**A**T the Court at *Windsor*, the 16th day of *May*, 1893.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen and of the Act of the fourth and fifth years of Her Majesty chapter thirty-nine duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-seventh day of April, in the year one thousand eight hundred and ninety-three, in the words and figures following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Your Majesty's reign intituled ‘An Act to carry into effect with certain modifications the Fourth Report of the Commissioners of Ecclesiastical Duties and Revenues’ and of another Act passed in the session of Parliament held in the fourth and fifth years of Your Majesty's reign intituled ‘An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England’ have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the provision of a site for the erection of new school buildings for the choir school in connection with the Cathedral Church of Ripon.

“Whereas by the firstly recited Act it was enacted that as soon as conveniently might be and by the authority of an Order of Your Majesty in Council ratifying a scheme to be prepared by us such annual sums should be determined upon to be paid and should accordingly be paid by us, as after due enquiry and calculation should give to the dean of every cathedral and collegiate church in England an average annual income of one thousand pounds and to the respective canons of every cathedral church in England an annual average income of five hundred pounds and with regard to the Cathedral Church of Ripon as should also enable the chapter thereof to provide for the efficient performance of all the duties of the said church and for the maintenance of the fabric thereof.

“And whereas by the secondly recited Act it was enacted that notwithstanding such last recited provision it should be lawful to carry such purposes or any of them into effect by any mode of payment contribution augmentation or endowment which might be deemed fit as well as by the modes in such Act specified.

“And whereas Orders of Your Majesty in Council have from time to time been made under the provisions of the said Acts and of ‘The Ecclesiastical Commission Act 1868’ for carrying into effect the purposes aforesaid with reference to the said cathedral church, namely an Order bearing date the fifteenth day of January in the year one thousand eight hundred and forty-two and published in the London Gazette of the twenty-fifth day of February in the same year and an Order bearing date the twenty-seventh day of November in the year one thousand eight hundred and fifty-two and published in the London Gazette on the tenth day of December in the same year and an Order bearing date the thirty-first day of March one thousand eight hundred and seventy and published in the London Gazette on the first day of April in the same year and lastly an Order bearing date the sixth day of August in the year one thousand eight hundred

and seventy-four and published in the London Gazette of the eleventh day of the same month.

“And whereas it has been made to appear to us that the provision made under the authority of the said Orders of Your Majesty in Council for the efficient performance of the duties of the said church is at present insufficient inasmuch as the choir school which is attached to the said church and which it is necessary to maintain for the purpose of educating and training the choristers of the said church cannot be properly and efficiently carried on by reason of the present school buildings being unsuitable and insufficient for their purpose the same being old and dilapidated and of an insanitary character.

“And whereas the said dean and chapter are desirous of erecting new buildings for the choir school on the present site and are prepared to provide the funds needed for that purpose out of monies belonging to them but it is necessary for the provision of suitable and proper school buildings that the site thereof shall include a larger space than the site of the present school buildings.

“And whereas we are in possession of certain houses and premises adjoining to the present school buildings being the houses and premises particularly described in the schedule to this scheme.

“And whereas it is in our opinion expedient that with a view to making provision for the erection of suitable and sufficient buildings for the choir school the said houses and premises should be transferred to and become vested in the said dean and chapter in order that the said houses may be removed and the site thereof be used in connection with the site of the present school buildings for the erection thereon of such new school buildings.

“Now therefore we humbly recommend and propose that we may be authorized to grant and convey to the said dean and chapter without any pecuniary or other consideration the said houses and premises particularly described in the schedule to this scheme with a view to the said dean and chapter erecting new school buildings for the said choir school upon the site thereof and upon the site of the now existing school buildings.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

#### “ SCHEDULE.

“All that close or parcel of land situate in the city of Ripon bounded on the north and east sides by the churchyard of the Cathedral Church of Ripon on the west by property belonging to the Dean and Chapter of Ripon and on the south by High Saint Agnes-gate which said close or parcel of land is divided by Hobler-lane leading from High Saint Agnes-gate to the churchyard aforesaid and is together with the dwelling houses and other buildings thereon now or late in the respective occupations of Samuel Jacob Miss Lumley William Lumley George Kirby and Miss Reynolds.”

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the

London Gazette pursuant to the said Act of the third and fourth years of Her Majesty; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Ripon.

C. L. Peel.

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-seventh day of April, in the year one thousand eight hundred and ninety-three, in the words and figures following, that is to say:—

"And whereas the said Albert Basil Orme Wilberforce has nominated to us the said Ecclesiastical Commissioners himself as the person in whom he desires that the first turn of nomination and appointment of a Minister to serve the said proposed district should be vested, and the said Anthony Bishop of the said diocese of Winchester and his successors Bishops of the same diocese for ever, as the person or persons in whom he the said Albert Basil Orme Wilberforce desires that the second and every succeeding turn of such nomination and appointment should be vested.

"Now therefore with the consent of the said Anthony Bishop of the said diocese of Winchester, in testimony whereof he has signed and sealed this scheme we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that all those portions of the said new parish of Portswood and of the said new parish of Saint Luke Newtown which are described in the schedule hereunder written, and are delineated and set forth upon the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint Barnabas Southampton.'

**A**T the Court at *Windsor*, the 16th day of *May*, 1893.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the Session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that for the protection of the public health the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous

notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish:

And whereas by another Act passed in the session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

And whereas the Right Honourable Herbert Henry Asquith, one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and the Churchwardens of the parish hereinafter mentioned ten days' previous notice of his intention to make such representation, has made a representation stating that he is of opinion that the Order of Her Majesty in Council of the ninth day of September, one thousand eight hundred and eighty-four, in so far as it affects burials in the church and churchyard of the parish of Marton (Poulton-le-Fylde), in the county of Lancaster, should be varied, and that the directions hereinafter set forth should be substituted for those contained in the said Order, in regard to burials in the said church and churchyard:

And whereas Her Majesty was pleased, by Her Order in Council of the fifteenth day of March, one thousand eight hundred and ninety-three, to give notice of such representation, and to order that the same should be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the first day of May, one thousand eight hundred and ninety-three, and such Order has been published in the London Gazette, and copies thereof have been affixed as required by the said first-recited Act:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered:—

That burials be discontinued forthwith and entirely in the parish church of Saint Paul's, Marton (Poulton-le-Fylde), in the county of Lancaster; and also in the churchyard, except as follows:—

(a.) In such vaults and wholly walled graves as are now existing in the churchyard burials may be allowed on condition that every coffin buried therein be separately enclosed by stonework or brickwork properly cemented.

(b.) In such partly walled graves as are now existing in the churchyard, provided that the earth above them can be opened to the depth of five feet without exposing coffins or disturbing human remains, burials may be allowed of so many of the relations of those interred therein at the date of this Order as can be buried at or below that depth.

(c.) In such earthen graves now existing in the churchyard as can be opened to the depth of five feet without exposing coffins or disturbing human remains burials may be allowed of so many of the following relations of those interred therein at the date

of this Order, viz., widows, widowers, and parents as can be buried at or below that depth.

*Go Yo Mai Channel—Sunken Rocks South-westward of Odoke Shima.*

WITH reference to Notice to Mariners, No. 87 of 1890:—

Information has been received from the Japanese Hydrographer of the existence of two sunken rocks south-westward of Odoke Shima, eastern side of Go Yo Mai Channel:—

1. A rock, with a depth of two fathoms on it, and deep water to the south-westward, lies with Cape Noyshaf (Nosapp) Lighthouse bearing W. by N.  $\frac{3}{4}$  N., distant  $1\frac{2}{10}$  miles; and Odoke Shima Summit N.E.  $\frac{3}{4}$  E.

Approximate position, lat.  $43^{\circ} 22' 25'' N.$ , long.  $145^{\circ} 51' 35'' E.$

2. A rock, with a depth of two fathoms on it, and deep water to the south-westward lies about  $1\frac{1}{2}$  cables north-north-west of Rock No. 1; in a position with Cape Noyshaf Lighthouse bearing W. by N.  $\frac{3}{4}$  N., distant  $1\frac{9}{10}$  miles; and Odoke Shima Summit N.E. by E.  $\frac{1}{2}$  E.

NOTE.—The vicinity of the rock reported by the "Mutsu-maru," viz., with Cape Noyshaf Lighthouse bearing N.W. by W.  $\frac{1}{2}$  W., distant  $1\frac{6}{10}$  miles, was searched under favourable conditions by Japanese Surveyors, depths of 15 to 16 fathoms being obtained in the position, with 30 fathoms near, and no indication of a rock in the locality. The rock in this position has consequently been expunged from the Admiralty Charts, as it is believed that the "Mutsu-maru" touched on the above rocks south-westward of Odoke Shima.

*Recent Admiralty Survey of Eastern Part.*

WITH reference to Notice to Mariners No. 649 of 1890, on the wreck of the "Idaho" off Anticosti Island, and to various reports from time to time received, to the effect that dangers extend off the south-east end of Anticosti Island much further than shown on the charts:—

A recent survey, by Staff-Commander W. Tucker, R.N., of the eastern part of the Island, between Table Head and ten miles west of South Point, shows that dangers nowhere extend as far as formerly charted, and that there is none at a greater distance from the coast than  $1\frac{1}{2}$  miles.

During the course of the survey, however, extensive tide rips, and in bad weather overfalls, resembling breakers, were seen off Heath Point, and these overfalls have doubtless given rise to the reports of dangers existing there.

CAUTION.—The attention of Mariners is directed to the great change of variation between Belleisle Strait and the south-east end of Anticosti Island, as there is a difference of  $7^\circ$  between Belleisle and Heath Point. This, if not allowed for, has the tendency of setting vessels towards Anticosti when bound southward through the strait.

Ample warning of approach to the land can be obtained by the lead.

1. A flashing white light of the sixth order, showing a flash every five seconds, will be shown from the new lighthouse on Riso Point, north side of the harbour entrance. It will be elevated 42 feet above the sea, and should be visible in clear weather from a distance of about 8 miles.

The visibility of the two abovementioned lights (5 and 6) will be limited to the outer harbour.

7. A fixed red light will be exhibited on the west coast of St. Andrea Island (north of Fort Mare), which kept in line with Riso Point. Light will indicate the fairway through the outer harbour.

8. Other existing lights will remain unaltered.

ENGLISH CHANNEL APPROACH.—FRANCE—NORTH-WEST COAST.

*Soundings Westward of Ushant.*

THE French Government has recently re-sounded the area westward of Ushant (Ile d'Ouessant). The result, which is now placed upon the Admiralty Charts, is to confirm the conclusion formerly based upon the comparatively scanty soundings which before existed, viz.—that the bottom for many miles westward of the meridian of the outer dangers off Ushant is so generally level, with innumerable local irregularities, as wholly to preclude any attempt to judge the distance from the shore in thick weather by the lead alone.

It is however apparent that a ship bound north, will pass well clear of Ushant, if she takes care, by continued sounding, to keep in greater depths than 60 fathoms, but due allowance must be made for the range of tide, which near Ushant, at springs, exceeds 3 fathoms.

A little over 4 miles north-west of Ushant is a remarkable depression, 7 miles in length in a N.E. by E. and S.W. by W. direction, and  $1\frac{1}{2}$  miles broad, in which the depths are from 70 to 105 fathoms.
