

mencing by a junction with the said line or lines of pipes at or near the junction of New Hall-lane and Gray-lane, and terminating in the service reservoir next hereinafter described at a point about 17 chains measured in a south-easterly direction in a direct line from the farmhouse known as New Hall.

(5) A service reservoir to be wholly situate in the said parish of Halam in a certain field belonging or reputed to belong to Lewis Randle Starkey, in the occupation of Henry Crafts, and numbered 202 on the $\frac{1}{2500}$ Ordnance map of that parish.

4. To enable the Corporation from time to time to construct and maintain all such cuts, channels, adits, drifts, catchwaters, aqueducts, culverts, tunnels, drains, sluices, byewashes, weirs, gauges, reservoirs, wells, shafts, water towers, stand pipes, filter beds, tanks, banks, walls, roads, approaches, engines, machinery, electric apparatus, and appliances as may be necessary or convenient in connection with the before mentioned works, or the existing works of the Company, or any of them, or for the obtaining, raising, impounding, using, and distributing water.

5. To enable the Corporation to deviate from the lines and levels of the proposed works to any extent defined by the Bill, or prescribed by Parliament.

6. To enable the Corporation to collect, divert, impound, take appropriate, and use for the purposes of the said proposed works and of their water undertaking all such waters as will or may be intercepted by the existing and proposed works, or as may be found under any of the lands now or hereafter belonging to the Corporation, or over or in respect of which they have or may acquire easements.

7. To authorise the Corporation to lay down and maintain pipes and apparatus in, over, under, and across, and for that purpose to break up, alter, divert, stop up, and interfere permanently or temporarily with public and private streets, roads, lanes, footways, thoroughfares, rivers, watercourses, streams, railways, tramways, sewers, drains, pipes, and telegraph, telephone, and other electric apparatus.

8. To enable the Corporation to acquire, compulsorily and by agreement, and to hold lands houses, easements, waters, and property for the purposes of their water Undertaking, and to extinguish all rights over any such lands, buildings, and property, and also to enable the Corporation to acquire, compulsorily or by agreement in addition to the lands required for the foregoing works the following lands, that is to say:—

Lands situate wholly in the parish of South Muskham, in the county of Nottingham, adjacent to the existing pumping station of the Company, near Muskham Bridge, and forming part of the Field numbered 330 on the $\frac{1}{2500}$ Ordnance map of that parish.

9. To enable the Corporation to hold any lands they acquire under the authority of the intended Act free from the provisions with respect to superfluous lands of the Lands Clauses Consolidation Act, 1845, or any other Act, and to acquire, compulsorily or by agreement, mines and minerals in or under any such lands, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

10. To authorise the Corporation to retain and hold, or to sell, demise, or otherwise dispose of

any lands, and to dispose of any property acquired under the powers of the intended Act not required, or which it may not be desired to retain for the purposes of their water Undertaking.

11. To enable the Corporation on the one hand, and any sanitary or other local authority or any company, person, or persons within or beyond the limits of the intended Act on the other hand, to enter into and fulfil contracts and agreements for the supply by the Corporation of water in bulk or otherwise to such sanitary or other local authorities, company, person, or persons respectively, and to confer upon them respectively all necessary powers for the purpose aforesaid, and to enable such sanitary or other local authorities to borrow money and to levy rates for those purposes, and to defray the expenses to be incurred by them in respect of such supply out of any rates which they may from time to time be authorised respectively to levy.

12. To confer upon the Corporation all needed powers for regulating and defining their supply and the mode thereof and for preventing frauds on and abuses of their supply, and for preventing the water delivered or supplied by the Corporation from being fouled, misused, or wasted, and for preventing any interference with their water or their works.

13. To alter and enlarge the present borrowing powers of the Corporation, and to enable them for all or any of the purposes of the Bill to apply their funds, rates, and revenues for the time being, and any moneys they are still authorised to raise, or over which they have control; and for the said purposes and for the general purpose of the water Undertaking to borrow further moneys by mortgage, debenture, stock, or annuities, on the security of the borough fund and rate, general district rate, and all or any rates and revenues and property of the Corporation, and to provide for the repayments of such moneys, and to levy rates and charges, and to alter existing rates and charges.

14. To alter the boundaries of the wards or of some of the wards into which the borough is divided, and to apportion the aldermen and councillors to and among the altered wards, and provide for their going out of office, election and rotation, or to make provision in the Bill for the doing and determining of the aforesaid matters.

15. The Bill will vary and extinguish all such rights and privileges as would in anywise interfere with its objects and will or may incorporate with itself with or without alteration and in extenso, or by reference such of the provisions as may be thought expedient of the Lands Clauses Acts, the Railways Clauses Consolidation Act, 1845, the Waterworks Clauses Acts, 1847 and 1863, the Public Health Act, 1875, the Local Loans Acts, and the Municipal Corporation Acts, and will repeal, alter, and amend, so far as may be necessary, the provisions of, among other Acts, the Newark-upon-Trent Improvement Act, 1851, and any other Act directly or indirectly affecting the Corporation.

Duplicate plans and sections showing the line situation and levels of the intended works, and the lands and houses in or through which the same will be made, and also duplicate plans showing the lands, houses and other property intended to be compulsorily taken, together with a book of reference to such plans containing the names of the owners and lessees
