*Board of Trade (Harbour Department),  
London, March 1, 1895.*

THE Board of Trade have received, through the Secretary of State for the Colonies, a copy of the following Notices from the Cyprus Gazette:—

No. 2736.—SMALL POX.

Small-pox being reported to have disappeared from Zea and Seriphos (near Syra), His Excellency, the High Commissioner, under the power and authority vested in him by "Infectious Diseases Prevention Ordinance, 1883," has been pleased to direct that the regulations respecting passengers arriving thence published in Gazette No. 460, of the 11th December, 1894, shall be rescinded.

22nd January, 1895.

No. 2739.—SMALL-POX.

In consequence of an outbreak of small-pox at Tripoli (Syria), His Excellency the High Commissioner under the power and authority vested in him by "The Infectious Diseases Prevention Ordinance, 1883," has been pleased to order that all passengers arriving thence will be submitted to the following regulations before being allowed to land in Cyprus:—

Any vessel arriving at any port in Cyprus, except Larnaca, from Tripoli (Syria), with passengers for Cyprus is to be medically inspected before being admitted to pratique and, in the event of there being any case, or suspected case, of small-pox on board, pratique will be refused, and the vessel is to be ordered to proceed to Larnaca, a note to that effect being made on the bill of health, and the Chief Medical Officer is to be at once informed by telegram.

All arrivals at Larnaca from Tripoli (Syria) are to be carefully inspected before being admitted to pratique, and, for further security, all persons wishing to land are to be carefully visited on the end of the pier, in accordance with instructions issued by the Chief Medical Officer.

In the event of any person being found to be affected with small-pox, the said person, with his relations, friends and servants accompanying him, if any, will be isolated in quarantine, and the Chief Medical Officer is to be immediately advised of the fact by telegram.

31st January, 1895.
