**W**HEREAS by the "Foreign Deserters Act, 1852," it is provided that whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering and apprehend-

ing seamen who desert from British merchant ships in the territories of any foreign power, Her Majesty may, by Order in Council stating that such facilities are or will be given, declare that seamen, not being slaves, who desert from merchant ships belonging to a subject of such power when within Her Majesty's dominions shall be liable to be apprehended and carried on board their respective ships, and may limit the operation of such Order, and may render the operation thereof subject to such conditions and qualifications, if any, as may be deemed expedient.

And whereas when picric acid, and picrates and mixtures of picric acid with other substances are manufactured or used with a view to producing a practical effect by explosion, or a pyrotechnic effect, such picric acid, picrates, and mixtures fall within the definition of "explosive" above set forth, and are subject to the provisions of the said Act.

C. L. Perle.

AT the Court at *Osborne House, Isle of Wight*, the 29th day of *December*, 1887.

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-fourth day of November, in the year one thousand eight hundred and eighty-seven, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four have prepared and now humbly lay before Your Majesty in Council the following scheme for compensating a spiritual person to wit the Reverend John Coulson Clerk in Holy Orders incumbent of the new parish of the Holy Trinity, South Shields, in the diocese of Durham, whose emoluments as such incumbent have been diminished by reason of proceedings under one or both of the said Acts.

"Whereas in the year one thousand eight hundred and eighty-three the district of Saint Jude South Shields was constituted under the New Parishes Acts or some or one of them out of the said new parish of the Holy Trinity South Shields and the same district of Saint Jude South Shields became a new parish on the thirteenth day of May one thousand eight hundred and eighty-six.

"And whereas it has been made to appear to us that the fees dues or other emoluments of the said John Coulson as such incumbent as aforesaid

have been diminished by reason of the constitution of the said district and new parish of Saint Jude South Shields and that the payment to the said John Coulson of the annual sum of twelve pounds per annum would provide a just and reasonable compensation for such diminution.

"Now therefore we the said Ecclesiastical Commissioners humbly recommend and propose that in respect of and in compensation for the diminution aforesaid, there shall be paid by us to the said John Coulson so long as he shall continue to be the incumbent of the said new parish of the Holy Trinity South Shields and no longer the annual sum of twelve pounds payment of such annual sum being made (except as to the back payments hereinafter mentioned) in equal half yearly portions upon the first day of May and the first day of November in each year, but with the right also to a proportionate payment in respect of any period being less than half a year which may elapse between the first day of May and the first day of November (as the case may be) in any year and the avoidance from whatever cause by the said John Coulson of the incumbency of the said new parish of the Holy Trinity South Shields.

"And we further recommend and propose that the right of the said John Coulson to receive the said annual sum of twelve pounds shall be held to have accrued and that payment thereof shall accordingly be made as from the thirteenth day of May in the year one thousand eight hundred and eighty-six that being as aforesaid the day upon which the cure in respect of the constitution of which such compensation is made became a new parish and upon which, therefore, the incumbent of such new parish became empowered to perform in the church thereof those offices, and became entitled to retain for his own benefit those fees in consideration of the loss of which to the said John Coulson the amount of the compensation grant in this scheme recommended and proposed has been fixed by us.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty chapter thirty-nine, and of the Acts therein-mentioned that is to say the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen and of the Act of the

fourth and fifth years of Her Majesty chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her Majesty chapter one hundred and fourteen duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-fourth day of November, in the year one thousand eight hundred and eighty-seven, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the thirty-third and thirty-fourth years of Your Majesty chapter thirty-nine and of the Acts therein-mentioned that is to say the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen and of the Act of the fourth and fifth years of Your Majesty chapter thirty-nine and the Act of the thirty-first and thirty-second years of Your Majesty chapter one hundred and fourteen, have prepared and now humbly lay before Your Majesty in Council the following scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the church and cure (hereinafter called 'the said benefice') of Bishop Burton in the county of York and in the diocese of York.

"Whereas the advowson or perpetual right of patronage of and presentation to the said benefice of Bishop Burton is vested for an estate in fee simple without incumbrances in the Dean and Chapter of the Cathedral Church of York and their successors.

"And whereas the said Dean and Chapter are desirous that the whole advowson or perpetual right of patronage of and presentation to the said benefice of Bishop Burton now vested in them as aforesaid shall be transferred to and be vested in Ernest Richard Bradley Hall Watt of Bishop Burton aforesaid Esquire and his heirs and assigns he having offered to make, and having in fact made, a certain augmentation of the said benefice which is satisfactory to the said Dean and Chapter and having made the same augmentation in contemplation and consideration of the said proposed transfer.

"And whereas the Right Honourable and Most Reverend William Archbishop of York has to the same transfer given that consent of the Bishop of the diocese which by the Acts in the firstly herein-before-mentioned Act recited or by some or one of them is made necessary, and in token of the same consent has executed this scheme as herein-after-mentioned.

"And whereas the augmentation of the said benefice of Bishop Burton made by the said Ernest Richard Bradley Hall Watt as aforesaid is also satisfactory to us the Ecclesiastical Commissioners for England, and will in our opinion tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say, in the parish of Bishop Burton.

"Now therefore with the consent of the Very Reverend Arthur Percival Purey-Cust Dean of the said Cathedral Church of York and of the Chapter of the said church (in testimony whereof the said Dean and Chapter have sealed this scheme with their common or capitular seal) and with the consent of the said William Archbishop of York, acting as Bishop of the said diocese of York (in testimony whereof he has signed this scheme and sealed the same with his episcopal seal) we the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the date of the publication in the

London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said benefice of Bishop Burton now vested in them the said Dean and Chapter of York and their successors as aforesaid, shall be transferred from them and their successors to the said Ernest Richard Bradley Hall Watt and his heirs and assigns, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Ernest Richard Bradley Hall Watt and his heirs and assigns.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act, and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

**A**T the Court at *Osborne House, Isle of Wight*, the 29th day of December, 1887.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of December, in the year one thousand eight hundred and eighty-seven, in the words following; that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Your Majesty, chapter one hundred and four, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for compensating a spiritual person, to wit, the Reverend John Gornall, Clerk in Holy Orders, Incumbent of the district parish of Saint Thomas, Collierley, in the diocese of Durham, whose emoluments as such incumbent have been diminished by reason of proceedings under one or both of the said Acts.

"Whereas in the year one thousand eight hundred and eighty-three, the district of Saint John the Evangelist, Dipton, was constituted under the New Parishes Acts, or some or one of them, partly out of the said district parish of Saint Thomas, Collierley, and partly out of the parochial chapelry of Tanfield, also in the said diocese of Durham, and the same district of Saint John the Evangelist, Dipton, became a new parish on the twenty-ninth day of July, one thousand eight hundred and eighty-six.

"And whereas it has been made to appear to us, that the fees, dues, or other emoluments of the said John Gornall, as such incumbent as

aforesaid, have been diminished by reason of the constitution of the said district and new parish of Saint John the Evangelist, Dipton, and that the payment to the said John Gornall of the annual sum of ten pounds would provide a just and reasonable compensation for such diminution.

Now therefore, we, the said Ecclesiastical Commissioners, humbly recommend and propose, that, in respect of, and in compensation for the diminution aforesaid, there shall be paid by us to the said John Gornall, so long as he shall continue to be the incumbent of the said district parish of Saint Thomas Collierley, and no longer the annual sum of ten pounds, payment of such annual sum being made (except as to the back payments hereinafter mentioned) in equal half-yearly portions, upon the first day of May and the first day of November in each year, but with the right also to a proportionate payment in respect of any period, being less than half a year, which may elapse between the first day of May and the first day of November (as the case may be) in any year, and the avoidance, from whatever cause, by the said John Gornall, of the incumbency of the said district parish of Saint Thomas Collierley.

"And we further recommend and propose, that the right of the said John Gornall to receive the said annual sum of ten pounds shall be held to have accrued, and that payment thereof shall accordingly be made, as from the twenty-ninth day of July in the year one thousand eight hundred and eighty-six, that being, as aforesaid, the day upon which the cure, in respect of the constitution of which such compensation is made, became a new parish, and upon which, therefore, the incumbent of such new parish became empowered to perform in the church thereof those offices and became entitled to retain for his own benefit those fees, in consideration of the loss of which to the said John Gornall the amount of the compensation grant in this scheme recommended and proposed has been fixed by us.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

Her Majesty in Council a scheme or representation bearing date the tenth day of November, in the year one thousand eight hundred and eighty-seven, in the words and figures following, that is to say:—

“ We the Ecclesiastical Commissioners for England acting under the provisions of the Act of the seventh and eighth years of Your Majesty chapter ninety-four of the Act of the thirteenth and fourteenth years of Your Majesty chapter ninety-four, and of the Act of the thirty-second and thirty-third years of Your Majesty chapter ninety-four, have prepared and now humbly lay before Your Majesty in Council the following scheme or representation for altering the boundaries of the new parish of the Holy Trinity Swansea in the county of Glamorgan and in the diocese of Saint Davids.

“ And whereas the said district chapelry of the Holy Trinity Swansea has under the provisions of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four, become a new parish of the character contemplated by that Act, and by the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and by the said above-mentioned Act of the thirty-second and thirty-third years of Your Majesty chapter ninety-four.

“ And whereas it has been represented to us and it appears to us to be expedient that the boundaries of the said new parish of the Holy Trinity Swansea should be altered in the manner hereinafter mentioned.

“ Now therefore with the consent of the Right Reverend William Basil Bishop of the said diocese of Saint Davids (in testimony whereof he has signed and sealed this scheme or representation) we the said Ecclesiastical Commissioners humbly represent recommend and propose that from and after the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme or representation the boundaries of the said new parish of the Holy Trinity Swansea, shall be altered by way of extension so as to include therein all those portions of the said parish of Saint Mary Swansea, which are described in the schedule hereunder written and are together with the boundaries thereof delineated and set forth upon the map or plan hereunto appended and are thereon coloured pink, and that from and after the same day and without any assurance in the law other than such duly gazetted Order the said portions of the said parish of Saint Mary Swansea so to be included as aforesaid shall become and be and form part of the said new parish of the Holy Trinity Swansea.

“ And we further represent recommend and propose that nothing herein contained shall prevent us from representing recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the hereinbefore-mentioned Acts or of any of them or of any other Act of Parliament.

“ The SCHEDULE to which the foregoing Scheme or Representation has reference.

“ The territory to be annexed to the new parish of the Holy Trinity, Swansea within the original limits of the parish of Saint Mary, Swansea, in the county of Glamorgan and in the diocese of Saint Davids, comprising:—

AT the Court at *Osborne House, Isle of Wight*, the 29th day of *December*, 1887.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her Majesty, chapter sixty-three, duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-fourth day of November, in the year one thousand eight hundred and eighty-seven, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen, and of the Act of the thirty seventh and thirty-eighth years of Your Majesty chapter sixty-three have prepared and now humbly lay before Your Majesty in Council the following scheme with respect to certain rural deaneries within the two archdeaconries which are now within the diocese of Durham, to wit the Archdeaconry of Durham, and the Archdeaconry of Auckland.

“Whereas, by virtue of an Order of Your Majesty in Council bearing date the twenty-eighth day of June in the year one thousand eight hundred and eighty and published in the London Gazette on the ninth day of July following, the rural deaneries within the Archdeaconry of Durham in the diocese of Durham aforesaid were re-arranged and set forth.

“And whereas by virtue of another Order of Your Majesty in Council bearing date the third day of May in the year one thousand eight hundred and eighty-two and published in the London Gazette on the ninth day of the same month a certain peculiar jurisdiction of the Dean and Chapter of the Cathedral Church of Durham known as ‘The Officialty’ within the said Archdeaconry of Durham was abolished, and the several parishes or cures which up to that time had been subject to the authority of the official of the said Dean and Chapter of Durham were transferred to and included within the limits of the said Archdeaconry of Durham, and were made subject to the authority of the Archdeacon of that Archdeaconry.

“And whereas by virtue of another Order of Your Majesty in Council bearing date the seventeenth day of May in the said year one thousand eight hundred and eighty-two and published in the London Gazette on the twenty-third day of the same month the said Archdeaconry of Durham was divided into two archdeaconries, one of which was called the Archdeaconry of Durham and the other was called the Archdeaconry of Auckland.

“And whereas it has been represented to us by the Right Reverend Joseph Barber, Bishop of the said diocese of Durham that the arrangements which are hereinafter recommended and proposed with respect to certain of the rural deaneries within the said two Archdeaconries of Durham and of Auckland are desirable and should be carried into effect, and we are of opinion that the same may be properly carried into effect.

“And whereas the said arrangements involve the transfer of two parishes or cures from the said Archdeaconry of Durham to the Archdeaconry of Auckland aforesaid, and also the formation of one new rural deanery to be called ‘The Rural Deanery of Hartlepool’ in the said Archdeaconry of Auckland.

“Now therefore with the consent of the said Joseph Barber Bishop of the said diocese of Durham in testimony whereof he has set his hand and episcopal seal to this scheme, we the said Ecclesiastical Commissioners for England humbly recommend and propose that as from the day on which an Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette and without any assurance in the law other than such duly gazetted Order the two parishes or cures of Hart and of Elwick Hall now within the Rural Deanery of Easington within the said Archdeaconry of Durham shall be transferred from the said Rural Deanery of Easington and from the said Archdeaconry of Durham to the Archdeaconry of Auckland aforesaid and shall be comprised within the new Rural Deanery of Hartlepool hereinafter recommended and proposed.

“And we further recommend and propose that

nothing herein contained shall prevent us from recommending and proposing any other matter or thing with respect to the matters aforesaid or any of them under or by virtue of the said Acts, or of any of them or of any other Act of Parliament."

C. L. Peel.

AT the Court at Osborne House, Isle of Wight, the 29th day of December, 1887.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Right Honourable Henry Matthews, one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and the Churchwardens of the parish hereinafter mentioned ten days' previous notice of his intention to make such representation, has, under the provisions of an Act passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," made a representation stating that, for the protection of the public health, no new burial-ground should be opened in the parish of East Ham, in the county of Essex, without the previous approval of one of Her Majesty's Principal Secretaries of State.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the thirteenth day of February next.

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette; and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation, one month before the said thirteenth day of February next.

C. L. Peel.

AT the Court at Osborne House, Isle of Wight, the 29th day of December, 1887.

PRESENT:

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the Session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted, that in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-

grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered:

And whereas by another Act passed in the Session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

And whereas the Right Honourable Henry Matthews, one of Her Majesty's Principal Secretaries of State, has made a representation stating that he is of opinion that the Order of Her Majesty in Council of the eleventh day of August, one thousand eight hundred and fifty-four, in so far as it affects burials in Saint Margaret's Parish Churchyard, Lowestoft, should be varied, and that the following directions should be substituted for those contained in the said Order, with respect to burials in the church and churchyard, viz. :—

That burials be discontinued forthwith and entirely in the parish church of Saint Margaret, Lowestoft, in the county of Suffolk; and, with the exception of that part of the churchyard, which was added in one thousand eight hundred and seventy-eight, and was approved by the Secretary of State under the Burial Acts, in the churchyard, except as follows :—

(a.) In such vaults and wholly walled graves as are now existing in the churchyard burials may be allowed on condition that every coffin buried therein be separately enclosed by stonework or brickwork properly cemented.

(b.) In such partly walled graves as are now existing in the churchyard, provided that the earth above them can be opened to the depth of five feet without exposing coffins or disturbing human remains, burials may be allowed of so many of the relations of those interred therein at the date of the Order as can be buried at or below that depth.

(c.) In such earthen graves now existing in the churchyard as can be opened to the depth of five feet without exposing coffins or disturbing human remains burials may be allowed of so many of the relations of those interred therein at the date of the Order as can be buried at or below that depth.

(d.) In such reserved grave spaces in the churchyard (as have never before been buried in, and which, when opened, are free from water) burials may be allowed of so

many members of the families to whom they may be allotted as can be buried at or below the depth of five feet.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the thirteenth day of February next:

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette; and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation, one month before the said thirteenth day of February.

And whereas Orders in Council have been made directing the discontinuance of burials in the churchyards hereinafter mentioned from the time specified in such Orders; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards be postponed:

WHEREAS by an Order made under "The Bankruptcy Act, 1869," on the 1st day of January, 1870, by the Right Honourable William Page, Baron Hatherley, as the then Lord High Chancellor of Great Britain, the County Courts of Carnarvonshire, holden at Pwllheli and Portmadoc, and the County Court of Denbighshire, holden at Llanwrst, were excluded from having jurisdiction in bankruptcy, and their districts were for the purposes of such jurisdiction attached to the County Court of Carnarvonshire, holden at Bangor.

And whereas it is enacted by "The Bankruptcy Act, 1883" that a County Court which, at the commencement of the Act, is excluded from having bankruptcy jurisdiction shall continue to be so excluded until the Lord Chancellor otherwise orders.

And whereas Her Majesty was pleased, by an Order in Council of the 14th day of February, 1883, to order that from 31st day of March, 1883, the County Court of Carnarvonshire, holden at Portmadoc, should be holden at Blaenau Festiniog as well as at Portmadoc.

And whereas it appears expedient to the Lord Chancellor that the County Court of Carnarvonshire, holden at Portmadoc and Blaenau Festiniog, should no longer be excluded from having jurisdiction in bankruptcy, and that the districts of the County Court of Carnarvonshire, holden at Pwllheli and Portmadoc and Blaenau Festiniog, and of the County Court of Denbighshire, holden at Llanwrst, shall no longer be attached for bankruptcy purposes to the County Court of Carnarvonshire, holden at Bangor.

RULES AND REGULATIONS made in the Month of December, 1887, by the Gunmakers' Company and the Guardians of the Birmingham Proof House, under Authority of the Gun Barrel Proof Act, 1868 :—

WHEREAS in and by Section 117 of the Gun Barrel Proof Act, 1868, the Gunmakers' Company and the Guardians of the Birmingham Proof House, in such Act and hereinafter referred to as "the Two Companies," are empowered, should they deem the Proof or the Rules, Regulations, and Scales stated in Schedule "B" to the said Act annexed, or any of them respectively, insufficient or inapplicable or unsuitable, on application to and with the approval of Her Majesty's Principal Secretary of State for the War Department to repeal or alter all or any of the rules and regulations, and all or any part of the scales respectively from time to time in force under the said Act for the proof of small arms or of any classes of small arms, and to make, repeal, and alter any new rules and regulations, and any new scales in that behalf.

And whereas the rules, regulations, and scales now in force under the said Act are set forth in Schedule "B" and Schedule "C" respectively to the said Act, and also in certain rules and regulations relating to Choke-bored barrels made in the month of July, 1875, and which were approved by Her Majesty's Secretary of State for the War Department on the 11th October, 1875. And whereas since the passing of the said Act certain improvements have been made in small arms, and certain new explosives have been invented to be used in small arms, to which the said rules, regulations, and scales at present in force under Schedule "B" to the said Act are insufficient, inapplicable, or unsuitable.

Now, therefore, the two Companies, with the approval of the Right Honourable Edward Stanhope, M.P., Her Majesty's Principal Secretary of State for the War Department, do hereby repeal the rules and regulations and scales applicable to the Proof of Small Arms contained in Schedule "B" to the said Act, and the before-mentioned rules and regulations made in the month of July, 1875, and in lieu thereof do make the following rules, regulations, and scales, that is to say :—

SCHEDULE B.

CLASSIFICATION OF SMALL ARMS.

1. *First Class.*—Comprising single barrelled military arms of smooth bore, not being breech-loaders or revolvers.
2. *Second Class.*—Comprising double barrelled military arms of smooth bore, and rifled arms of every description, except express rifles, and arms of the Eighth Class, whether of one or more

barrels, or constructed of plain or twisted iron, not being revolvers.

3. *Third Class.*—Comprising every description of single barrelled Birding, "Danish," "Dutch," "Carolina," and "Spanish" arms, not being breech loaders or revolvers.

4. *Fourth Class.*—Comprising every description of double barrelled fowling-pieces for firing small shot, and breech-loading small arms of every description and system, not being rifles or revolver, or Choke-bored.

5. *Fifth Class.*—Comprising revolving small arms of every description and system.

6. *Sixth Class.*—Comprising all small arms, except those comprised in the Eighth Class, having one or more barrels Choke-bored, i.e., barrels whereof the diameter of the bore at the muzzle is less than the diameter of the bore at some point behind the muzzle other than the chamber or recess which contains the charge.

7. *Seventh Class.*—Comprising express rifles, i.e., rifles intended to be fired with a larger charge of powder than ordinary rifles, and which must be so declared in writing when sent for definitive proof.

8. *Eighth Class.*—Comprising Choke-bored barrels having all or a portion of the smaller diameter of their bore rifled.

#### RULE OF PROOF.

9. *The Gunpowder* used shall be of strength equal to Waltham Abbey "R.F.G.2," but of a Mixed Grain to pass through Sieves of No. 27 Wire Gauge, varying between 17 and 36 meshes to a lineal inch, and no change shall be made therein without the consent of Her Majesty's Secretary of State for War.

10. Barrels for arms of any class shall, at the request in writing of any person or persons sending the same for Definitive Proof, be proved with "Schultze's," or "E.C." Powder, or any particular description of Gunpowder which may be specified by the sender, after and in addition to the ordinary proof. The service charge of such powders shall be determined by the two Proof Companies respectively, from time to time, and the quantity of the said powders to be used in proof shall be such as the two Companies shall decide to give a strain exceeding that of the service charge, equivalent to the excess of strain exerted by the quantities of proof powder in the scales to these rules over the service charge of the same. The service charge of such powders shall be marked on the barrels. If any new powders shall come into use the same regulations as the above shall apply thereto. The several powders used in proof shall at all times be open to the inspection of any officer authorized for the purpose by the Secretary for War, who may take samples of the same for examination or trial without notice.

11. *The Bullets* used shall be of lead, of the specific gravity 11.352, and of the size and weight prescribed by the respective Scales for Proof. The bullets, except those used for rifled arms, shall be spherical, cylindrical, or conical in shape, and for rifled arms they shall be cylindrical and flat-ended. For arms of the Eighth Class they shall be conical, and of a diameter not more than .005 of an inch less than the muzzle diameter of the barrel.

12. For the Definitive Proof of all shot barrels, except for arms of the Eighth Class, shot shall be used instead of bullets.

13. *The Shot* used shall be of lead, and of the size and description known in the Gun Trade as "Soft Shot," Size No. 6.

14. *The Wads* to be used shall be of solid felt, and shall not exceed in thickness one diameter of the bore, one wad to be placed over the powder and another over the bullet.

15. The charges of powder and lead for Provisional Proof of all arms shall be according to such scale to these rules as may be applicable thereto respectively. The charges for Definitive Proof, except for arms comprised in Rule 16, shall be according to No. 3 Scale to these Rules.

16. Barrels for rifled arms of the Second Class, and for arms of the Fourth, Sixth, and Seventh Classes, shall be Definitively Proved with double the quantity of powder and one and one-third the weight of lead of the service charges set forth in the respective scales to these rules. Barrels for arms of the Eighth Class shall be Definitively Proved with double the quantity of powder and one and one-half the weight of lead of such service charges.

17. For all military arms manufactured for the British Government, the Scales of Proof shall be the same as used by Her Majesty's War Department from time to time.

18. Barrels for breech-loading arms of the Fourth Class, and for arms of the Sixth, Seventh, and Eighth Classes, shall be Proved Provisionally and Definitively. Barrels for arms of the Second Class, and muzzle-loading arms of the Fourth Class, shall be Proved Provisionally and Definitively, or on the request in writing of the person or persons sending the barrels for proof shall be proved once only, in which case such barrels shall be sent in the state for Definitive Proof, but shall be proved according to the scale for Provisional Proof, and shall be marked with a special mark denoting that such barrels have been proved in the Definitive State according to the scale for Provisional Proof. Barrels for arms of the First and Third Classes shall be proved once Definitively; but the scale used for proving such barrels for arms of the Third Class as have the diameter of the bore in every part one inch and a quarter or upwards shall be the Provisional Scale.

19. Nevertheless, it shall be sufficient from time to time to prove all breech-loading military barrels in the same manner as breech-loading military barrels made for the use of Her Majesty's Forces, and with the same weight of gunpowder as is now used, or from time to time shall hereafter be used, in the proof of similar barrels at the Government Factories.

20. As to any military barrel made for the use of Her Majesty's Forces, or for the late Honourable East India Company, which has ceased to belong to Her Majesty, but which bears, in addition to a Proof Mark authorized by Her Majesty's War Department, the letter "O" struck (prior to such cesser) over or upon the broad arrow or some part thereof by the said War Department, it shall, if it be a rifled barrel, be proved with Definitive Proof, or if it be a smooth-bore barrel with half the charge of powder, but with the same weight of bullet which will be applicable to the proof thereof if such barrel were an unproved barrel under this Act, and after either such proof, such barrel shall be marked as Proved Definitively; and as to any military barrel made for the use of Her Majesty's forces, or for the late Honourable East India Company, which has ceased to belong to Her Majesty, and which does not bear in addition to a proof mark authorized by Her Majesty's War Department the letter "O," or the letter "S" struck (prior to such cesser) over or upon the broad arrow or some part thereof by that Department, it shall (whether it shall or

shall not bear a proof mark authorized by that Department) be liable to proof as an unproved barrel according to its classification under this Act.

21. All breech-loading shot barrels of 10-bore or less, having chambers of three inches or longer, shall be so declared in writing by the sender, and be proved with one-sixth more powder than the ordinary Definitive Proof Charge.

22. Barrels for arms of the Fourth Class, of larger gauge than four, and for which no service charge is laid down in the Scale, shall have the service charge declared in writing by the person or persons sending the same for proof, and be proved with a charge bearing the same proportion to such service charge as defined by Rule 16.

23. A barrel of any description to which the scales of proof are inapplicable or unsuitable shall be proved with such a bullet or charge of shot as shall be applicable to the dimensions of the bore of such barrel, and with such a charge of gun-powder as shall not be less than twice the service charge, or in case the barrel shall not be capable of holding twice the service charge, with as much powder as the barrel shall be capable of holding.

#### CONDITIONS PRECEDENT TO PROOF.

24. Barrels for arms of the First Class shall not be qualified for proof until they shall be in a fit and proper state for setting up, and the thread of the screws sound and full.

25. Barrels for arms of the Third Class shall not be qualified for proof until they shall be bored and ground and in a fit and proper state for setting up, with the squares set off, looped, and the proper breeches in, and all the threads of the screws sound and full; and all barrels for percussioned arms shall be percussioned, and shall be proved with the proper nipples in.

26. Barrels for arms of the Second, Fourth, Sixth, Seventh, and Eighth Classes:—

*For Provisional Proof.*—If of plain metal shall be bored and ground, having plugs attached, with touch-holes drilled in the plugs of a diameter not exceeding one-sixteenth of an inch. Notches in the plugs instead of drilled touch-holes shall disqualify for proof. If of twisted metal they shall be fine-bored and struck up with proving plugs attached and touch-holes drilled as in the case of plain metal barrels.

35. On arms of the Second Class, and single barrelled arms of the Fourth, Sixth, Seventh, and Eighth Classes Proved Provisionally and Definitively, the Provisional Proof mark shall be impressed on the round of the barrel near the breech end, and the Definitive Proof mark and view mark shall be impressed upon the barrel above the Provisional Proof mark, and if the barrel be constructed with a patent breech, or with a breech-loading action, or with a breech block or chamber, the view mark shall be also impressed upon the patent breech, breech-loading action, shoe, breech block, or chamber, with which the barrel is connected.

36. On arms of the Fourth, Sixth, Seventh, and Eighth classes being double breech-loaders, the barrels for which have been submitted for Provisional Proof before being put together, the Provisional Proof mark shall be impressed upon the round of the barrels near the breech, in front of the flats, or in a corresponding position when there are no flats, and the Definitive Proof mark and view mark shall be impressed upon the flats or in a corresponding position when there are no flats. 38. On all barrels the gauge size of the barrel shall be impressed at the Definitive Proof, and on all barrels for breech-loading arms, of the Fourth, Sixth, and Eighth Classes, the chamber gauge size, together with the letter "C," signifying Chamber, shall also be impressed following the Definitive Proof and view marks, and shall be enclosed in a device, thus:—

39. In all smooth-bore and choke-bored barrels, from 4 to 10 gauge inclusive, the gauge shall be divided into three parts and be marked accordingly: thus the divisions of gauge 8 would be marked 8,  $\frac{2}{3}$ ,  $\frac{1}{3}$ ; from 11 to 17 inclusive; the gauges shall be divided into two parts, thus the divisions of gauge 12 would be 12,  $\frac{1}{2}$ ; all lesser gauges shall be marked as set forth in the Schedule hereto. In all smooth-bore and choke-bored breech-loading barrels the gauge size of the barrel shall be taken at a point nine inches from the breech end. In all other barrels the gauge size shall be taken at the muzzle.

within the said new parish of Bicton, and duly consecrated as aforesaid, shall be, and the same is hereby, substituted for the said old parish church (dedicated to the Holy Trinity as aforesaid) of the same new parish, and that such new church shall henceforth be the parish church of the said new parish of Bicton, in lieu of the said old parish church of the same new parish, as fully in all respects as if the said new church of the Holy Trinity, so hereby substituted, had been originally the parish church of the same new parish.
