Collection and Application of Pilotage. Daily returns of Pilotage.

27. Every Pilot shall make daily returns, on forms to be prescribed by and furnished at the office of the Pilot Master, of the vessels piloted, docked, undocked, moved or in any way transported or attended by him, showing the amount of earnings of every description earned each day by every Pilot. Such returns shall be made by each Pilot to the Pilot Master at his office, and in default of his so doing or paying over such pilotage dues as by the 28th of these Bye-laws he is authorized to receive, he shall in each case be subject to a deduction from his share of pilotage of a sum not exceeding ten shillings, and be liable to have his licence withdrawn or suspended.

Pilots not themselves to receive pilotage.

28. Every Pilot is prohibited from receiving from any owner, consignee, agent, or master, any pilotage dues or earnings of any description, excepting only when there is no owner, consignee, or agent of the vessel piloted resident or carrying on business in either of the Ports of Hartlepool or West Hartlepool. In any such case the Pilot receiving the dues or earnings shall forthwith pay over such dues, without deduction, to the Collector or such other official and at such place and time as the Commissioners may from time to time direct.

Orders for payment of pilotage.

29. Every Pilot earning any pilotage dues or earnings of any description, shall on completion of his services, tender for signature to the master or other person in charge of the vessel, a form of order on the owner, consignee, or agent at either of the Ports of Hartlepool or West Hartlepool, for payment of the pilotage dues earned, to be in such order specified, and shall forthwith on receipt of such order deliver the same to the Pilot Master at his office, 20, Dukerstreet, Hartlepool, or at such office and place as the Commissioners shall from time to time prescribe. In no case shall Pilots deliver their pilotage orders at the Pilot Master's office later than the day after vessels have been taken to sea, and every Pilot failing to do so, without sufficient reason, shall be reported by the Pilot Master to the Commissioners, and in each such instance the pilotage shall be retained until the Commissioners have given their decision thereon.

All owners, consignees, and agents at either of the ports of Hartlepool or West Hartlepool, of vessels piloted in the Hartlepoons' pilotage district, are hereby required to pay all pilotage dues of every description to the Commissioners' Collector for the time being and not to any Pilot. This Bye-law is not to be construed to abridge or affect the liability of owners, masters, consignees or agents to pay pilotage dues as prescribed by the Merchant Shipping Act, 1894, and is intended to provide for payment of pilotage dues to the Commissioners' Collector instead of to the Pilots as heretofore.

Deductions from Pilotage Dues.

31. From the gross amount of pilotage dues and earnings received by the Commissioners, there shall from time to time be deducted: (one) the contributions of Pilots under the fifty-seventh Bye-law; and (two) the cost of collection of earnings of all the Pilots. subject to subsequent quarterly or other adjustment, and it shall not be open to any Pilot to recover from the Commissioners any deduction made from the gross pilotage earnings by virtue of this or any other Bye-law.

Division of net Earnings.

32. The net amount of all pilotage earnings of every description received by the Commissioners shall, after the deductions mentioned or referred to in the thirty-first Bye-law, be divided between the Pilots earning such pilotage, in proportion to the amount of pilotage earned by each Pilot. The division of such net pilotage shall take place as nearly as may be weekly, or more frequently at the discretion of the Commissioners, and the decision of the Commissioners as to the share of any Pilot on any such division shall be conclusive.

Every pilot shall provide himself with a red and white flag three feet long and two feet wide whereof the upper half is white and the lower half is red, and each Pilot on taking charge of any vessel shall cause his flag to be hoisted on board such vessel not less than twenty feet above the deck, at the gaff end under the ensign or wherever it may be best seen (except on the foremast), and he shall keep his flag continually flying until he leaves the vessel. This applies to all vessels, whether outward or inward bound, at sea or in port, under weigh or at anchor, and under all circumstances, so long as a Pilot is in charge. 36. If any Pilot shall, under special circumstances, have to go off to board any Ship or Vessel in any other manner than in his pilot coble, he shall, if practicable, first obtain the consent of the Pilot Master, but in all cases he must exhibit his proper pilot flag in some conspicuous place on board of the steamer or other craft in which he may go off.

C. L. Peel.

AT the Court at *Windsor*, the 13th day of *May*, 1896.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter seventy-seven, and of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven duly prepared and laid before Her Majesty in Council a scheme bearing date the fifth day of March in the year one thousand eight hundred and ninety-six in the words following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Your Majesty, chapter seventy-seven, and of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, have prepared and now humbly lay before Your Majesty in Council the following scheme relative to the augmentation of the endowment of the College of Saint David at Lampeter in the county of Cardigan for the amending two Orders of Your Majesty in Council one bearing date the twenty-seventh day of July in the year one thousand eight hundred and sixty-three and published in the London Gazette on the twenty-eighth day of the same month and year, and the other bearing date the tenth day of June in the year one thousand eight hundred and sixty-four, and published in the London Gazette on the eleventh day of the same month and year.

“Whereas it was provided by the schemes confirmed and ratified by the said Orders that there should be five Professorships in the said College besides the Phillips Professorship therein mentioned, and that one of the said Professorships should be held by the Principal of the said College and another by the Vice-Principal of the said College, and that the scale of emoluments of the said Principal should be eight hundred pounds with a house, of the Vice-Principal should be six hundred pounds with a house, and as regards the other Professors, other than the Phillips Professor, should be three hundred and fifty pounds, two hundred and fifty pounds, and two hundred and fifty pounds, and that, if possible, houses and apartments should be provided for two of the said Professors, and that two-thirds of the emoluments of the said five Professors should be provided from the permanent endowment of the said College, and that the payment of fifteen hundred pounds per annum in the said Orders mentioned as payable by us, the said Ecclesiastical Commissioners, should begin upon authority being conferred by Your Majesty's Charter upon the said College to accept the said endowment, subject to

its being applied to the purposes and in manner provided by the said schemes.

“And whereas the said charter was granted by Your Majesty on the thirty-first day of January in the twenty-eighth year of Your Majesty's reign, and the said annual payment has since been and continues to be paid.

“And whereas the Principal, Tutors, and Professors of Saint David's College in the county of Cardigan, in the Principality of Wales (being the corporate body established by Your Majesty's Predecessor the late King George the Fourth for the purposes of the said college) and the Visitor of the College the Right Reverend Father in God William Basil by Divine permission Lord Bishop of Saint David's are about to or have petitioned Your Majesty for a supplemental charter for the said College whereby it is proposed upon the next vacancy in the office held by the Senior Tutor of the College who is under the College charters ex-officio Vice-Principal of the College, to abolish such Vice-Principalship and to take advantage of the occasion in the interests of the education at the said College to alter the said scale of emoluments in manner hereinafter proposed and to establish a lectureship in theology.

“And whereas it is desirable to facilitate, as our inquiries have shown us, the carrying out the said proposals.

“Now therefore we humbly recommend and propose that in case such charter as aforesaid is granted by Your Majesty and the said Vice-Principalship is abolished upon such next vacancy as aforesaid, the said scale of emoluments shall be revised as follows:—The successor in the Tutorship held by the present Vice-Principal shall receive a salary of three hundred pounds instead of six hundred pounds as provided by the said scheme, and fifty pounds per annum shall be added to the salaries of the two Professors receiving two hundred and fifty pounds per annum respectively, and for the future such Professors and their successors shall receive three hundred pounds per annum each instead of two hundred and fifty pounds, the said Lecturer in Theology shall upon such vacancy as aforesaid be appointed, and he and his successors shall receive two hundred pounds per annum until the next vacancy in the office of the Professorship in respect of which the salary is under the said Orders in Council three hundred and fifty pounds per annum, and thenceforth the Lecturer in Theology for the time being shall receive two hundred and fifty pounds per annum, and the successors of such last-mentioned Professor shall receive three hundred pounds per annum instead of three hundred and fifty pounds per annum, that two-thirds of the salaries of the said five Professors (that is those other than the Phillips Professor) namely three hundred pounds per annum each, and of the said Lecturer in Theology namely two hundred and fifty pounds per annum, shall be provided from the permanent endowment of the College, and one-third of such salaries from the surplus fees in the said Orders referred to, that the successors in office of the said Senior Tutor (the present Vice-Principal) shall hold one of the said five Professorships in lieu of the Vice-Principal, and in all other respects the said Orders shall be and continue in full force and operation.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the endowment of the said College of Saint David Lampeter in accordance with the provisions of the said Acts, or of any other Act of Parliament and particularly the substitution

of any real estate for such yearly payment by us as aforesaid."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of St. David's.

C. L. Peel.

AT the Court at Windsor, the 13th day of May, 1896.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her Majesty, chapter forty-nine; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, and of the Act of the fifty-fifth and fifty-sixth years of Her Majesty chapter one hundred and forty-two (Local) and known as "The Saint Simon and Saint Jude's Church Anfield Act 1892" duly prepared and laid before Her Majesty in Council a representation, bearing date the fifth day of March, in the year one thousand eight hundred and ninety-six, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third chapter one hundred and thirty-four; of the Act of the second and third years of Your Majesty chapter forty-nine; of the Act of the nineteenth and twentieth years of Your Majesty chapter fifty-five; and of the Act of the fifty-fifth and fifty-sixth years of Your Majesty, chapter one hundred and forty-two (Local) and known as the Saint Simon and Saint Jude's Church Anfield Act 1892, have prepared and now humbly lay before Your Majesty in Council the following representation as to the assignment of a district chapelry to the consecrated church of Saint Simon and Saint Jude, Anfield, situate within the limits of the parish of Walton-on-the-Hill in the county of Lancaster and in the diocese of Liverpool.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint Simon and Saint Jude, Anfield, situate as aforesaid.

"Now therefore with the consent of the Right Reverend John Charles, Bishop of the said diocese of Liverpool (testified by his having signed and sealed this representation) we, the said Ecclesiastical Commissioners, humbly represent that it would in our opinion be expedient that all that part of the said parish of Walton-on-the-Hill which is described in the schedule hereunder written, all which part together with the boundaries thereof is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church of Saint Simon and Saint Jude, Anfield situate as aforesaid, and that the same should be named 'The District Chapelry of Saint Simon and Saint Jude, Anfield.'

"And with the like consent of the said John Charles Bishop of the said diocese of Liverpool (testified as aforesaid) we the said Ecclesiastical Commissioners, further represent that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churching, and burials should be solemnized or performed at the said church of Saint Simon and Saint Jude, Anfield, situate as aforesaid, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint Simon and Saint Jude, Anfield, being:—

"All that part of the parish of Walton-on-the-Hill in the county of Lancaster and in the diocese of Liverpool within which part the present rector of such parish now possesses the exclusive cure of souls and which is bounded upon the south-east by the new parish of the Holy Trinity, Walton Breck, upon the south-west partly by the new parish of Saint Saviour Everton, partly by the new parish of Saint Cuthbert, Everton and partly by the new parish of Saint Chad, Everton; upon the west by the new parish of Saint Mary Kirkdale, all which said new parishes are situate within the county and diocese aforesaid, and upon the remaining sides that is to say upon the north and upon the north-east by an imaginary line commencing upon the boundary which divides the said new parish of Saint Mary Kirkdale from the parish of Walton-on-the-Hill aforesaid at a point on the western side of Walton-lane at its junction with Spellow-lane and with Mere-lane opposite to the north-western corner of Stanley Park and extending thence eastward to and along the middle of the last-named lane for a distance of fourteen chains or thereabouts (thereby passing along the north side of the said park) to the junction of the same lane with the road formerly called or known as Priory-lane and now known as Priory-road, Anfield, and extending thence south-eastward along the middle of the last-named road for a distance of sixty chains or thereabouts (thereby passing in part along the north-eastern side of the same park) to a point at the junction of the said road with Thurston-road upon the boundary which divides the said parish of Walton-on-the-Hill from the new parish of the Holy Trinity, Walton Breck aforesaid."

And whereas the said representation has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Liverpool.

C. L. Peel.

AT the Court at *Windsor*, the 13th day of *May*, 1896.

“Whereas by the authority of an Order of Your Majesty in Council bearing date the twenty-sixth day of August in the year one thousand eight hundred and eighty-one and published in the London Gazette upon the sixth day of September in the same year ratifying a scheme prepared by us the said Ecclesiastical Commissioners under the provisions of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four a certain part of the parish of Sunbury in the county and diocese aforesaid was constituted a separate district for spiritual purposes and the same was called ‘The District of Saint Saviour, Upper Sunbury.’

STATUTES to amend the Statutes made by the Principal and Fellows of Hertford College in the University of Oxford under the "Hertford College Act 1874" and approved by the Queen in Council the seventeenth day of March one thousand eight hundred and seventy-five in relation to the said College, duly made at a General Meeting of the Principal and Fellows, specially summoned for this purpose, held the twenty-first day of March one thousand eight hundred and ninety-six, and passed at such meeting by the votes of not less than two-thirds of the persons present and voting, that is to say, by the votes of ten out of eleven persons present and voting, and submitted to Her Majesty the Queen in Council.

Whereas by Statute thirty-one of the Statutes made by the Principal and Fellows of Hertford College in the University of Oxford under the "Hertford College Act 1874" and approved by the Queen in Council the seventeenth day of March one thousand eight hundred and seventy-five in relation to the said College it was enacted as follows:—

"31. Fellows and Honorary Fellows respectively shall *inter se* take seniority according to the date of their election."

And whereas the Principal and Fellows are of

opinion that it is desirable to amend the said Statute in manner hereinafter appearing and after the said Statute to insert certain other Statutes hereinafter set out.

We the Principal and Fellows of the said College, being the Governing Body thereof, do hereby in exercise of the powers given to us by the fifty-fourth section of the "Universities of Oxford and Cambridge Act 1877," alter the thirty-first Statute of the said Statutes by substituting for the Statute as hereinbefore set out the following Statute:—

"31. Fellows and Honorary Fellows respectively shall *inter se* take seniority according to the date of their election, provided that a Fellow vacating a Fellowship, and within six months being re-elected thereto or elected to another Fellowship, shall retain the same seniority as he had before such vacation."

And we the said Principal and Fellows of the said College, being the Governing Body thereof, do hereby in exercise of the aforesaid powers make and insert after the thirty-first Statute of the said Statutes the following seven Statutes:—

"31a. If, in case of any vacancy in any of the five Fellowships mentioned in Statute sixteen, it shall be determined in accordance with the provisions of Statute nineteen to elect a person to such vacant Fellowship without examination, such determination may extend to declare such Fellowship an Official Fellowship, and the person elected thereto shall be an Official Fellow. A Fellowship having been declared an Official Fellowship shall continue to be such only so long as the Official Fellow so elected thereto shall by election, or re-election as hereinafter provided, continue to hold the same; but it may again be declared an Official Fellowship.

"31b. Only a person holding one or more of the following offices of the College, viz.: Tutor, Lecturer, Dean, Bursar, and Chaplain, shall be qualified to be elected or re-elected to an Official Fellowship, and, subject to Statute 31d, an Official Fellowship shall only be tenable in conjunction with one or more of the said offices of the College.

"31c. An Official Fellow shall in the first instance be elected for such term, not exceeding seven years, as may be fixed in each case by the resolution declaring the Fellowship to be an Official Fellowship, but he may on the expiration of his original or any subsequent term be re-elected thereto without examination by an ordinary resolution of the Governing Body, at a meeting convened after notice, for such further term, not exceeding seven years, from the expiration of his last preceding term as the Governing Body shall in each case determine. Unless the Governing Body shall otherwise determine, a re-elected Official Fellow shall be admitted without probation, and shall also be entitled to the emoluments of the Official Fellowship in respect of any period which may elapse between the expiration of his preceding term and his re-election, and his re-election shall for all purposes be deemed to take effect immediately from the expiration of his preceding term.

"31d. In the case of any person about to be elected or re-elected to or holding an Official Fellowship, two-thirds of the total number of the Governing Body other than the Principal, at a meeting convened after notice, may with the consent of the Principal resolve that, in the event of such person continuing to hold such Official Fellowship by election or re-election until he shall have completed such a total period of service in one or more of the said offices of the College, including service before his election to an Official

Fellowship, as shall be fixed by such resolution, not being in any case less than twenty-one years, he shall upon the expiration of such period become entitled to hold such Official Fellowship during the residue of his life, notwithstanding that he may thereafter cease to hold any of the said Offices of the College; and in such case the Official Fellow shall in the event aforesaid become entitled accordingly: provided that no such resolution shall be passed until the person referred to therein shall have already completed at least ten years of such service, including service before his election to an Official Fellowship.

"31e. Whenever the period of service necessary to entitle an Official Fellow to retain his Official Fellowship for life shall have been fixed at upwards of twenty-one years, such period may from time to time be reduced by such a resolution of the Governing Body as is mentioned in the last preceding Statute; but so that in no case shall it be reduced below twenty-one years.

"31f. Notwithstanding anything contained in any other of the Statutes, married as well as unmarried persons may be elected or re-elected to and hold Official Fellowships; and marriage shall not vacate an Official Fellowship unless such marriage shall take place without the previous consent of the Governing Body and also before the Official Fellow shall have become entitled to retain his Official Fellowship for life. Subject to such modification in the case of marriage an Official Fellowship, whether held for a term of years or for life, shall be vacated in like manner in all respects as an ordinary Fellowship and in addition thereto an Official Fellowship shall be vacated if at any time before the Official Fellow shall have become entitled to retain his Official Fellowship for life he shall by retirement, removal, or otherwise, cease to hold any of the said Offices of the College.

"31g. The number of Official Fellows shall not exceed three at any one time."

(3.) At every Annual General Meeting under Statute 5 whenever there shall be any vacancy or vacancies to be filled up among the Elected Members of the Governing Body the Master or any Fellow present may nominate to fill such vacancy or vacancies any Fellow or Fellows not for the time being already a member or members of the first or second class who shall by writing under his or their hand or hands to be delivered contemporaneously with the nomination to the Chairman of the Meeting have signified his or their consent to act. If no more Fellows be so nominated than shall be sufficient to fill the vacancies then all the Fellows so nominated shall be treated as elected and become thereupon members accordingly. The nominee or nominees who shall obtain the greatest number of votes shall be deemed to be elected. As between persons obtaining the same number of votes the election shall be decided by the casting vote of the Chairman of the

Meeting: Each Member elected as aforesaid shall thereupon become a Member of the Governing Body and shall (subject as hereinafter provided) retain office by virtue of that election until the second annual General Meeting after that at which he shall have been re-nominated and no longer but he shall then be re-eligible.

(4.) If and whenever any vacancy among the Elected Members of the Governing Body shall by reason of insufficiency of nominations or otherwise not be filled up as hereinbefore provided at the annual General Meeting at which it ought to be filled up as aforesaid and also if and whenever in the interval between two consecutive annual General Meetings any casual vacancy among the Elected Members of the Governing Body shall occur it shall be the duty of the Master by written notice to all the Fellows to summon all the Fellows to a Meeting to Elect a Member of the Governing Body. The election shall be made in the same manner as at the Annual General Meeting. Every Fellow so appointed shall thereupon *ipso facto* become an Elected Member of the Governing Body whether he be willing to act or not but he shall retain office by virtue of such appointment until the next following annual General Meeting and no longer but he shall then be re-eligible.

(5.) If any Elected Member of the Governing Body shall during his tenure of office as such become a resident Fellow who would under the foregoing provisions be as such a member of the Governing Body he shall thereupon *ipso facto* cease to be an Elected Member.

(6.) It shall not be competent to any member of the Governing Body other than a member of the first class to resign his office except with the permission of the Governing Body.

(7.) The Governing Body shall be competent to act as such notwithstanding that the number of its members other than the Master shall for the time being be less than twelve.

(8.) For the purposes of the foregoing provisions the following persons and no others shall be deemed to be "resident Fellows," viz.:

At the commencement of each academical year and on or before the fifth day of October in that year the Registrar shall prepare and send to the Master and each of the Fellows a list (subject to settlement by the Governing Body) of the resident Fellows for the ensuing year and that list shall be submitted for revision and approval to the College Meeting next after that day of which Meeting at least ten days' notice shall be given to the Master and each of the Fellows; and any Fellow claiming to be a resident Fellow shall be at liberty to attend the Meeting during the settle-

The list shall be settled with such alterations (if any) as shall be thought right by the Governing Body at that meeting and as so settled shall be entered on the Gesta of the Meeting and shall be final and conclusive on all parties. Every such list when finally settled shall remain in force until the corresponding list for the following year shall have been settled; and so long as any such list shall be in force no Fellow whose name is not settled on it shall be deemed for the purposes aforesaid a resident Fellow.

(5.) The Master shall cause written notice to be given (so far as practicable) to every Member of the Governing Body at least four days before any such Meeting of all business to be transacted at the same. If any matter of business (other than an election or an appointment which cannot properly be postponed) of which such notice shall not have been given shall be brought forward at any such Meeting it shall be competent for any three of the Members of the Governing Body present to defer the decision on the same to the next ordinary College Meeting.

At least four days' written notice specifying the objects of the Meeting of every extraordinary College Meeting shall be given to each Member of the Governing Body other than the person or persons convening the Meeting and no business not so specified shall be transacted at the Meeting.

STATUTE 5.

(5.) No such proposition however shall be brought forward at any such meeting unless at least three weeks' written notice signed by at least three Fellows of the intention to bring it forward shall have been previously given to the Master. It shall moreover be the duty of the Master forthwith after receiving any such notice to cause it to be communicated in writing to each of the Fellows other than those who shall have signed it. If however there shall be at any such Meeting such a provisional vote in favour of any proposition either original or amended the Governing Body shall at the next succeeding ordinary College Meeting take into consideration

the proposition so affirmed and shall forthwith thereafter caused to be communicated to each Fellow the result of its deliberations in that respect; and if such result shall not be the adoption by the Governing Body of that proposition in its integrity then the Master shall on a requisition in writing signed by not less than eight of the Fellows and made to him within fourteen days after such communication shall have been made to all the Fellows summon by at least eight days' written notice and for a day not more remote than fifteen days after receipt of the requisition a second General Meeting in the College of the Master and all the Fellows to reconsider the proposition; and if the Master shall refuse or neglect so to do then any eight of the Fellows may at any time within fourteen days after the Master shall have made default in that respect themselves by a like notice summon the Meeting for some day not later than one calendar month after such default.

(6.) At such second General Meeting the proposition (original or amended) affirmed at the first Meeting shall after such discussion of the same as shall then take place be again put to the vote in its integrity and without any alteration or amendment and if it shall be then carried by a majority of at least two-thirds of the persons present at the Meeting when the voting takes place it shall thereupon provided it does not contravene any of the College Statutes become and be binding on the Governing Body and be conforming to by them accordingly.

(7.) The Governing Body shall have power to summon other General Meetings of the Master and all the Fellows whenever they deem it necessary or expedient so to do. It shall be the duty of the Master on a requisition in writing made to him and signed by not less than eight of the Fellows to summon a General Meeting: Not less than fifteen days' notice of every such Meeting shall be given to the Master and every Fellow specifying the business for the transaction of which such Meeting is summoned; and the business so specified and no other shall be transacted at such Meeting.

On making this declaration he shall become Master of the College. If he wilfully neglect to make it and persist in such neglect for a period of thirty days his election or appointment shall thereupon become void.
