From and after the date when this Warrant comes into operation the Warrant of the Commissioners of Her Majesty's Treasury, dated the twenty-second day of August, one thousand eight hundred and eighty-nine, and relating to the transmission of Parcels by post between the United Kingdom and Canada shall be repealed, revoked, and annulled.

Definition.

2. In this Warrant:—

(2.) The expression "United Kingdom" in-

cludes the Channel Islands and the Isle of Man.

Places between which Parcels may be transmitted.

3. From and after the date when this Warrant comes into operation, Parcels may, subject to the provisions of this Warrant, be transmitted by post between the United Kingdom and Canada, and between Canada and places via the United Kingdom.

Rates of Postage.

4. On all Parcels transmitted by post under this Warrant between Canada and the United Kingdom, there shall be charged and paid the rates of postage respectively specified in Part I of the Schedule hereto.

5. On all Parcels transmitted by post under this Warrant from Canada to any place mentioned or referred to in Part II of the said Schedule, there shall be charged and paid the rates of postage therein respectively specified or referred to. But such last-mentioned rates shall not apply in any case where a special fixed rate of postage is authorized by law in respect of a Parcel so transmitted.

Maximum Dimensions and Weight.

6. Except by permission of the Postmaster-General, there shall not be conveyed or tendered for conveyance by post under this Warrant any Parcel the dimensions of which shall exceed in length two feet, or in width or depth one foot, or which shall exceed in weight five pounds.

Prepayment.

7. The postage chargeable, as hereinbefore mentioned, shall, in all cases (except as otherwise provided in this Warrant), be prepaid at the time of posting; and such prepayment shall, in the United Kingdom, be effected by means of adhesive postage stamps, or at such Post Offices, within such hours, and under and subject to such regulations as the Postmaster-General shall from time to time prescribe, in money.

Times of Posting.

8. Parcels intended to be transmitted by post, may, in the United Kingdom, be posted on any day of the week except Sunday, but shall not be posted on Sundays, or in England or Ireland on Christmas Day or Good Friday, and in Scotland on either of the two Sacramental Fast Days, except in the cases next hereinafter mentioned, that is to say:—

Mode of Posting.

9. Except as otherwise provided in this Warrant all Parcels shall, in the United Kingdom, be posted by being handed in at a Post Office in the manner hereinafter provided, within the hours during which such office shall be open to the public for the posting of Parcels.

Posting at Post Offices.

Irregular Posting of Parcels.

12. Any Packet transmissible by Parcel Post from the United Kingdom which from any words or marks thereon, or other external evidence, appears to have been intended for transmission as a Parcel, but which has not been tendered for transmission as a Parcel, but has been posted in a Post Office Letter-box, or otherwise than according to the manner hereinbefore prescribed for the posting of Parcels, may, in the discretion of the Postmaster-General, either be detained or returned or given up to the sender, or if the said packet is fully prepaid with the letter or book-rate of postage, and otherwise conforms to the regulations as to the letter or book post, the same may be forwarded as a letter or book-packet (as the case may be).

Return and Disposal of Undelivered Parcels.

13. With regard to—

(a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and

(b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

The following provisions shall (subject to the provisions of the Warrant of the said Commissioners of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply; (that is to say,)

(1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.

- (2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of Canada, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.
- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of Canada, that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that in default of the receipt by the Postmaster-General of an application for the Parcel, during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such a manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
- (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
- (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and in such case the said rate of postage and all other charges to which

the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.

- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Re-direction to Places out of United Kingdom.

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or Canada is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

Re-direction to Places within United Kingdom.

15. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

Remission of Re-direction Rates.

16. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

WITH reference to Notice to Mariners, No. 58

on the east side of Tabu Reef, lying westward
of Amédée Island, and northward of Bulari
Passages:—

The French Government has given further
notice, that on 21st December, 1890, the light
was exhibited:—

Tabu Reef Light is a fixed light, showing
white through an arc of 54° , or from the bearing
of N. 13° E. to N. 41° W. (covering To, Sour-
nois, and Tumbo Reefs); red through an arc of
 143° , or from N. 41° W. to S. 4° E. (covering
Amédée Reefs, Four Western Banks, Four
Northern Banks, and Thisbe Shoal); white
through an arc of 18° , or from S. 4° E. to S. 22°
E., as a leading light, and is obscured in other
directions. It is elevated 46 feet above the sea,
and should be visible in clear weather, the white
light from a distance of about 12 miles, the red
light from a distance of 10 miles.

Approximate position, lat. $22^{\circ} 28' 55''$ S., long.
 $166^{\circ} 27' 50''$ E.

Directions.—Approaching Port Noumea by
Bulari Passages, Amédée Island Lights should be
kept in line bearing N.E. $\frac{1}{2}$ N., and when within
the reefs, Tabu Reef white light will come in
sight: keep the same course until Tabu Reef red
light is opened, when the course should be altered
quickly to N.N.W., to pass between Tabu Reef

and Amédée Shoal, and thus enter the northern sector of white light shown from Tabu Reef; when within the sector steer N. by W., till the light on Ducrot Summit, Dabouzet (Nu) Island, bears N.N.W., keep it on that bearing until the leading lights on Uerendi are in line, bearing N.E. $\frac{1}{2}$ E.; pass through Little Entrance with these leading lights in line, and when the light on the eastern part of Denouel Point opens out, bearing N.N.W., the course should be altered to about N. by E. for the anchorage, which will be reached when the light on the eastern part of Denouel Point and the leading lights on Uerendi become obscured.

Considering the currents, vessels in the Bulari Passages and near Amédée Shoal should keep up a good rate of speed to ensure turning quickly.

County Borough of Blackburn.

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the borough of Blackburn (hereinafter referred to as "the lessors") intend to make a lease to the Blackburn Corporation Tramways Company Limited (hereinafter referred to as "the lessees") and thereby to demise to the lessees the sole and exclusive right of running carriages with flanged wheels over and upon and of using the tramways constructed by the lessors within and near to the borough of Blackburn, under and in pursuance of the powers and authorities vested in them by the Blackburn Improvement Act, 1882, the Blackburn Corporation Tramways Act, 1887, the Blackburn Corporation Tramways Act, 1888, and the Acts and sections of Acts incorporated with the said Acts respectively (hereinafter referred to as "the Local Tramway Acts"), and also the sole and exclusive right of demanding and taking in respect of the said tramways the tolls and other charges authorized to be demanded and taken in respect thereof by the Local Tramway Acts, together with full and free liberty with horses (and subject as in the proposed lease is provided) with suitable and proper steam engines and carriages to pass and repass over and upon the said tramways and to use the said tramways as and for a means of public locomotion.

The term of the proposed lease is 21 years, commencing from the 24th day of June, 1887.

The rent reserved by the proposed lease is the annual sum of £197.

The proposed lease contains the following covenants on the part of the lessees, namely:—

To pay the yearly rent reserved in advance on the days and in manner appointed.

To pay all rates, taxes, and assessments, and other impositions which may during the term be imposed upon or in respect of the said tramways, or the rights and powers over the said tramways proposed to be demised.

To maintain, repair, and keep in repair during the term in accordance in all respects with and under and subject to the provisions of section 28 of the Tramways Act, 1870, the width or portion of roadway whereon each of the said tramways is laid as mentioned and set forth in the said section of the last-mentioned Act.

To carry out and perform and be liable to and responsible for all the provisions, duties, and obligations so far as the same are applicable to the maintenance and working of the said tramways, or with respect to the user or the paving and keeping in repair of any roads or road on which the said tramways or any part thereof are or is laid imposed upon either the lessors or the lessees by the Local Tramway Acts, and to indemnify the lessors in respect thereof.

Not to assign or underlet or part with the possession of the said tramways, or any of them, or with the exercise of the rights and powers proposed to be demised, without the consent, in writing, of the lessors.

To provide and use upon the said tramways all such horses, steam, or other engines and carriages as may be necessary for working the said tramways, and to use and run such engines and carriages upon the said tramways efficiently and properly and duly develop the traffic on the said tramways.

To indemnify the lessors against all claims for damages by reason of accidents.

And the proposed lease contains the following conditions, namely:—

A condition of re-entry if the proposed lessees discontinue the working of the said tramways, or

any part thereof, for the space of three calendar months (such discontinuance not being occasioned by circumstances beyond the control of the proposed lessees, for which purpose the want of sufficient funds is not to be a circumstance beyond their control).

Liberty for the proposed lessees to use steam or other mechanical power as a motive power upon the tramways in the proposed lease, referred to as Tramway No. 1, Tramway No. 2, Tramway No. 3, and Tramway No. 4, subject to all the provisions relating to the use of steam or any mechanical power contained in the Local Tramway Acts, and to all regulations and bye-laws relative to the use of steam or mechanical power to be made by the Board of Trade or by the lessors.

Liberty for the lessees to permit the lessees of any tramway belonging to the Mayor, Aldermen, and Burgesses of the borough of Accrington, and having a physical junction with any tramway in respect of which permission to use steam or other mechanical power is proposed to be given to run carriages by steam or other mechanical power upon the lastmentioned tramway upon such terms as the respective lessees may agree.

Proviso that the obligation of carrying out the provisions of the Local Tramway Acts in respect of contracts with road authorities outside the boundaries of the borough of Blackburn and whether steam or any mechanical power be used as a motive power or not is to be upon the lessees.

Liberty for the lessees during such term and so long as they continue to use steam as a motive power on the tramways in the proposed lease referred to as Tramway No. 2 and Tramway No. 3, to use the tramway in the proposed lease referred to as Tramway No. 5, for the purpose of bringing their engines and carriages to and from their depôt at Furthergate, in the said borough of Blackburn, from and to the said Tramway No. 2 and Tramway No. 3, subject to the conditions and covenants in the proposed lease specified.

Declaration that if the rent reserved be in arrear in whole or in part for one calendar month after any or either of the days whereon the same is reserved to be paid, or if the lessees break or infringe all or any of the covenants, clauses, stipulations, and agreements in the proposed lease contained, and which by them ought to be performed, that it shall be lawful for the lessors to determine the term by notice in writing.

And the proposed lease contains the following covenants by the lessors:—

For quiet enjoyment by the lessees.

To grant (so far as the lessors having regard to the provisions of the Tramways Act, 1870, have power to bind themselves or their successors, and not further or otherwise) to the lessees at the expiration of the said term of 21 years a further term not exceeding 21 years in the premises at the yearly rent of £315, with a proviso that if, on the determination of the proposed demise, the lessors fail to grant to the lessees a further demise, the lessors shall pay to the lessees the then value of the tramway lines as laid down, and shall purchase from the lessees any land or buildings in the borough of Blackburn belonging to and vested in the lessees, and then being used by them for the purpose of their tramway undertaking, but no consideration is to be given for goodwill, prospective profits, or the value of the lessees' tramway undertaking as a going concern, and the amount to be paid to be determined in case of dispute by arbitration.

That the lessors will not during the term exercise any of the powers conferred upon them

by the Local Tramway Acts of granting licences for running powers, or throwing open any of the said tramways without the consent of the lessees.

A copy of the proposed lease is deposited for public inspection during office hours at the Town Clerk's Office, in the Townhall, Blackburn.

And notice is hereby further given, that the lessors intend, after the expiration of one month, to submit the proposed lease to the Board of Trade for approval. By order,
