Board of Trade.—Session 1892.

St. Mary Islington Electric Supply.

(Application to the Board of Trade under the Electric Lighting Acts, 1882 and 1888, for a Provisional Order to authorise Messrs. Sharp and Kent to Supply Electricity for Public and Private Purposes, and to Supply Electrical Power and Energy in the Parish of St. Mary Islington, in the County of London; Power to Make Charges; to Acquire Lands; to Break Up Streets therein; to Construct Works; to Lay Mains, Wires, and other Apparatus; to Make Arrangements with Local Authorities.)

NOTICE is hereby given that application will be made by Messrs. Sharp and Kent, engineers and electricians, whose head offices are situated in Connaught Mansions, 34, Victoria-street, Westminster, and branch offices at 10, Pont-street, Belgrave-square, S.W., and 8, Tollington-road, N., and 73, Queen Victoria-street, E.C. (hereinafter called "the Undertakers"), for a Provisional Order under the Electric Lighting Acts, 1882 and 1888, for the following purposes, or some of them, that is to say:—

To authorise and empower the Undertakers to produce, store, supply, and sell electricity, electric current, and other like agency (all in this notice called "electricity") for public and private purposes, as defined by the Electric Lighting Acts, 1882 and 1888, within the parish of St. Mary Islington (hereinafter called "the area of supply").

To authorise the Undertakers to acquire, construct, and use, and from time to time to sell, let, and otherwise dispose of machinery, plant, and apparatus for the production, storage, regulation, measurement, distribution, and supply of electricity, and also to acquire, construct, maintain, and enlarge, and to discontinue, sell, or otherwise dispose of all such lands, buildings, machinery, appliances, and other property as shall be required for the purpose of containing, manufacturing, and working the machinery, plant, and apparatus to be so used for the production, storage, regulation, measurement, distribution, and supply of electricity.

The works proposed to be constructed, used, and maintained may be described generally as follows:—A central station, or central stations, at which electricity will be generated or collected, and a system of mains by which electricity will

be conveyed and distributed from the central station or stations throughout the area of supply, including the sanction and maintenance of the existing station, plant, machinery, works, mains, and wires of the Undertakers in Tollington-road and Holloway-road.

To authorise the Undertakers to acquire, place, maintain and use, and to take up, sell and otherwise dispose of, electric and other mains, storage and other batteries, accumulators, cables, conductors, services, wires, tubes, pipes, insulators, meters, reservoirs, distributing cut-out and other boxes, switches, transformers, and other apparatus for transmitting, storing, measuring, regulating and distributing electricity for lighting and other purposes, public and private, and any pipes, conduits, or other channels of water supply for feed or condensing purposes, or otherwise to be used for the purposes of, or in connection with, the works and lines to be erected, used, or maintained under such Order (all in this notice called "electric lines"), in, through, under, over, along and across, and either above or beneath the surface of, and for that purpose to cross, open, break up, divert, alter, stop up, or otherwise interfere with, whether temporarily or permanently, all roads, streets, footpaths, and other public places, and all railways, tramways, canals, rivers, watercourses, bridges, sewers, drains, gas, water, and other pipes, telegraphic, telephonic, and electric posts, wires, and pipes, pneumatic tubes and apparatus, and works of every description within the area of supply.

To authorise the Undertakers on the one hand, and any corporation, vestry, district board, or other local or sanitary road authority, and any railway, dock, canal, or other company on the other hand, to enter into and carry into effect and rescind and renew contracts for empowering the Undertakers to enter upon and break up the streets, roads, and other places and things before mentioned, and if thought expedient to authorise such bodies, authorities, and companies to exercise the powers with respect to the breaking up of the streets and other places and things before mentioned proposed by the Order to be conferred upon the Undertakers.

To authorise the Undertakers on the one hand, and any corporation, vestry, district board, or other local or sanitary authority on the other hand, to make and carry into effect and rescind and renew contracts for the supply of electricity, and to authorise such corporation, vestry, district board, or other authority to buy and sell electricity under such contracts, and to apply for the purposes of any such contracts their respective funds, revenues, and rates, and to borrow money for such purposes.

To empower the Undertakers to place electric lines, as defined in this notice, in, through, under, over, or along, and either above or beneath the surface of the streets and other places following, that is to say:—All or any of the streets, roads, lanes, alleys, courts, squares, passages, thoroughfares, and footways included within the area of supply as hereinbefore defined.

The streets in which it is proposed that electric lines and works shall be laid down within a specified period are the following or such parts thereof respectively as are within the area of supply:—City-road, High-street, Upper-street, Highbury-place, Highbury New-park, Highbury-crescent, Highbury-crescent West, Highbury-grove, Highbury-park, Highbury-quadrant, Holloway-road, Parkhurst-road, Camden-road, Seven Sisters-road, Junction-road, Tufnell-park-road, Anson-road, Carleton-road, St. Bartholomew-road.
