

3. A reservoir to be situate in a field lying on the east of the public road leading from Eynesbury to Potton, and numbered 224 on the said Ordnance Map.
4. A conduit or line of pipes, commencing in the Well (No. 2), and terminating in the reservoir hereinbefore described.
5. A conduit or line of pipes, commencing in the Well (No. 1), and terminating by a junction with the conduit last described within the intended Work (No. 2).

To authorize the Company to deviate from the lines and levels of the intended works shown on the plans and sections to be deposited as herein-after mentioned, to such extent as may be shown on the said plans and sections or be prescribed by the intended Act.

To enable the Company from time to time to make and maintain all such cuts, channels, aqueducts, culverts, tunnels, drifts, adits, wells, shafts, pilot shafts, bores, drains, sluices, overflows, waste water channels, weirs, stand-pipes, filter-beds, water towers, tanks, banks, walls, tramways, approaches, engines, machinery, electric apparatus, and appliances as may be necessary or convenient in connection with the before-mentioned works, or any of them, or for the obtaining, raising, taking, and distributing of water.

To enable the Company to collect, impound, take, use, divert, and appropriate, in and for the purposes of the intended works and of their undertaking, all such streams, springs and waters as will or may be intercepted or taken by the intended works, or as may be found in or under any of the lands for the time being belonging to the Company, or over or in respect of which they may acquire easements.

To enable the Company to purchase and take by compulsion or agreement, and to take leases of and to hold lands, buildings, waters, wells, springs, streams, easements and rights of water, and other rights, easements, and hereditaments in or near the before-mentioned parish of Eynesbury, for the purposes of the intended works, including the protection of the water supply, and of the intended Act, and to vary or extinguish all rights over any such lands and properties, and to sell and dispose of lands and buildings.

To authorize the Company to lay down, maintain, alter, repair, take up and renew mains, pipes, culverts and other works for the distribution and supply of water to and within their limits of water supply, and to open, break up, cross, divert, alter, or stop up, whether temporarily or permanently, all such roads, highways, streets, pipes, sewers, canals, navigations, rivers, streams, bridges, railways and tramways as it may be necessary or convenient to pass along, cross, divert, alter or stop up for the purposes of the Company for or in connection with the supply of water or of the intended Act.

To make provision for or with respect to the waste, misuse and undue consumption or contamination of the water to be supplied by the Company, and as to the fittings to be used for the purposes of such supply, and for the protection of the works, fittings, property and water supply of the Company, and for defining and regulating such supply, and for preventing frauds and abuses in the use of the water, and to empower the Company from time to time to make, vary and rescind bye-laws, rules and regulations, for or with respect to such matters, and to impose or recover penalties for the breach or non-observance of any such bye-laws, rules or regulations, or any of the provisions of the intended Act, and to empower the Company and their officers to

enter any premises for the time being supplied with water by the Company; or in which any pipes or fittings for such supply are situate, and to repair, replace or remove any such pipes or fittings, and to empower the Company to make, supply and let on hire water meters and fittings.

To empower the Company to make, demand, take and recover rates, rents, and charges in respect of the supply of water, water meters and fittings, and to grant exemptions therefrom, and to enter into and carry into effect special contracts for the supply of water, in bulk or otherwise, with any urban or rural sanitary authority and highway authority, or surveyors of highways, and any railway company, and any other companies, bodies or persons, whether within or beyond the limits of supply, and to vary or rescind any such contracts; and the intended Act will confer all necessary powers in that behalf upon all such authorities, bodies and persons, and will enable them to raise or apply for the purposes of such contracts the necessary funds and rates.

To amend, alter, or repeal such of the powers conferred by the East Huntingdonshire Water Act, 1887, as may be inconsistent with or rendered unnecessary by the powers of the intended Act, and, if thought necessary or expedient, to transfer to the Company all or some of the powers conferred by the East Huntingdonshire Water Act, 1887, and all or any of the powers vested in the East Huntingdonshire Water Company.

Duplicate plans and sections showing the lines, situation and levels of the proposed works, and the lands and other property which may be taken under the powers of the intended Act, together with a book of reference to such plans containing the names of the owners and lessees, or reputed owners and lessees, and of the occupiers of such lands and other property, and a copy of this Notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the county of Huntingdon at his office at Huntingdon, and on or before the same day a copy of the said plans, sections, and book of reference, and a copy of this Notice will be deposited with the Parish Clerk of the parish of Eynesbury, and with the Clerk to the Urban District Council of Saint Neot's, at their respective residences.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December next.

Dated this 14th day of November, 1896.
