(3.) The notice shall state that in default of the receipt by the Postmaster-General of an application for the Parcel, during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such manner as the Postmaster-General may direct.

(4.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.

(5.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—

(a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office no new charge shall be made with respect to the delivery of the Parcel.

(b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, the sender shall pay a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.

(6.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for redirection or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1892."

(7.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and all other charges to which the Parcel has become liable.

(8.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.

(9.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may direct or authorize.

(10.) If at any time while a Parcel remains in the possession of the Postmaster-General, it becomes offensive or injurious to any officer

of the Post Office or other person, or to other Parcels, it may forthwith be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize, notwithstanding that the provisions of this Warrant as to the return of such Parcel have not been or have only partially been complied with.

Charge for Re-direction.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom, or the several places mentioned in the schedule hereto is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

Remission of Re-direction Rates.

15. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

Non-compliance with Regulations.

18. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Provision for Safety of Parcels.

19. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Post.

20. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

21. matter, it was ordered that the Special Resolution passed at an Extraordinary General Meeting of the Company, held on the 26th April, 1888, and confirmed at an Extraordinary General Meeting of the said Company, held on the 24th May, 1888, which resolution was in the words and figures following, that is to say:—"That the nominal capital of the Company be reduced from £10,000, divided into 1,000 shares of £10 each, to £8,000, divided into 1,000 shares of £8 each, and that such reduction be effected by cancelling capital to the extent of £2 per share upon each of the 615 shares which have been issued and are now outstanding, and by reducing the nominal amount of all the shares in the Company's capital which have not been issued from £10 to £8 per share, but so that the present liability on calls already made and unpaid, and on shares not fully paid up be preserved, notwithstanding such reduction," be confirmed. And it was ordered that the words "and Reduced" do form part of the name of the said Company for one month from the date of the said Order. And notice is hereby also given, that the said Order has also been produced to the Registrar of Joint Stock Companies, and an office copy thereof has been delivered to him, together with a Minute approved by the said Judge, in the words and figures following:—"The capital of the Company is from henceforth £8,000, divided into 1,000 shares of £8 each, as to which 605 shares are fully paid up, and on 10 shares £3 only has been paid per share, instead of the original capital of £10,000, divided into 1,000 of £10 each. Six hundred and fifteen shares and no more have been issued." And such Order and Minute have been duly registered by the said Registrar of Joint Stock Companies.—Dated this 29th day of August, 1888.
