said borough of Kenfig the later day in the above-recited provision of the Municipal Corporations Act, 1883, referred to, should be the 29th day of September, 1886:
