"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act all or any of the said lands and hereditaments so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his or their heirs executors administrators or assigns or otherwise as he or they shall direct or appoint and for such consideration as shall upon due calculation and enquiry appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands tithes rent charges tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.
