and the Transfer of the Undertaking; the Borrowing of Money; and other Matters.)

NOTICE is hereby given, that the Wallasey Urban District Council (who are hereinafter called the Council, and whose address is the Public Offices, Egremont, Cheshire), have applied to the Board of Trade for a licence (hereinafter called the licence) under the Electric Lighting Acts, 1882 and 1889, for all or some of the following amongst other purposes (that is to say):—

1. To authorize the Council to produce, store, supply, and distribute electricity for public and private purposes as defined by the said Acts within the urban district of Wallasey, in the county of Chester (hereinafter called the area of supply).

2. To enable the Council to purchase, take on lease, and hold lands, or interests, or easements in or over lands, or to appropriate for the purposes of the licence any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works, buildings, and appliances for generating, producing, storing, supplying, and distributing electricity or for other the purposes of the Undertaking, and to empower the Council to sell or dispose of any lands not required for the purposes of the Undertaking.

3. To authorize the Council to open, break up, and interfere with all streets, roads, public places, ways, footpaths, railways, canals, navigable rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph and telephone and other wires within the area of supply, and to lay down, erect, maintain, renew, and remove either above or under ground, or otherwise, electric lines, conductors, mains, pipes, tubes, wires, posts, street or distributing boxes, meters, apparatus, and other works, or things required for the purpose of enabling the Council to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Council as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorize the Council to manufacture, purchase, hire, sell, and let lamps, accumulators, meters, dynamos, fittings, plant, machinery, and other matters or things required for the purposes of the licence, and to acquire, work, and use patent rights for the producing, storing, controlling, distributing, and measuring, or otherwise relating to the supply of electricity.

5. To authorize the Council to take, collect, and recover rates, rents, and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

6. To make provision for the inspection and testing of mains, conductors, and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings, and instruments.

7. To authorize the Council to enter upon any houses, buildings, or lands supplied or proposed to be supplied with electricity for any purposes relating to such supply.

8. To authorize the Council to enter into contracts with companies or persons for the execution and maintenance of works and the supply of electricity, and to relieve the Council from the consequences of any acts or defaults of any such contractors, and to empower the Council to transfer to companies or persons all or some of their powers, duties, liabilities, and works for
