

confirmed by Parliament in the next Session, pursuant to the Gas and Waterworks Facilities Act, 1870, for the following purposes, viz. :—

To empower the Undertakers to make and maintain the following works in the county of Sussex :—

- (1) A well and pumping station with pumping engines, engine and boiler houses, tanks, adits, borings, and other works, buildings and conveniences, to be situated on a piece of land in the parish of Steyning, situate between Newham-lane and Steyning Bostal-road.
- (2) A service reservoir or tank, to be situated in the same parish on a piece of land abutting upon the northern side of the Bostal-road 6 chains or thereabouts north-eastward of the Lime Kilns.
- (3) A conduit or pumping main (No. 1), in the said parish of Steyning, commencing at the said well and pumping station, and terminating in the service reservoir or tank before described.
- (4) A conduit or line of pipes (No. 2) commencing at the said service reservoir or tank, thence passing along and under Bostal-road and the Bramber and Upper Beeding-road, in the parishes of Steyning, Bramber, and Upper Beeding, and terminating in the last mentioned road at or opposite the Rising Sun Public House.
- (5) A conduit or line of pipes (No. 3) wholly in the parish of Steyning commencing by a junction with the conduit or line of pipes No. 2 lastly before described at or near the intersection of the Bostal-road by the Bramber-road thence passing along and under High-street, Steyning, and terminating in that street at or opposite the George Inn.

All necessary excavations, drains, pipes of distribution and other pipes, culverts, valves, and other works, conveniences and appliances connected with or incidental to the conduits or lines of pipes before described and the supply of water to the town and parish of Steyning and the parishes and places of Bramber and Upper Beeding, in the county of Sussex.

The intended Order will confer upon the Undertakers all necessary powers for the purposes aforesaid, and also power to purchase and hold land, and easements in or over land, and to supply water within the said town, parishes, and places, and to levy rates, rents, and charges in respect of the supply of water, and to lay pipes in, over, or under, and to cross, break up, and alter public and private roads, highways, streets, pavements, bridges, culverts, sewers, drains, public places, pipes, streams, and watercourses within the said town and parishes.

To deviate laterally from the lines of the intended works to any extent within the limits of deviation defined on the plans to be deposited as hereinafter provided and vertically from the levels thereof.

To acquire by agreement and hold lands and hereditaments for the purposes of the aforesaid waterworks, and from time to time sell and dispose of any surplus lands.

To authorise contracts and agreements between the Undertakers and any county or district council, highway board, local or sanitary authority, companies, bodies, and persons within the limits of the Order for a supply of water for any purposes whatsoever.

The Order will for the purposes thereof in-

corporate all or some of the provisions of the Lands Clauses Acts (except with respect to the purchase and taking of lands otherwise than by agreement), and the Waterworks Clauses Acts, 1847 and 1863, and it will confer upon the Undertakers the powers mentioned or referred to in the Gas and Waterworks Facilities Act, 1870, and vary or extinguish all rights and privileges which will or may interfere with any of its objects and confer other rights and privileges.

On or before the 30th day of November, 1896, a copy of this advertisement and plans and sections of the proposed waterworks will be deposited for public inspection with the Clerk of the Peace for the county of Sussex, at his office at Lewes, and at the Board of Trade, Whitehall, London.

Printed copies of the draft Provisional Order when deposited at the Board of Trade on and after 23rd December next, and printed copies of the Order when settled and made by the Board of Trade, may be obtained at the offices of the undersigned Solicitor and Parliamentary Agents at the price of one shilling each copy.

Every company, corporation, or person desirous of making any representation to the Board of Trade, or bringing before them any objection respecting the application for the Order, may do so by letter addressed to the Assistant Secretary, Railway Department, Board of Trade, on or before the 15th day of January, 1897, and a copy of each such representation or objection must at the same time be sent to the undersigned Parliamentary Agents on behalf of the promoters and the objectors, or their Agent, must inform the Board of Trade that a copy has been so sent.

Dated this 10th day of November, 1896.

G. A. FLOWERS, Steyning, Solicitor.

W. and W. M. BELL, 27, Great George-street, Westminster, Parliamentary Agents.

In Parliament.—Session 1897.

Saint Neot's Water.

(Incorporation of Company; Construction of Waterworks; Limits of Supply; Compulsory Purchase of Lands; Water Rights, Easements; Provisions as to Supply and Fittings; Power to levy Rates, Rents, and Charges; Agreements with Local and Sanitary Authorities, Public Bodies, and others; Incorporation and Amendment of Acts, and other purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next Session for an Act for all or some of the following purposes, that is to say :—

To incorporate a Company (hereinafter referred to as "the Company") and to authorize the Company to construct waterworks, and to supply water for all purposes within the parishes and districts of Saint Neot's and Eynesbury in the county of Huntingdon, and Eaton Socon in the county of Bedford.

To authorize the Company to make and maintain all or some of the works hereinafter described, wholly in the county of Huntingdon, that is to say :—

1. A well or wells, and pumping station, to be situate in a field adjoining the River Ouse, and numbered 102 on the $\frac{1}{2500}$ Ordnance Map of the parish of Eynesbury.
2. A well or wells, and pumping station, to be situate in the north-east corner of a field lying on the west side of the public road leading from Eynesbury to Little Barford, and numbered 97 on the said Ordnance Map.
