

*Salaries Board.* This Board shall consist of the Dean and four other persons to be elected annually at a stated meeting to be held on a day fixed by the Governing Body. Of these four two at least shall be Official Students. If a vacancy occur in the Board by resignation or otherwise, it shall be competent for the Governing Body at an Ordinary Meeting to elect a person to fill the vacant place for the remainder of the year.

#### STATUTE XVI.

8. Official Students shall, except as hereinafter provided, be chosen from those who have held for at least three years Non-Official Studentships and are unmarried.

*These Students shall be appointed by the Governing Body at a Stated Meeting.*

10. The emoluments of the Official Students, as such, shall be the same with those of Non-Official Students already provided for; but, in addition thereto, each such Student shall receive, in respect of the educational or other work to be done by him (subject to the provisions hereinafter contained), a stipend consisting of £100 per annum out of the general revenues of the House, together with a variable sum, to be paid out of the Tuition Fund, which shall depend partly on the length of service and partly on the amount of work required from each Student. Such variable sum shall be determined from time to time by the *Salaries Board* hereinbefore mentioned.

11. Every person appointed to an Official Studentship shall be entitled to hold his Studentship (subject to the provisions for vacating Studentships otherwise than by lapse of time and for deprivation of Students in these Statutes contained) for a period of fifteen years (except as hereinafter provided); but any Official Student may, at any time within two years before the expiration of the period for which he shall have been originally appointed or last previously re-appointed, be re-appointed for any period not exceeding ten years from the expiration of the period for which he was originally appointed, or last previously re-appointed as the case may be, each re-appointment being made by the Governing Body at a Stated Meeting.

13. Every Official Student, who at the time of his appointment shall not be married, shall vacate his Studentship by marriage, if such marriage shall take place within seven years from the day of his appointment. The Censors hereinafter named shall be elected annually by the Governing Body out of the Official Students, and shall reside in College. Every Official Student shall reside in rooms in the House during the usual College Terms, unless the Governing Body at a stated Meeting shall have given him leave to reside elsewhere, within the statutable limits of the University; and there shall always be at least two unmarried Students, being Tutors or Lecturers in the House, besides the two Censors, resident in rooms in the House during the usual College Terms so long as that number is complete, an Official Student vacating his Studentship by marriage shall not be incapable of being appointed to fill the vacancy so created, if the House should desire to retain his services as a Tutor or Lecturer. The seniority of a Student so re-appointed shall be reckoned from the date of such re-appointment; and he shall be entitled to hold his Studentship for such period within the limit of fifteen years from the date of his first appointment to an Official Studentship, as the *Governing Body* at the time of his re-appointment shall determine; after which period he may be re-appointed according to the provisions of Clause 11.

15. In case any Official Student desire to reduce the amount of Educational work done by him, or to be relieved from Educational work altogether, for the purpose of undertaking any definite literary or scientific work (which work shall be specified in the resolution of the Governing Body by which permission is given him), he may obtain the leave of the Governing Body for this purpose. Such leave may be granted upon such conditions as the Governing Body shall think fit to require; and on breach of any such condition he shall be liable to be deprived of his Studentship. The *Salaries Board* shall determine what change shall be made in his Stipend; which Stipend, in the case of a Student relieved altogether from Educational work, shall not exceed £300 a year, including the emoluments of his Studentship.

17. In case any Official Student shall desire by reason of ill-health, or for the purpose of study, or for other sufficient cause approved by the Governing Body, to absent himself or to suspend teaching for a limited period, it shall be lawful for the Governing Body to grant him leave for such purpose, with such reduction of stipend as to the *Salaries Board* shall seem fit.

18. In case any Official Student shall, in the judgment of the *Governing Body*, be incapacitated from performing the duties assigned to him, or conduct himself negligently or improperly therein, the Governing Body shall have power to declare his place vacant, and the same shall thereupon become vacant accordingly. The Governing Body shall have power, if they think fit, to grant to any such Student so removed by them from his place on the ground of his having become incapacitated without culpable negligence or other improper conduct, and also to any such Student who, on the expiration of the original or any subsequent term for which he may have been appointed, shall not be re-appointed, a pension of such amount and for such period of time as the Governing Body shall think fit; but no such pension shall in any case exceed in amount that which he might have received had he retired voluntarily in consequence of ill-health, or otherwise, in the year of such compulsory retirement.

19. Any Student who, having served the House for a period of fifteen years as an Official Student shall be compelled to retire by reason of ill-health, may, by a vote of the Governing Body, receive a pension not exceeding for the fifteen years £200 a year, which may be increased by a sum not exceeding £15 a year for each additional year's service in this class.

22. The Governing Body may, by a vote of a majority of those present and voting at a Meeting specially summoned for the purpose appoint to an Official Studentship, (for a period not exceeding fifteen years,) any person who may be deemed eminently fitted for the educational requirements of the House. (Such person, if unmarried, shall be under such restriction (if any) as regards celibacy as the Governing Body shall determine at the time of his appointment, provided only that such restriction shall not exceed that imposed by Clause 13.) He shall, as far as seniority is concerned, be placed in the same position as he would have held had he been appointed from the Non-Official Students, unless the Governing Body at the time of his appointment shall think fit to confer upon him any other rank, which they shall have power to do; but so as to entitle him to no other than honorary privileges.
