Board of Trade.—Session 1891.

Electric Lighting Acts, 1882 and 1888.

Weymouth Electric Lighting.

(Power to the Weymouth Electricity Supply Company, Limited, to Produce, Store, and Supply Electrical Energy and Power within the Borough of Weymouth and Melcombe Regis, and the District of the Weymouth Union Rural Sanitary Authority, in the County of Dorset; to Construct Works; to Lay Down Wires and other Apparatus, and to Break up Streets therein; to Acquire Land; to Levy Rates, and exercise other Powers; Agreements with and Powers to Local Authorities; Incorporation of Acts, &c.)

NOTICE is hereby given that application is intended to be made by the Weymouth Electricity Supply Company, Limited, of 112, Belvedere-road, London (hereinafter called "the Company"), to the Board of Trade, on or before the 20th day of December next, under the provisions of "The Electric Lighting Acts, 1882 and 1888," for a Provisional Order for all or some of the following purposes, that is to say:—

To authorise and empower the Company to produce, store, and supply electricity, as defined by the said Acts, electrical energy and power for all or some of the public and private purposes as defined by the said Acts, within the borough of Weymouth and Melcombe Regis, and the district of the Weymouth Union Rural Sanitary Authority, in the county of Dorset, and for those purposes to enter upon, break up, and interfere with all streets, roads, and places, ways, footpaths, railways, tramways, canals, rivers, towing-paths, bridges, culverts, sewers, gas and water mains and pipes, and telegraph and pneumatic tubes and pipes, telegraph, telephone and electric wires or conduits within the said area, and to lay down, set up, maintain, renew or remove, either above or under ground, or otherwise, pipes, tubes, wires, posts, apparatus or other works or things, required for enabling the Company to supply, produce, store, convey, transmit or distribute electrical power and energy for the several private and public purposes aforesaid within the said area, and to confer all such other powers upon the Company as may be necessary for effecting the objects of the proposed undertaking.

To enable the Company to purchase, hold, acquire, or to take on lease, any lands or interests,

or easements in land, and to erect, maintain, use, and work upon such land all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, and distribution of, and to produce, store, and distribute electricity, electrical power and energy.

To authorise the Company to manufacture, hire, sell, and let all necessary machines, lamps, accumulators, meters, fittings, plant, machinery, and other matters or things required for the purposes of the said Order, and to acquire, work, and use patents and licenses for patents for the making, producing, controlling and measuring, or otherwise relating to the supply of electricity.

To enable the Company on the one hand, and any county council, corporation, vestry, or other local or sanitary or road authority, and any railway, dock, canal or other company on the other hand, to enter into and fulfil agreements as to the supply of electricity, and as to the breaking up and interfering with any streets, roads, ways, public footpaths, and other places and things as aforesaid, and otherwise with respect to the objects of the Order, and, if thought fit, to authorise such bodies, authorities, and companies to exercise the powers with respect to the breaking up of streets and other places and things, and all or any of the other powers proposed to be conferred upon the Company, and to confirm and give effect to any agreements which may have been or may be made in that behalf.

To authorise the Company to take, collect, and recover rates, rents, and charges for the supply of electrical energy and power, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

To incorporate with the Provisional Order, and to extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, and with or without variation, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply which, by the Electric Lighting Acts, 1882 and 1888, or any Act amending the same or incorporated therewith, are or may be conferred upon undertakers; and the Provisional Order will contain all such regulations and conditions as to the supply of electricity, and all matters incidental thereto, as the said Acts authorise, or the Board of Trade may prescribe, and will alter, vary, or extinguish all rights and privileges which would or might interfere with any of its objects, and confer all other rights and privileges necessary for carrying such objects into effect.

To limit, if thought fit, the district within the area of supply within which the supply of electricity shall be compulsory, or, if thought fit, to provide for its being permissive throughout the whole area of supply.

The streets and other places in, over, or along which it is proposed to take power to place any electric lines or other works are all the streets and other places within the said borough, and so much of the parish of Wyke Regis as lies outside the said borough, whether repairable by the local authority or not.

The streets, roads and places not repairable by the local authorities which the Company propose to take power to break up are as follows:—Alexandra - road, Hanover - terrace, Lyndhurst-terrace, Carlton-road, Glendinning-avenue, Langholme-road, Avenue-road, Westerhall-road, Kirtleton-avenue, all in the parish of Radipole, Wooper-ton-street in the parish of Melcombe Regis, the road on the west side of Love-lane in the parish
