South Metropolitan Gas.

(Conversion of Capital Issued and Unissued into Stock Bearing a Uniform Lower Standard Rate of Dividend; Consequent Increase of Nominal Capital; Agreements with Stockholders of Different Classes for Making Uniform their Standard Rate of Dividend; Power to Company to Purchase and Cancel Portion of A Stock; Conversion of Debenture Stock; Purchase of Lands Compulsorily and by Agreement; Provision as to Investments in Capital of the Company by Persons in their Employ and their Representation in the Management and Powers to the Board of Trade in Relation thereto; Alteration of Scale of Voting; Power to Offer New Stock to Gas Consumers at Market Price; Signing of Warrants; Extension of Certain Provisions of Post Office Savings Bank Acts, and of the Acts Relating to Industrial and Provident Societies to and in Relation to Persons in Employ and Holding Stock of or being Depositors with the Company; Amendment and Incorporation of Acts.)

**N**OTICE is hereby given, that the South Metropolitan Gas Company (hereinafter referred to as "the Company") intend to apply to Parliament in the ensuing session for leave to introduce a Bill for the following or some of the following among other purposes (that is to say):—

1. To convert the capital of the Company (other than debenture stock) into a capital of the same or different classes, having a uniform standard rate of dividend of £4 per centum per annum on the nominal value of such converted and consolidated capital (subject to decrease or increase with the increase or decrease of the standard price of gas) or such other standard rate of dividend as may be defined by the Bill or prescribed by Parliament, and to allocate such capital to and among the holders of the different classes of stock and shares, and to secure to them respectively the same amount of dividend in every year, as that to which they would respectively be entitled, in case no such conversion had taken place, or such other dividend as may be agreed on between the said classes, or defined by the Bill, or prescribed by Parliament.

2. To make provision for the surrender and cancellation of the existing stocks, and the certificates therefor, and for the issue to and the acceptance by such holders of the new stock and certificates in exchange for their existing stock certificates.

3. To empower the Company, for the purposes aforesaid or any of them, to increase their nominal capital and substitute an equivalent amount of stock of the same or different classes, and entitled or not to any special right or privilege as to participation in dividend, if and when it exceeds the standard rate, and to allocate such capital accordingly.

4. To enable the Company by agreement with the holders of any stock of the Company to alter the dividends payable thereon, so as to make the dividend on all or any classes of shares and stocks equal, and to confirm any such agreement which may have been or which, during the progress of the Bill, may be entered into.

5. To empower the Company for the purposes aforesaid to purchase for cancellation, and to cancel £2,333 6s. 8d. of their A stock, or such other amount as the Bill may define or Parliament prescribe, and to appropriate out of their reserve fund such a sum as will be necessary to effect such purchase.

6. To convert or provide for the conversion of the existing 5 per cent. debenture stock of the Company into such larger nominal amount of substituted debenture stock entitled to interest or dividend after the rate of £4 per centum per annum (or such other rate as may be defined by the Bill, or prescribed by Parliament) as will yield the same amount of interest or dividend thereon as does the said existing debenture stock, and to provide that the remainder of the authorised but unissued debenture stock shall, after the creation and issue thereof, under the provisions of the Acts whereby it is authorised, be converted into such a nominal amount of substituted debenture stock (entitled to the same rate of interest or dividend as the debenture stock into which the existing stock shall be converted), as to yield to the holders of such substituted debenture stock the same amount of interest or dividend as the debenture stock for which it was substituted, and to make provision for the surrender and cancellation of the certificates of all debenture stock so converted, and the issue to, and acceptance by, the holders of such stock of the substituted debenture stock to be issued in exchange therefor.

7. To empower the Company to purchase compulsorily or by agreement the following lands situate in the parish of St. Alphege, Greenwich, and county of London (that is to say):—

A piece of land belonging or reputed to belong to and in the occupation of the London County Council, bounded on the north by a passage or entry adjoining to and used or occupied with a house known as No. 10, Alpha-place, Ordnance-road, on the south by a roadway leading from Ordnance-road to the entrance gates to the works of the Company, on the east by land belonging or reputed to belong to the Company, and on the west by Ordnance-road aforesaid.

Another piece of land also belonging or reputed to belong to and in the occupation of the London County Council, bounded on the north by the Valve House of the Company, on the south by Blackwall-lane, and on the east and west by other land of or reputed to belong to the London County Council.

8. To make provision either in the Bill or by a scheme to be submitted to and approved by the Board of Trade, with respect to the investment by persons in the employ of the Company in the capital of the Company, and for their representation in or upon the management of the Company, and for prescribing the rights, privileges, conditions, and restrictions under and subject to which such representation shall be given, and to confer on the Board of Trade and the Company all such powers as may be deemed necessary or expedient for effecting the objects aforesaid, or any of them.

9. To alter or provide for the alteration of the scale of voting of proprietors at meetings of the Company.

10. To make provision for the offering to consumers of the gas of the Company, and to persons employed by the Company, of new stock of the Company at the then market price of their existing stock.

11. To authorise the signing of warrants for dividends on the stocks and for interest on the debenture stock of the Company by one director only of the Company.

12. To confer on persons in the employ of the Company, and holding stock of or having deposited money with the Company, the like power to nominate persons to receive such stock

or money as is possessed by depositors in the Post Office Savings Bank, and to confer on the directors of the Company the like powers of transfer and payment of such stock and deposited money as is possessed by the directors or committee of Industrial and Provident Societies and Savings Banks.
