

ford, Castle Cary, in the occupation of John Dyke, and also the Farm in the occupation of Richard Clothier, Ansford, Castle Cary,—are hereby contracted or altered so as only to include the Place as described in the Schedule to this Order, and the Place so described in the Schedule to this Order shall from and after the commencement of this Order be deemed to be the Place declared by the said order of the Local Authority to be a Place infected with pleuro-pneumonia.

2. This Order shall take effect from and immediately after the fifteenth day of December, one thousand eight hundred and eighty-eight.

Herbert M. Suft.

SCHEDULE.

A Place comprising Ansford Park Farm, Ansford, Castle Cary, in the county of Somerset, in the occupation of John Dyke.

PLEURO-PNEUMONIA (INFECTED CIRCLES) ORDER OF 1888.

At the Council Chamber, Whitehall, the 17th day of December, 1888.

By Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord President.
Marquis of Lothian.

The Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Acts, 1878 to 1886, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Short Title.

1. This Order may be cited as THE PLEURO-PNEUMONIA (INFECTED CIRCLES) ORDER OF 1888.

Extent.

2. This Order extends to England and Wales and Scotland.

Commencement.

3. This Order shall commence and take effect from and immediately after the thirty-first day of December, one thousand eight hundred and eighty-eight.

Interpretation.

4. In this Order—

The Act of 1878 means The Contagious Diseases (Animals) Act, 1878:

The Act of 1886 means The Contagious Diseases (Animals) Act, 1886:

Pleuro-Pneumonia Infected Circle means a Circle for the time being an Infected Circle under the Act of 1886 and this Order:

Other terms have the same meaning as in The Animals Order of 1886.

Pleuro-Pneumonia Infected Circle. Application of Act of 1886.

5.—(1.) Section two (Provisions as to Infected Circle) of the Act of 1886 is hereby declared to apply in the case of pleuro-pneumonia.

(2.) Where a Pleuro-Pneumonia Infected Circle is constituted by virtue of Section two of the Act of 1886 and this Order the Inspector of the Local Authority shall forthwith serve or cause to be served a notice of his declaration of disease under the provisions of Section sixteen of the Act of 1878, signed by him, unless in the circumstances this appears to him not to be expedient, on the occupiers of all lands and buildings any part whereof in his judgment is situate within half a

mile from the Pleuro-Pneumonia Infected Place in respect of which such Circle is constituted.

(3.) The Inspector shall, with all practicable speed, inform the Local Authority of every District within which any part of the Infected Circle is situate of his declaration and notice, and shall send his declaration and a copy of his notice to each of such Local Authorities.

(4.) A Local Authority may at any time, and from time to time, by order contract the limits of a Pleuro-Pneumonia Infected Circle within their District, or of so much as is within their District, and, where an Infected Circle has been contracted as aforesaid, they may contract, extend, or otherwise alter the limits thereof or of so much as is within their District, provided that no lands or buildings shall be included within an Infected Circle that are not situate within half a mile of a Pleuro-Pneumonia Infected Place, and any Infected Circle so contracted, extended, or altered shall thenceforth be the Infected Circle for the purposes of this Order.

(5.) A Local Authority may at any time by order dissolve a Pleuro-Pneumonia Infected Circle within their District, or such part as is within their District, and thereupon such Infected Circle or such part, as the case may be, shall cease to exist.

(6.) Where the Privy Council at any time by Order declare a Pleuro-Pneumonia Infected Area and any part of such Area is at the date of the Order situate within a Pleuro-Pneumonia Infected Circle, such part shall thereupon cease to be part of an Infected Circle.

(7.) The Local Authority of every District in which a Pleuro-Pneumonia Infected Circle or part of a Pleuro-Pneumonia Infected Circle under this Order is situate shall give such notice of the existence of the Infected Circle or of that part by placards or otherwise in and about the Infected Circle, or in such other manner as the Local Authority consider best fitted to insure publicity for the same, and shall give notice of the existence of such Pleuro-Pneumonia Infected Circle or such part to every Railway Company having a railway or railway station in the same.

(8.) Where two or more Pleuro-Pneumonia Infected Circles adjoin or overlap each other, the whole of such Infected Circles shall be deemed for the purpose of the movement of cattle under this Order to be one Pleuro-Pneumonia Infected Circle.

Movement in or into or out of Pleuro-Pneumonia Infected Circle.

6.—(1.) No cattle shall be moved in or into or out of a Pleuro-Pneumonia Infected Circle otherwise than in accordance with the provisions of this Order.

(2.) Cattle may be moved in or into or out of a Pleuro-Pneumonia Infected Circle in accordance with the regulations contained in Article 17 of The Animals Order of 1886 relating to the movement in or into or out of Pleuro-Pneumonia Infected Areas, and the Forms of Movement Licence referred to in the said Article and set forth in the Schedule to that Order, and the said Forms may be used, so far as the same are applicable, for such movement. The said regulations and Forms shall for such purposes be read and have effect as if the words circle and circles were respectively inserted therein in lieu of the words area and areas.

Limitation.

7. Nothing in this Order shall be deemed to apply to or affect the movement of—
