**W**HEREAS by the first section of "The Colonial Probates Act, 1892," it is enacted as follows:—

"Her Majesty the Queen may, on being satisfied that the legislature of any British possession has made adequate provision for the recognition in that possession of probates and letters of administration granted by the Courts of the United Kingdom, direct by Order in Council that this Act shall, subject to any exceptions and modifications specified in the Order, apply to that possession, and thereupon, while the Order is in force, this Act shall apply accordingly."

**A**T the Court at *Osborne House, Isle of Wight*, the 30th day of *January*, 1893.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Order in Council made in pursuance of the "Merchant Shipping Act Amendment Act, 1862," and dated the eleventh day of August, one thousand eight hundred and eighty-four, Her Majesty on the joint recommendation of the Admiralty and the Board of Trade was pleased to direct that on and after the first day of September, one thousand eight hundred and eighty-four, the Regulations contained in the Schedule thereto should, so far as regards British ships and boats, be substituted for the Regulations contained in the First Schedule to an Order in Council made as aforesaid, and dated the fourteenth day of August, one thousand eight hundred and seventy-nine.

And whereas by two Orders in Council made in pursuance of the said Act, and on such joint recommendation as aforesaid, and dated respectively the thirtieth day of December, one thousand eight hundred and eighty-four, and the twenty-fourth day of June, one thousand eight hundred and eighty-five, certain modifications and additions were made to the said Regulations contained in the schedule to the said recited Order in Council of the eleventh day of August, one thousand eight hundred and eighty-four, as regards British fishing vessels and boats.

And whereas by another Order in Council made in pursuance of the said Act and on such

joint recommendation as aforesaid and dated the eighteenth day of August, one thousand eight hundred and ninety-two, certain modifications and additions were made to the said regulations contained in the schedule to the said recited Order in Council of eleventh August, one thousand eight hundred and eighty-four, as regards steam Pilot vessels.

And whereas by the said Regulations contained in the schedule to the said Order in Council of the eleventh day of August, one thousand eight hundred and eighty-four, it is amongst other things provided as follows:—

ARTICLE 3. A seagoing steam ship when under way shall carry—

(a.) On or in front of the foremast, at a height above the hull of not less than twenty feet, and if the breadth of the ship exceeds twenty feet, then at a height above the hull not less than such breadth, a bright white light, so constructed as to show an uniform and unbroken light over an arc of the horizon of twenty points of the compass, so fixed as to throw the light ten points on each side of the ship, viz.:—from right ahead to two points abaft the beam on either side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least five miles.

(b.) On the starboard side, a green light so constructed as to show an uniform and unbroken light over an arc of the horizon of ten points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the starboard side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.

(c.) On the port side, a red light, so constructed as to show an uniform and unbroken light over an arc of the horizon of ten points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the port side, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least two miles.

(d.) The said green and red side lights shall be fitted with inboard screens projecting at least three feet forward from the light, so as to prevent these lights from being seen across the bow.

ARTICLE 15. If two ships under steam are meeting end on, or nearly end on, so as to involve risk of collision, each shall alter her course to starboard, so that each may pass on the port side of the other.

This Article only applies to cases where ships are meeting end on, or nearly end on, in such a manner as to involve risk of collision, and does not apply to two ships which must, if both keep on their respective courses, pass clear of each other.

The only cases to which it does apply are, when each of the two ships is end on, or nearly end on, to the other; in other words, to cases in which, by day, each ship sees the masts of the other in a line or nearly in a line, with her own; and by night to cases in which each ship is in such a position as to see both the side lights of the other.

It does not apply, by day, to cases in which a ship sees another ahead crossing her own course; or by night, to cases where the red light of one ship is opposed to the red light of the other, or where the green light of one ship is opposed to the green light of the

other, or where a red light without a green light, or a green light without a red light, is seen ahead, or where both green and red lights are seen anywhere but ahead.

And whereas there has been doubt or misapprehension concerning the effect of the said two Articles and whereas the Admiralty and the Board of Trade have jointly recommended to Her Majesty to make the following additions to the said Regulations for the purpose of explaining the said recited Articles and of removing the said doubt or misapprehension.

Now therefore Her Majesty, by virtue of the powers vested in Her by the said Act, and by and with the advice of Her Privy Council, is pleased to direct that, from the date of this Order the Regulations contained in the Schedule to the said Order in Council of the eleventh day of August, one thousand eight hundred and eighty-four, shall be further modified by the addition to the said recited Article three of the provisions contained in the Schedule hereto. *Herbert M. Suft.*

#### SCHEDULE.

(e.) To ensure that the red and green side lights shall show an uniform light from right ahead of the ship to two points abaft the beam on the port and starboard sides respectively, and shall not show across the bow of the ship itself, the said lights must be fixed and the screens fitted so that the rays from the red and green lights shall cross the line of the ship's keel projected ahead of the ship at a reasonable distance ahead of the ship.

With regard to all vessels whose lights are inspected by the officers of the Board of Trade the red or green side light will not be deemed to be fixed and fitted in accordance with the Regulations unless it is so fixed and screened that a line drawn from the outside edge of the wick to the foremost end of the inboard screen of such light shall make an angle of four degrees or as near thereto as may be practicable with a line drawn parallel with the keel of the ship from the outside edge of the wick.

AT the Court at *Osborne House, Isle of Wight*, the 30th day of *January*, 1893.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the three hundred and thirty-third section of "The Merchant Shipping Act, 1854," it is enacted that it shall be lawful for every Pilotage authority, by Bye-law made with the consent of Her Majesty in Council from time to time to do within its district all or any of the things specified in that behalf in the said section:

And whereas the Corporation of the Guild or Brotherhood of Masters and Pilots Seamen of the Trinity House in Kingston-upon-Hull, being a Pilotage authority within the meaning of the said Act, in exercise of the powers vested in them by that Act, made and submitted for the consent of Her Majesty certain Bye-laws and Rates of Pilotage for the Port of Wisbech, which were approved by Order in Council dated the twenty-ninth day of January one thousand eight hundred and eighty-nine:

And whereas it has been deemed expedient by the said Corporation to repeal the said Bye-laws and Rates of Pilotage, and to make new Rates of Pilotage and Bye-laws in lieu thereof, as set forth in the Schedule hereunto annexed:

And whereas it has been made to appear to Her Majesty that the said Rates of Pilotage and Bye-laws are reasonable and proper :

AT the Court at *Osborne House, Isle of Wight*, the 30th day of *January*, 1893.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the forty-sixth section of "The Merchant Shipping Act Amendment Act, 1862," it is enacted, that if any lighthouse, buoy, or beacon is erected, or placed, or re-constructed, repaired, or replaced by any Local Authority having jurisdiction in the matter of lighthouses, buoys, or beacons, Her Majesty may, on the application of the said Local Authority, by Order in Council, fix such dues to be paid to the said Local Authority in respect of every ship which enters the port or harbour under the jurisdiction of such Local Authority, or the estuary wherein such lighthouse, buoy, or beacon is situate, and which passes the said lighthouse, buoy, or beacon, and derives benefit therefrom, as Her Majesty may deem reasonable:

And whereas by the forty-seventh section of the said Act, it is enacted, that Her Majesty may, by Order in Council, and subject to certain conditions, from time to time reduce, alter, or increase all or any of such dues:

And whereas the Corporation of the Trinity House in Kingston-upon-Hull, hereinafter called the Hull Trinity House, being the Local Authority having jurisdiction in the matters hereinafter mentioned, did, previously to the month of November, one thousand eight hundred and sixty-two, erect and exhibit four beacons, each carrying a light, whereof two are on the west side of Whitton Ness, in the parish of Whitton, in the county of Lincoln, and two are on the east side of the said Ness, in the parish of Winteringham, in the said county, and did also place a buoy in the River Humber off Whitton Ness aforesaid:

And whereas by an Order in Council, dated the first day of November, one thousand eight hundred and sixty-two, Her Majesty, in exercise of the powers vested in Her by the said recited Act, was pleased to direct that there should be paid to the Hull Trinity House certain dues in respect of every ship which, being in the River Humber, should pass and derive benefit from the said beacons, lights, and buoy, or any of them:

And whereas previous to the month of February, one thousand eight hundred and seventy-six, the Hull Trinity House had placed and exhibited a floating light in the River Humber off Whitton

Ness in lieu of the said buoy, and had also erected, and were then exhibiting, eight additional beacons; and by an Order in Council, dated the fifth day of February, one thousand eight hundred and seventy-six, Her Majesty, in exercise of the powers vested in Her by the said recited Act, was pleased to direct that the said dues should be paid to the Hull Trinity House in respect of every ship which, being in the River Humber, should pass and derive benefit from the floating light and shore lights enumerated in the Schedule annexed to the said Order, or any of them:

And whereas the Hull Trinity House have placed and exhibited certain additional floating lights in the River Humber above Hull, and have also erected and exhibited certain additional shore lights and beacons, and owing to the shifting nature of the sands and channels of the Humber above Hull, it is requisite from time to time to alter and vary the position of the said lights and beacons, or some of them, and to discontinue others, and exhibit and maintain new and additional lights and beacons, and they have represented that the said dues now payable are inadequate for the maintenance of the floating and shore lights and beacons now maintained by them, and that further provision should be made for the maintenance of the said floating and shore lights and beacons, and have submitted that the dues which are now leviable under the said Order in Council of one thousand eight hundred and seventy-six, should, on and after the date of the present Order in Council, cease to be leviable, and that dues as undermentioned should be leviable in respect of the floating and shore lights and beacons to be from time to time maintained and exhibited by them above Hull (or any of them):

And whereas it has been made to appear to Her Majesty that the application is reasonable and proper:

Now therefore, Her Majesty, upon the application of the Hull Trinity House, and in exercise of the powers vested in Her by the said recited Act, by and with the advice of Her Privy Council, is pleased to direct that there shall be paid to the Hull Trinity House in respect of every ship (whether British or foreign), which, being in the Humber, shall pass or derive benefit from the floating and shore lights and beacons, or any of them, for the time being maintained or exhibited above Hull by the Hull Trinity House (except vessels of Her Majesty's Royal Navy, Government Revenue vessels, vessels belonging to, or used by, the General Lighthouse Authorities, or by the Board of Trade, and vessels when supplied with the ordinary fishing gear, and employed in catching fish, or in carrying to port fresh fish from the fishing grounds) for each time of passing or deriving benefit from such floating and shore lights and beacons, or any of them, if the burthen of such vessel shall be less than twenty tons, the sum of threepence; and if the burthen of such vessel shall amount to or exceed twenty tons, a sum which shall be at the rate of threepence for every entire number of ten tons in the burthen of such vessel, including the first twenty tons.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

“Whereas by the authority of an Order of Your Majesty in Council bearing date the thirty-first day of July in the year one thousand eight hundred and thirty-nine and published in the London Gazette upon the eighth day of October in the same year a part of the parish of Saint Mary Islington in the county and diocese aforesaid was assigned as a chapelry district to the consecrated church of Saint Stephen situate within the limits of such parish and the same chapelry district was called ‘The Saint Stephen's District.’

“And whereas the said chapelry district of Saint Stephen Islington has under the provisions of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four become a new parish of the character contemplated by that Act, and by the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and by the above-mentioned Act of the thirty-second and thirty-third years of Your Majesty chapter ninety-four.

“And whereas it has been represented to us, and it appears to us to be expedient that the boundaries of the said new parish of Saint Stephen Islington should be altered in the manner hereinafter mentioned.

“Now therefore with the consent of the Right Honourable and Right Reverend Frederick Bishop of the said diocese of London (in testimony whereof he has signed and sealed this scheme or representation) we the said Ecclesiastical Commissioners humbly represent recommend and propose that from and after the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme or representation and without any assurance in the law other than such duly gazetted Order the boundaries of the said new parish of Saint Stephen Islington shall be altered so that all that portion of the district parish of Saint Paul Balls Pond which is described in the schedule hereunder written and is delineated and set forth upon the map or plan hereunto appended and is thereon coloured pink shall be annexed to and shall in

future form part of the said new parish of Saint Stephen Islington.

“And we further represent recommend and propose that nothing herein contained shall prevent us from representing recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the hereinbefore mentioned Acts or of any of them or of any other Act of Parliament.

“The SCHEDULE to which the foregoing Scheme or Representation has reference.

“The territory to be annexed to the new parish (sometime chapelry district) of Saint Stephen Islington in the county of Middlesex and in the diocese of London being :—

“All that part of the district parish of Saint Paul Balls Pond in the same county and diocese which is bounded upon the south by the said new parish of Saint Stephen Islington, upon the west partly by the said new parish and partly by the parish of Saint Mary Islington in the county and diocese aforesaid, and upon the remaining sides that is to say upon the north and upon the east by an imaginary line commencing at a point upon the boundary which divides the said parish of Saint Mary Islington from the district parish of Saint Paul Balls Pond aforesaid at or near to the junction of Compton-road with the road called or known as Canonbury-place and extending thence eastward along the middle of the last-mentioned road for a distance of five and a quarter chains or thereabouts to its junction with the road called or known as Alwyne-place and extending thence southward along the middle of the last-mentioned road for a distance of three chains or thereabouts to the boundary which divides the said district parish of Saint Paul Balls Pond from the new parish of Saint Stephen Islington aforesaid.”

And whereas drafts of the said scheme or representation have been transmitted to the patrons and to the incumbents of the cures affected by the arrangements which are contemplated by such scheme or representation and such patrons and incumbents have respectively signified their assent thereto.

And whereas the said scheme or representation has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme or representation and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts, and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of London.

*Herbert M. Suft.*

AT the Court at *Osborne House, Isle of Wight*, the 30th day of *January*, 1893.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two; duly prepared and laid before Her Majesty in Council a representation, bearing date the

seventeenth day of November, in the year one thousand eight hundred and ninety-two, in the words and figures following; that is to say :—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Your Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of Your Majesty, chapter ninety-seven, of the Act of the nineteenth and twentieth years of Your Majesty chapter fifty-five, and of the Act of the thirty-fourth and thirty-fifth years of Your Majesty chapter eighty-two, have prepared, and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Wenefrede, Bickley situate in the township of Bickley in the parish of Malpas in the county of Chester and in the diocese of Chester.

“Whereas at certain extremities of the said parish of Malpas, of the parish of Marbury, in the said county and diocese, and of the parochial chapelry of Wrenbury in the same county and diocese which said extremities lie contiguous one to another, and are described in the schedule hereunder written there is collected together a population which is situate at a distance from the several churches of such parishes and of such parochial chapelry.

“And whereas it appears to us to be expedient that certain contiguous portions (being the portions containing the population aforesaid) of the said parish of Malpas, of the said parish of Marbury, and of the said parochial chapelry of Wrenbury should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Wenefrede Bickley situate as aforesaid.

“Now therefore, with the consent of the Right Reverend Francis John, Bishop of the said diocese of Chester, as such Bishop, with the consents of the Most Honourable George Henry Hugh Marquess of Cholmondeley and of Thomas William Tyrwhitt Drake of Shardloes, Amersham in the county of Buckingham, Esquire as the alternate patrons of the rectory of the said parish of Malpas, with the consent of the Reverend William Henry Egerton the rector or incumbent of the rectory of the parish of Whitchurch situate partly in the county of Salop and partly in the said county of Chester, and as such rector or incumbent the patron of the vicarage of the said parish of Marbury and with the consent of the Reverend William Henry O'Bryen Hodge the vicar or incumbent of the vicarage of the parish of Acton in the said county of Chester, and as such vicar or incumbent the patron of the perpetual curacy of the said parochial chapelry of Wrenbury (in testimony whereof they the said consenting parties have respectively signed and sealed this representation), we, the said Ecclesiastical Commissioners for England, humbly represent, that it would in our opinion, be expedient that all those contiguous portions of the said parish of Malpas, of the said parish of Marbury, and of the said parochial chapelry of Wrenbury which are described in the schedule hereunder written, all which portions, together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Wenefrede, Bickley situate as aforesaid, and that the same should be named ‘The Consolidated Chapelry of Saint Wenefrede, Bickley.’

“We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises

into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Wenefrede Bickley, comprising:—

"I. All that portion of the parish of Malpas in the county of Chester and in the diocese of Chester which is comprised within and is co-extensive with the whole of the township of Cholmondeley and that part of the township of Bickley which is not included within the limits of the new parish of Saint Chad Malpas in the same county and diocese.

"II. **A**T the Court at *Osborne House, Isle of Wight*, the 30th day of *January*, 1893.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifteenth day of December, in the year one thousand eight hundred and ninety-two, in the words and figures following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the consolidated chapelry or new parish of Saint Mary Hook-with-Warsash in the county of Southampton and in the diocese of Winchester, partly out of the new parish of Sarisbury in the said county and diocese and partly out of the parish of Titchfield in the same county and diocese.

“Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said consolidated chapelry or new parish of Saint Mary Hook-with-Warsash of the said new parish of Sarisbury and of the said parish of Titchfield which are hereinafter mentioned and described should be constituted a separate district in manner hereinafter set forth.

“And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

“And whereas Frank Bradshaw of Lifton Park Lifton in the county of Devon, and of Great Abshot in the county of Southampton aforesaid one of Your Majesty's Justices of the Peace and James Buller Bradshaw of Lifton Park aforesaid also one of Your Majesty's Justices of the Peace acting as trustees of the will of the late Mrs. Charlotte Hornby formerly of number 11 Hyde Park-terrace in the county of Middlesex Widow have transferred to us the said Ecclesiastical Commissioners and into our name a certain sum of two pounds fifteen shillings per centum Consolidated Stock in order to provide (inter alia) for the endowment of the said proposed district and for the provision of church and parsonage for the same.

“And whereas we have agreed in conformity with the terms of the said will to set apart out of the said stock a sum sufficient to produce a clear yearly stipend of one hundred and fifty pounds as and for the endowment of the district hereinafter recommended to be constituted and (so soon as the said district shall have become a new parish under the provisions of the hereinbefore mentioned Act) then of the said new parish, and of the maintenance of the minister or incumbent thereof for the time being, the

amount of the dividends as they accrue due upon the said sum of stock so set apart as aforesaid to be paid over from time to time to the minister of the said proposed district when duly licensed thereto in accordance with the provisions of the said hereinbefore mentioned Act and when the same proposed district shall under the provisions of the same Act have become a new parish then to the incumbent of the same new parish.

“And whereas it is intended that out of the balance of the said sum of stock certain sums shall be applied by us towards providing a church for the said district and new parish and a house of residence for the minister or incumbent thereof.

“And whereas the firstly mentioned sum of stock has been transferred as aforesaid upon the understanding and condition that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said district or new parish and of the nomination of the minister or incumbent thereof should be assigned in the manner hereinafter set forth.

“And whereas the said Frank Bradshaw and the said James Buller Bradshaw have nominated to us the Right Reverend Anthony Wilson Bishop of the said diocese of Winchester and his successors as the person or persons to whom they desire that the whole right of patronage and appointment of the minister or incumbent of the said proposed district or new parish should be assigned.

“Now therefore with the consent of the said Anthony Wilson Bishop of the said diocese of Winchester (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said consolidated chapelry or new parish of Saint Mary Hook-with-Warsash of the said new parish of Sarisbury and of the said new parish of Titchfield which are described in the schedule hereunder written, all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed, shall upon and from the day of the date of the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named ‘The District of Lock's Heath’ and shall be endowed with the yearly sum of one hundred and fifty pounds to arise and be payable as aforesaid.

“And we further recommend and propose that the right of patronage of the said district so recommended to be constituted and (when such district shall have become a new parish as aforesaid) then of the said new parish, and of the nomination of the minister or incumbent thereof shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may be exercised from time to time by the said Anthony Wilson, Bishop of the said diocese of Winchester and by his successors bishops of the same diocese for ever.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The district of Lock's Heath being:—

"All those several contiguous portions of the consolidated chapelry or new parish of Saint Mary Hook-with-Warsash, of the new parish of Sarisbury, and of the parish of Titchfield, all in the county of Southampton and in the diocese of Winchester, which are comprised within and are bounded by an imaginary line commencing at a point upon the boundary which divides the said parish of Titchfield from the consolidated chapelry or new parish of Saint Mary Hook-with-Warsash aforesaid at the junction of Brownich-lane with the road which leads from Titchfield past the farmhouse called or known as Great Ireland into Brook-lane, and extending thence; that is to say, from the said point of junction first south-westward then north-westward then westward and then again north-westward along the middle of the last-mentioned road for a distance of two miles and twenty-one chains or thereabouts to the point opposite the farmhouse called or known as Great Brook, where the same road joins Brook-lane aforesaid and extending thence generally north-eastward along the middle of the last-named lane for a distance of one mile and forty-four and a half chains or thereabouts (thereby following in part the boundary which divides the said consolidated chapelry or new parish of Saint Mary Hook-with-Warsash from the new parish of Sarisbury aforesaid) to the point on the western side of Brook Villa where the said Brook-lane joins the road which leads from Southampton to Titchfield and extending thence south-eastward along the middle of the last-mentioned road for a distance of twenty-five chains or thereabouts to a point, at the place called Park Gate at or near to the junction of the said last-mentioned road with the road which leads to Swanwick and Botley, upon the boundary which divides the said new parish of Sarisbury from the parish of Titchfield aforesaid and extending thence first north-westward and then north-eastward along the last-mentioned boundary for a distance of thirty-three and a half chains or thereabouts (thereby following in the first-mentioned direction the north-eastern side of the last-mentioned road) to a point in the middle of the Netley and Fareham Branch Line of the London and South-Western Railway, at a distance of thirteen chains or thereabouts to the east of the centre of the bridge at Swanwick Railway Station which bridge carries the same road over the said branch line of railway, and extending thence south-eastward along the middle of the same branch line of railway for a distance of seventy-six chains or thereabouts to the centre of the bridge which carries Witherbed-lane over the same branch line of railway and extending thence first south-westward and then southward along the middle of the last-named lane for a distance of thirty-six chains or thereabouts to its junction with Segensworth-lane and extending thence north-westward along the middle of the last-named lane for a distance of thirty yards or thereabouts to the point where it crosses the stream or watercourse which flows through the middle of Three Stone Mead Coppice towards Brownich Pond, and extending thence, that is to say, from the last-mentioned road generally southward to and along the middle of the said stream or watercourse for a distance of seventy-seven and a half chains or thereabouts (thereby passing through Three Stone Mead Coppice as aforesaid, Privat Coppice, and Lambert's Coppice) to a point, near the building called or known as Pest House, where the same stream or water-

And whereas drafts of the said scheme have, in accordance with the provisions of the hereinbefore mentioned Act, been transmitted to the patron and to the incumbents of each of the cures out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such patrons and incumbents have respectively signified their assent to such scheme.

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and to the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Winchester.
