#### Board of Trade—Session 1890.

##### Hull Electric Lighting.

(Power to Corporation of Kingston-upon-Hull to Generate, Store, and Supply Electricity Within the Town and County of the Town of Kingston-upon-Hull for Public and Private Purposes; To Construct Works; To Lay Down Wires and other Apparatus and to Break Up Streets therein; To Acquire and Appropriate Land; To Make Charges; To Levy Rates; To Transfer Powers, and to Exercise Other Powers; Incorporation of Acts.)

**N**OTICE is hereby given that the Mayor, Aldermen, and Burgesses of the town and county of the town of Kingston-upon-Hull (hereinafter called "the Corporation," and whose address is Town Hall, Hull), intend to apply to

the Board of Trade for a Provisional Order (hereinafter called "the Order") to be confirmed by Parliament in the ensuing Session, under and subject to the provisions of the Electric Lighting Acts, 1882 and 1888.

The objects of the application are as follows:—

To authorise the Corporation to generate, store, and supply electricity, as defined by the said Acts for public and private purposes, within the area hereinafter mentioned, and for those purposes to open, break up, and interfere with all streets, roads, and public places, ways, foot-paths, railways, tramways, canals, towing paths, bridges, culverts, sewers, and gas, and water mains, and pipes, and telegraph and pneumatic tubes, and pipes, telegraph and telephone wires within the said area, and to lay down, set up, maintain, renew and remove either above or under ground or otherwise, pipes, tubes, wires, posts, distributing boxes, apparatus or other works or things required for the purpose of enabling the Corporation to generate, supply, store, convey, transmit or distribute electricity for public and private purposes, within the said area, and to confer all such other powers upon the Corporation as may be necessary for effecting the objects of the proposed undertaking.

To enable the Corporation to purchase, hold, acquire, or take on lease any lands, or interests, or easements, in or over any lands, or to appropriate for the purposes of the Order any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary stations, buildings, storehouses, engines, machinery, apparatus, works and appliances for the production, storage, and distribution of electricity.

To authorise the Corporation to manufacture, purchase, hire, sell and let all necessary machines, lamps, accumulators, meters, fittings, plant, machinery, and other matters or things required for the purposes of the Order, and to acquire, work, and use patents for generating, storing, controlling, and measuring, or otherwise relating to the supply of electricity.

To authorise the Corporation to take, collect, and recover rates, rents and charges, for the supply of electricity and the use of any machines, accumulators, lamps, meters, fittings or apparatus connected therewith.

To authorise the Corporation to enter into contracts with companies or persons for the execution and maintenance of works and the supply of electricity, and to relieve the Corporation from the consequences of any acts or defaults of any such contractors.

To authorise the Corporation to transfer for any period all or any of the powers, duties, and liabilities, proposed to be conferred or imposed by the Order with respect to the whole, or any part of the area of supply to any other corporation, company, or person.

To empower the Corporation to prescribe the form and nature of meters, fittings, and fixtures, to enable the Corporation to supply, examine, test, and stamp the same, and to license fitters and workmen, and to prohibit others from executing works in relation thereto, and to make and enforce bye-laws and regulations in respect of all or some of the matters aforesaid.

To incorporate with the Order, and to extend, and apply to the proposed undertaking and works, and to the Corporations as undertakers of the same, and with or without variation, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts, or portions of Acts incorporated therewith, and to confer upon the Corporation all or some
