The following are the particulars of the proposed transfer:—

1. The area of supply is to be the whole of the said borough.

2. The Dover Company may be required to sell the Undertaking to the Corporation at the period of 21 years and subsequent periods of ten years from the transfer, and at any time after the expiration of 42 years from that date.

3. The rent for the first year is not to exceed £500, and there is no other pecuniary consideration.

4. The powers, duties, or liabilities of the Undertakers to be excepted or modified, and the terms of the transfer, are as follows:—

(a.) Clauses of the Order are not to apply to the Dover Company relating to the purchase and use of lands subsequent to the approval of the Local Government Board; the application of revenue and capital monies; and the clause incorporating provisions of the Public Health

(b.) The period of two years from the 4th August, 1892, within which mains for a general supply throughout the streets specified in the second schedule to the Order are to be laid is to be extended to two years from the transfer and the period of eighteen months from the 4th August, 1890, after which like mains throughout every other street in the borough are to be laid upon requisition, is extended to eighteen months from the transfer.

(e.) As long as the Dover Company perform their obligations the Corporation are not to apply for or consent to the grant of a Provisional Order or Licence to any person or Company, but in case the Dover Company, in the opinion of an Arbitrator appointed by the Board of Trade, have failed to perform their obligations, the Corporation, with the permission of the Board of Trade, may require a re-transfer of the Order on such terms as to the Arbitrator may seem just.

(f.) The Dover Company without the consent of the Corporation is not to transfer the Order or take any steps to obtain the consent of the Board of Trade to such transfer.

(g.) The Dover Company is not, without like consent, to place any electric line above ground, and it is to make due provision for the safety of the public from contact with mains and wires.
