**A**T the Court at *Windsor*, the 21st day of *March*, 1890.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen : and of the Act of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four, duly prepared and laid before Her Majesty in Council a scheme bearing date the sixteenth day of January, in the year one thousand eight hundred and ninety, in the words following, that is to say ;

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of your Majesty chapter one hundred and thirteen ; and of the Act of the seventeenth and eighteenth years of your Majesty chapter eighty-four have prepared and now humbly lay before your Majesty in Council the following scheme for apportioning the income of the benefice (being a new parish) of Christ Church, Lee Park, in the county of Kent and in the diocese of Rochester between that benefice and a certain other benefice, namely the benefice (being a consolidated chapelry) of the Good Shepherd, Lee, which said last-named benefice is also situate in the said county of Kent and in the said diocese of Rochester.

"Whereas the Rector for the time being of the parish of Saint Margaret, Lee, in the said county of Kent and diocese of Rochester (of which parish both the said new parish of Christ Church Lee Park and also the said consolidated chapelry of the Good Shepherd Lee were originally parcel) is as such Rector the patron of the said two benefices of Christ Church, Lee Park, and the Good Shepherd, Lee and of each of them.

"And whereas it has been made to appear to us that the said benefice of the Good Shepherd, Lee, is at present insufficiently endowed, and that the said benefice of Christ Church, Lee Park, has emoluments of such an amount as that after the recommendations and proposals to be made by this scheme shall have been carried into effect sufficient

provision will still remain for the said benefice of Christ Church, Lee Park.

"And whereas by a certain deed bearing date the first day of September in the year one thousand eight hundred and fifty-four and made between the then Rector of the said parish of Saint Margaret Lee, of the first part ; the then Bishop of London of the second part, the then Lord High Chancellor of Great Britain (the patron in right of the Crown of the rectory of the said parish of Saint Margaret Lee) of the third part, and the then Incumbent of the said new parish (in the same deed described as a district chapelry) of the fourth part which said deed was expressed to be made under a certain Act of Parliament being the Act of the first and second years of His late Majesty King William the Fourth chapter forty-five, an annual sum of fifty pounds sterling was charged upon all the glebe lands tithe rent-charges and other hereditaments whatsoever to the said rectory belonging in favour of the incumbent of the said district chapelry (now a new parish as aforesaid) of Christ Church, Lee Park to whom and to his successors the same annual sum was by the said deed granted with certain remedies in the same deed specified for the recovery thereof.

"And whereas the Right Reverend Anthony Wilson Bishop of the said diocese of Rochester is, and we are, of opinion that it is desirable that additional provision should be made for the cure of souls within the consolidated chapelry of the Good Shepherd Lee, aforesaid by means of that apportionment of the income of the said benefice of Christ Church Lee Park, which is hereinafter recommended and proposed.

"And whereas the said benefice of Christ Church, Lee Park, is now full of a Clerk, the incumbent thereof being the Reverend Lewis Arthur Smith, Clerk in Holy Orders.

"Now therefore with the consent of the said Right Reverend Anthony Wilson, Bishop of the said diocese of Rochester acting as such Bishop and with the consent of the Reverend Frederick Henry Law Clerk in Holy Orders the now rector of the said parish of Saint Margaret Lee and as such rector the patron of each of the said two benefices as aforesaid (in testimony whereof they the said consenting parties have respectively signed and sealed this scheme the said Bishop sealing the same with his episcopal seal) we the said Ecclesiastical Commissioners humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and as from the day of the date at which the said benefice of Christ Church Lee Park shall next become vacant the said charge of fifty pounds per annum which was created by the said deed of the first day of September one thousand eight hundred and fifty-four in favour of the said benefice of Christ Church Lee Park shall be transferred to the said benefice of the Good Shepherd, Lee, and shall enure in favour of the said benefice of the Good Shepherd, Lee, and the incumbent thereof and his successors and not in favour of the said benefice of Christ Church, Lee Park, or the incumbent thereof and his successors and that all the powers of recovering the same charge of fifty pounds per annum which by the said deed of the first day of September one thousand eight hundred and fifty-four are given to the incumbent of the said benefice of Christ Church Lee Park and all provisions as to time and manner of payment and receipt of the same charge and all other provisions clauses and declarations in the said deed contained shall as from the date aforesaid be applicable to
