

as defined by the said Acts, or either of them, within the parish of Hammersmith (hereinafter called "the area of supply"). It is proposed that electric lines and works shall be laid down within a specified time in the following streets, that is to say:—King-street West (from Ravenscourt Park to Broadway), Broadway, Hammersmith-road (from Broadway to St. Paul's Schools), the Grove (from King-street to Adie-road), Queen-street (from Broadway to further side of St. Paul's Church), Brook Green-road (from Broadway to south-east angle of Brook Green).

To authorize the Undertakers to open and break up, pass over, along, across, or under with their electric lines, the following railways and tramways, so far as the same are situate within the proposed area of supply, viz., the London and South Western Railway, the Metropolitan and Great Western Railways (joint), the Metropolitan Railway, the Great Western Railway, the District Railway, the London and North Western Railway, the West London Railway, the North and South Western Junction Railway, and the West Metropolitan Tramways. The Undertakers also propose to take powers to pass over, across, along, or under the Creek and the Grand Junction Canal.

To authorize the Undertakers to purchase, hold, or acquire, or take on lease any lands or easements in lands for the purposes of the said Order, and with power to sell or dispose of the same.

To authorize the Undertakers to construct, provide, lay down, alter, renew, and maintain on land belonging to or leased by or to be acquired or leased by the Undertakers within the area of supply such central and other stations, buildings, and works for the generation, storage, supply and distribution of electricity as may from time to time be necessary for supplying electricity within the said area, or for other the purposes of the Order, together with engines, machinery, and other apparatus necessary or convenient for the purposes as aforesaid, and to lay down, place, maintain, alter, or renew electric lines, wires, conductors, mains, pipes, and other apparatus and works for the supply and distribution of electricity in, through, under, over, along, or across all streets, bridges, squares, courts, alleys, highways, lanes, roads, thoroughfares, railways, tramways, waters, public passages, and places within the said area of supply.

To authorize the Undertakers to open and break up for the purposes of the said Order the soil and pavement of the several streets and thoroughfares within the area of supply, and to take up, relay, divert, and alter sewers, drains, mains, and all pipes and works therein, within the said area of supply, and to do all such other works and acts as may be necessary to carry into effect the objects of the Order.

To authorize the Undertakers to acquire and hold patent rights and licences in relation to the manufacture and distribution of electricity, and to manufacture, purchase, hire, sell, and supply meters, lamps, appliances, machinery, and apparatus in relation thereto.

To authorize the Undertakers and any local or other public authority, company, or person, to make and carry into effect agreements for the production and distribution of electricity, and for the performing of all acts incidental to public and private lighting.

To provide for the transfer by the Undertakers (with the consent of the Board of Trade) to any other company, body, or person, of all or any of

the powers, duties, and liabilities conferred or imposed upon them by the Order.

To empower the Undertakers to make charges and levy rates and recover rents and charges for the supply of electricity, and for the use of any machines or apparatus in connection therewith, and to define and limit the prices to be charged for such supply.

To confer upon the Undertakers and incorporate in the Order all or any of the powers of the Electric Lighting Acts, 1882 and 1888, and such other powers, rights, and privileges as may be necessary or expedient for carrying out the purposes of the Order, and to vary or extinguish any rights and privileges which may be inconsistent therewith.

Notice is hereby given, that the draft of the Order will be deposited at the office of the Board of Trade, on or before the 21st day of December next, and printed copies thereof, when deposited, and of the Order, if and when made, can be obtained at the office of the Company, at 176, Hammersmith-road, Hammersmith, and at the office of the undersigned Solicitor for the Order, at the price of one shilling for each copy, by all persons applying for the same.

And notice is hereby further given, that a map showing the boundaries of the said area of supply, and a copy of this advertisement, as published in the London Gazette, will be deposited on or before the 29th November next, for public inspection, at the office of the Clerk of the Peace for the county of London, at the Sessions House, Clerkenwell Green; and at the office of the Clerk of the Vestry of the parish of Hammersmith, Vestry Hall, Hammersmith.

And notice is also hereby given, that every local or other public authority, company, or person desirous of making any representations to the Board of Trade, or of bringing before them any objection respecting this application must do so by letter, addressed to the Board of Trade, Whitehall, S.W., marked on the outside of the cover enclosing it, "Electric Lighting Acts," on or before the 15th day of January, 1892. A copy must, at the same time, be sent to the undersigned.

Dated this 19th day of October, 1891.

WILLIAM SMEE, 5, York-buildings, Adelphi, W.C., Solicitor for the Order.

The Metropolis Water Act, 1871.

The Local Government Act, 1888.

To the West Middlesex Waterworks Company.

THE London County Council, as the Metropolitan authority within the meaning of section 8 of the Metropolis Water Act, 1871, being of opinion that there should be a constant supply of water in the districts hereinafter described, that is to say:—

(a.) A district wholly in the parish of Saint Marylebone, and bounded on the north by an imaginary line passing along the rear of the houses on the north side of Acacia-road, from its junction with Finchley-road to its junction with Townshend-road. On the east by a line passing along the rear of the houses on the east side of Townshend-road. On the south by the Regent's Park, and on the west by a line drawn along the rear of the houses on the east side of High-street and Upper York-place, and of the houses on the south side of Acacia-road to its junction with Wellington-road;

(b.) A district wholly in the parish of Saint John, Hampstead, and bounded on the north
