

(H. 7970.)

*Board of Trade (Harbour Department),  
London, October 31, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Telegram from Her Majesty's Representative at Buenos Ayres, reporting ten days against arrivals from Santos, on account of yellow fever.

(H. 7971.)

*Board of Trade (Harbour Department),  
London, October 31, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Telegram from Her Majesty's Representative at Alexandria, reporting that arrivals from Marseilles are admitted after completing five days from departure, with medical visit and disinfection.

(H. 7977.)

*Board of Trade (Harbour Department),  
London, October 31, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Bucharest, containing the following Notice respecting quarantine, viz. :—

The introduction into Roumania of the following articles coming from Russia, Germany, France, Belgium, Austro-Hungary, Servia, Holland, and the Turkish ports of the Black Sea in Asia is prohibited.

(a.) Body and bed linen as a used but not washed article of commerce (the foul linen of travellers will be disinfected at the frontier), worn clothes as articles of commerce.

(b.) Samples of stuffs—of worn stuffs (tissues) not including specimens of stuffs not worn, all sorts of drills and rags of stuffs, whatever may be the tissue, paper scrapings, raw skins, bladders, and guts fresh and dry, salted guts.

(d.) Ox hair, horse hair, but not painted horse hair sieves, hogs' bristles not cleaned, camels' hair, raw feathers, excepting dyed or clean feathers, and feather cushions (the cushions of travellers will be disinfected at the frontier), wool unwashed and not disinfected, raw cotton (excepting cotton washed cleaned and repaired for dressings), and new wadding.

(e.) Furs not made up (garments lined with fur shall be disinfected), caviare, herrings, and other salt fish, dried, smoked, or pickled (but not preserved fish in hermetically sealed metallic cases).

(g.) Oil in casks and in leather bottles, ham, bacon, and other pork butchers' wares, suet, hogs' grease, pâtés, biscuits.

(h.) Milk, milk food, cream, butter, cheeses, hard or soft, fresh fruit, green vegetables, potatoes, used sacks, excepting sacks which have served for the transport of cereals, and which should be disinfected at the frontier.

The entry of the objects above is forbidden, whether they come from the countries indicated above, or whether they have passed through any of those countries after the appearance of cholera.

(H. 7981.)

*Board of Trade (Harbour Department),  
London, October 31, 1892.*

THE Board of Trade have received, through the Secretary of State for the Colonies, a copy of a Telegram from Her Majesty's Representative at Cyprus, reporting arrivals from Egypt with passengers liable to five days' quarantine.

(H. 8008.)

*Board of Trade (Harbour Department),  
London, November 1, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Granada, Nicaragua, reporting that all arrivals from European or other ports where contagious diseases exist, will be held strictly in quarantine, and even then not allowed to enter any port before being examined by a medical officer.

(H. 8010.)

*Board of Trade (Harbour Department),  
London, November 1, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Sofia, containing the following information respecting quarantine :—

1. Turkey in Europe being considered as yet not contaminated by the cholera, arrivals from that country are exempted from quarantine and disinfection, in conformity with paragraph 5 of the Circular of October 1-13th.

2. The importation into Bulgaria of the article enumerated in paragraph 8 of the said Circular is prohibited, no matter from what country they may come.

As an exception to sub-paragraph (2), the importation of lemons and oranges is allowed without their being submitted to any quarantine, after the coverings in which they are encased have been disinfected.
