Board of Trade—Session 1890.

Electric Lighting Acts, 1882 and 1888.

Stockport Electric Lighting.

(Power to the Brush Electrical Engineering Company, Limited, to Produce, Store, and Supply Electricity, Electrical Energy and Power within the Borough of Stockport, in the County of Cheshire; to Construct Works; to Lay Down Wires and other Apparatus, and to Break up Streets therein; to Acquire Land; to Levy Rates, and exercise other Powers; Agreements with and Powers to Local Authorities; Incorporation of Acts; Power to Amalgamate, Transfer, &c.)

NOTICE is hereby given, that application is intended to be made by the Brush Electrical Engineering Company, Limited, of Belvedere-road, London (hereinafter called "the Company"), to the Board of Trade, on or before the 21st day of December next, under the provisions of "The Electric Lighting Acts, 1882 and 1888," for a Provisional Order for all or some of the following purposes, that is to say:—To authorise and empower the Company to produce, store, and supply electricity, as defined by the said Acts, electrical energy and power, for all or some of the public and private purposes as defined by the said Acts, within the borough of Stockport, in the county of Cheshire, and for those purposes to enter upon, break up, and interfere with all streets, roads, and places, ways, footpaths, railways, tramways, canals, rivers, towing-paths, bridges, culverts, sewers, gas and water mains and pipes, and telegraph and pneumatic tubes

and pipes, telegraph, telephone and electric wires or conduits within the said area, and to lay down, set up, maintain, renew or remove, either above or under ground, or otherwise, pipes, tubes, wires, posts, apparatus or other works or things required for enabling the Company to supply, produce, store, convey, transmit or distribute electricity, electrical power and energy for the several private and public purposes aforesaid within the said area, and to confer all such other powers upon the Company as may be necessary for effecting the objects of the proposed undertaking, including the power to transfer the rights to be granted in pursuance hereof of any person or persons, company or companies, in such manner and upon such terms as the Board of Trade may from time to time approve.

To enable the Company to purchase, hold, acquire, or to take on lease, any lands or interests, or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, and distribution of, and to produce, store, and distribute electricity, electrical power and energy.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, meters, fittings, plant, machinery, and other matters or things required for the purposes of the said Order, and to acquire, work, and use patents and licences for patents for the making, producing, controlling and measuring, or otherwise relating to the supply of electricity.

To enable the Company on the one hand, and any county council, corporation, vestry, district board, commissioners, or other local or sanitary or road authority, and any railway, dock, canal or other company on the other hand, to enter into and fulfil agreements as to the supply of electricity, and as to the breaking up and interfering with any streets, roads, ways, public footpaths, and other places and things as aforesaid, and otherwise with respect to the objects of the Order, and, if thought fit, to authorise such bodies, authorities, and companies to exercise the powers with respect to the breaking up of streets and other places and things, and all or any of the other powers proposed to be conferred upon the Company, and to confirm and give effect to any agreements which may have been or may be made in that behalf.

To authorise the Company on the one hand, and any county council, corporation, vestry, district board, commissioners, or other local or sanitary authority on the other hand, to make and carry into effect and rescind and renew contracts for the supply of electricity and to authorise such county council, vestry, district board, or other authority to buy and sell electricity under such contracts, and to apply for the purposes of any such contracts their respective funds, revenues, and rates, and to borrow money for such purposes.

To authorise the Company to take, collect, and recover rates, rents, and charges for the supply of electricity, electrical energy and power, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

To incorporate with the Provisional Order and to extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, and with or without variation, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply which, by the Electric Lighting Acts, 1882 and 1888, or any Act amending the same or incorporated therewith, are or may
