FIRST SCHEDULE. OWNERSHIP ELECTORS.

Instructions as to Ownership Electors.

1. The precept according to the form in this schedule will be sent to the overseers of every parish or township by the clerk of the county council on or within seven days before the fifteenth day of April.

2. If there is no corrupt and illegal practices list, the clerk of the county council will omit from the precept and forms all parts relating to it.

3. Where part of a parish or township is situate within and part without the boundary of a county or division of a county or of a parliamentary or municipal borough, each such part of a parish or township is deemed to be a separate parish or township for the purpose of this schedule.

4. Separate precepts must be sent to the overseers of such parish or township, as if that portion of the parish or township which is within the said boundary were a separate parish or township from the portion without the said boundary.

5. The clerk of the county council must add to the precept a note to the effect that any reference in it to the parish or township means only that portion of the parish or township which is situate inside or outside the said boundary, as the case may be, and that the lists for the portion to which the precept refers must be made out separately, as if the portion were a separate parish or township.

6. The clerk of the county council will send to the overseers of every parish or township such number of copies of the ownership portion of the register of parliamentary electors (including the ownership part of the parochial electors list) for the parish or township, as he considers sufficient, and a sufficient number of copies of the corrupt and illegal practices list, if any; and a copy of each of the forms following the precept in this schedule.

7.—(i.) The lists of ownership electors, when revised by the revising barrister, must be printed, and the names numbered and the lists made up in manner directed by the instructions in the second schedule, and, so far as regards parliamentary electors, as part of the lists of parliamentary electors there mentioned.

(ii.) The names of all ownership electors marked by the revising barrister as entitled to vote only as parochial electors must be taken out of the lists of parliamentary electors and printed in the parochial electors list, and the names so printed will form the ownership part of that list, and the list will be so designated.

8. Where there is a registration officer appointed under section four of the County Electors Act, 1888, for any parish or township, the precept will be sent to that officer instead of to the overseers.

9. If the clerk of the county council is in
