India Office, November 7, 1890.

VICTORIA, R.I.

**W**HEREAS it has been represented to Us that it is expedient to amend the Regulations for Governing the Promotion in the Army of the Officers of Our Indian Forces, and their transfer to the Unemployed Supernumerary List, Our will and pleasure is that, with effect from the 1st January, 1891, the following Regulations be established, and be the sole Regulations for these purposes, viz. :—

1. A Lieutenant-Colonel may attain the rank of Colonel,—

(a.) By twelve years' service in the substantive grade of Lieutenant-Colonel in the "local service."

(b.) On being selected for the rank of Colonel under such Regulations as Our Secretary of State for India in Council may lay down, provided he shall have completed three years' satisfactory service as a Lieutenant-Colonel.

(c.) By Brevet, on appointment to be one of Our Aides-de-Camp.

(d.) By Brevet, as a reward for distinguished service in the field.

(e.) By Brevet, for distinguished service of an exceptional nature other than in the field.

2. If it shall be necessary to appoint an Officer to a situation which may be declared by Our Secretary of State for India in Council to be one which shall carry the rank of Colonel, although the Officer may not have the rank or service to qualify for promotion, the local and temporary rank of Colonel only shall, until he shall have completed the necessary qualifying service, be conferred on him while holding such appointment.

3. The rank of Brigadier-General shall be local or temporary only.

4. The names of General Officers shall be borne upon four separate lists. The first shall contain the names of those on the Active List, and of those who, having been promoted out of their regular turn, shall be supernumerary; the second, the names of Officers retired under Our Royal Warrant of the 31st December, 1877; the third, the names of Officers placed on the Unemployed Supernumerary List under Our Royal Warrant of the 24th October, 1881; and the fourth, the names of those who shall have retired from the Service.

5. There shall be no establishment of General Officers, and after the number of General Officers

has been reduced, and the names of the Staff Corps Officers removed from the list of the Indian Army, as provided in Articles 6 and 7, there shall be no more than one General. Subject to this limitation, a Lieutenant-General of the Indian Army shall be promoted to the rank of General when the Lieutenant-General of the Staff Corps next below him in seniority as a Lieutenant-General is promoted to the rank of General in ordinary course, or, if there be already a General of the Indian Army, so soon thereafter as a casualty may occur. The maximum number (not to be exceeded except during a period of war) of Lieutenant-Generals shall be three, and that of Major-Generals shall be thirteen, and promotion to those grades shall be made under such Regulations as Our Secretary of State for India in Council may lay down.

6. The names of the Colonels and General Officers of the Staff Corps now borne on the Indian List to regulate promotion shall remain on that list (to be thereon retained in *italics*, until their death, retirement, or transfer to the Unemployed Supernumerary List, for the purpose of regulating the promotion of the Officers below them) until the number of General Officers has been reduced as provided in Article 7. The names of the Generals and Lieutenant-Generals shall be removed when the number of Lieutenant-Generals has been reduced, and the names of the Major-Generals and Colonels when the number of Major-Generals has been reduced.

7. After the 31st December, 1890, the number of General Officers on the Active List shall be gradually reduced as follows :—

(a.) Officers who were on the establishment of General Officers on the 31st December, 1886, shall be promoted to vacancies in the rank of Lieutenant-General as casualties occur.

(b.) As vacancies occur in the rank of Major-General, the second vacancy in every two shall be absorbed; and when there are no more Officers qualified under (a.) for promotion to the rank of Lieutenant-General, the third vacancy of every three in that rank shall also be absorbed. The remaining vacancies shall be filled until the number of Lieutenant-Generals of the Indian Army is reduced to three, and that of Major-Generals to thirteen.

8. Subject to the above reduction, every vacancy in the rank of Major-General shall be filled by the promotion of the Senior Colonel of the Indian Army; or by the moving up of the

name of the Senior Officer of the Staff Corps borne on the list to regulate promotion; or by the absorption of a General Officer promoted for distinguished service. Every vacancy in the rank of Lieutenant-General or in that of General shall be filled up in like manner by the promotion of the Senior Officer of the Indian Army in the grade next below, or by the moving up of the name of the Senior Officer of the Staff Corps borne on the list of that grade.

9. Temporary or local rank and command as Major-General, Lieutenant-General, or General may, for the convenience of Our service, be conferred on an Officer of the next lower rank (whether he hold such rank permanently or temporarily), without regard to seniority.

10. A Colonel who shall vacate an appointment as temporary Major-General, may, upon the recommendation of Our Governor-General in Council, be made an Honorary Major-General.

11. Promotion may be conferred upon a Colonel, Major-General, or Lieutenant-General, without regard to vacancies, for distinguished service in the field or of an exceptional nature other than in the field, and in such case the recommendation of Our Governor-General in Council, detailing the services for which the Officer is promoted, shall be published in the General Orders of Our Indian Military Forces, and in the London Gazette.

12. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority. A General Officer, retired under Our Warrant of the 31st December, 1877, or placed on the Unemployed Supernumerary List under Our Warrant of the 24th October, 1881, shall remain eligible for promotion to the rank of Field Marshal.

13. A Major-General or Lieutenant-General on the Unemployed Supernumerary List, who was promoted to the former rank not later than the 31st December, 1886, shall be promoted to higher rank when the Officer next junior to him on the Effective List is so promoted.

14. Until the number of General Officers has been reduced, as provided in Article 7, a Colonel, a Major-General, or a Lieutenant-General placed on the Unemployed Supernumerary List shall be promoted to higher rank when the officer on the establishment who was next junior to him as a Colonel shall obtain such promotion.

15. A Major-General shall be placed on the Unemployed Supernumerary List on attaining the age of sixty-two years, and a Lieutenant-General or General on attaining the age of sixty-seven years.

16. Until the number of General Officers in each grade has been reduced, as provided in Article 7, a General Officer shall be placed on the Unemployed Supernumerary List after being unemployed for five years continuously since his promotion to Major-General, or after being unemployed for seven years continuously from the time of his last employment as Colonel.

17. A Colonel of the "local service," that is, an officer whose appointment was not made subject to the conditions prescribed in the General Order of Our Governor-General of India in Council, dated the 9th December, 1859, No. 1637, shall be placed on the Unemployed Supernumerary List, provided he is in receipt of Colonel's allowance and not in military employ,—

If he attained the rank of Lieutenant-Colonel before the 1st October, 1877, at the age of fifty-eight years.

If he attained the rank of Lieutenant-Colonel

on or after the 1st October, 1877, at the age of fifty-seven years.

18. A Colonel of the "General List," that is, an Officer whose appointment was made subject to the above-mentioned General Order, shall be placed on the Unemployed Supernumerary List on attaining the age of fifty-seven years; a Lieutenant-Colonel at the age of fifty-five years.

19. In the event of an Officer being called to, or engaged on, active service in the field, at or about the time when, under any article of this Our Warrant, he would be liable to be transferred to the Unemployed Supernumerary List, Our Secretary of State for India in Council may, on the recommendation of Our Governor-General in Council, extend his term of service during the continuance of the emergency as a supernumerary to the establishment.

20. If in any special case, not under the terms of the preceding article, it appears desirable to postpone the transfer of an Officer to the Unemployed Supernumerary List, Our Secretary of State for India in Council may, upon the recommendation of Our Governor-General in Council, so postpone it.

21. Our Secretary of State for India in Council, upon the recommendation of Our Governor-General in Council, may also bring back an Officer from the Unemployed Supernumerary List to the Effective List, should it appear essential to the interests of Our Service to do so.

22. An Officer whose case has been specially treated under Articles 19, 20, or 21 shall, so long as he remains on the Effective List, be supernumerary thereon.

Given at Our Court at *Balmoral*, this twenty-seventh day of October, 1890, in the fifty-fourth year of Our reign.
