Salisbury Electric Lighting.

(Application to the Board of Trade, under the Electric Lighting Acts, 1882 and 1888, for a Licence to enable the Salisbury Electric Light and Supply Company (Limited) to produce and supply Electricity for public and private purposes, within the City of Salisbury in the County of Wilts; power to construct Works; to make Charges; to acquire Lands, to make arrangements with Local Authorities; to open Streets, and lay Electric Lines; and other purposes.)

NOTICE is hereby given, that application has been made to the Board of Trade by the Salisbury Electric Light and Supply Company (Limited), whose registered address is The Close, Salisbury, and who are hereinafter called "the Undertakers," for a Licence under the Electric Lighting Acts, 1882 and 1888, for all or some of the following purposes (that is to say):—

To authorise the Undertakers, for such period as may be prescribed, to produce, store, supply, and distribute electricity for all public and private purposes as defined by the said Acts, within the area of supply hereinafter mentioned or some part or parts thereof (that is to say)—the whole of the city of Salisbury, as the same is constituted at the commencement of the Licence.

To authorise the Undertakers to place, lay down, erect, maintain, alter, and renew electric lines, mains, and other works, in, under, over, and along all public and private streets, roads, and other places within the area of supply.

The following are the streets and places within which the Undertakers propose to lay electric lines within a specified time, viz.:—Fisherton-street from the London and South Western Railway bridge eastwards, Bridge-street, Silver-street, Butcher-row, High-street,

Minster-street, Blue Boar-row, Castle-street from Blue Boar-row to Chipper-lane, Endless-street from Blue Boar-row to Chipper-lane north side, Winchester-street from Blue Boar-row to the east corner of Rolleston-street, Milford-street from Catharine-street to the corner of Brown-street, the Canal, New-street, Catharine-street, Brown-street from the corner of Winchester-street to the corner of Milford-street, the Close within the Close wall, Saint Ann's-street as far as the borough boundary on the Southampton-road, Saint John-street, Queen-street.

To authorise the Undertakers to purchase, hold, and acquire any lands for the purposes of the said Licence.

To authorise the Undertakers to construct, provide, lay down, alter, renew, and maintain on lands belonging to, or leased by, or to be acquired or leased by, the Undertakers, within the said area of supply, such central and other stations, buildings, and other works for the generation, storage, and supply, and distribution of electricity and electric currents, as may from time to time be necessary for supplying electricity within the said area, or for other purposes of the said Licence, together with all engines, machinery, and apparatus necessary or convenient for the purposes aforesaid.

To authorise the Undertakers to open and break up for the purposes of the said Licence the soil and pavement of all public streets and thoroughfares within the area of supply, together with the private streets and thoroughfares hereinafter set out (within the said area), and to take up, re-lay, divert, or alter sewers, drains, mains, and all pipes therein, and do all such other works as may be necessary to carry into effect the objects of the Licence.

The following is a list of the streets not repairable by a local authority within the proposed area of supply, which the Undertakers propose to take powers to break up, pass over, or interfere with, viz.: The Close within the Close Wall.

To authorise the Undertakers to open and break up, and cross with their electric lines and works, the following railways, viz.: the private railway of the Salisbury Railway, and Market House Company, the Railway of the London and South Western Railway Company, and the Railway of the Great Western Railway Company.

To authorise the Undertakers to acquire and hold patent rights and licences in relation to the manufacture and distribution of electricity, and to manufacture, purchase, hire, sell, and supply meters, lamps, appliances, machinery, and apparatus in relation thereto.

To authorise the Undertakers, and any local authority, body, company, or person, to make and carry into effect agreements for the production and distribution of electricity, and for the performance of all acts incidental to public and private lighting.

To authorise the Undertakers to enter upon any houses or other premises supplied by them for any purpose relating to such supply.

To empower the Undertakers to make charges, and levy and recover rates, rents, and charges for the supply of electricity, and for the use of any machines in connection therewith, and to define and limit the prices to be charged for such supply.

To empower the Undertakers to apply their capital and funds towards the purposes of the Licence.

To exempt the Undertakers from the obligation to supply electricity for public or private purposes in such portion or portions of the area
