Board of Trade—Session 1898.

Electric Lighting Acts, 1882 and 1888.

Holborn and St. Giles Electric Lighting.

(Power to the County of London and Brush Provincial Electric Lighting Company Limited to Produce, Store, and Supply Electricity, Electrical Energy and Power within the districts of St. Giles and Holborn, and the extra-parochial places of Lincoln's-inn, Gray's-inn, Staple-inn, and Furnival's-inn, all in the county of London; to Construct Works; to Lay Down Wires and other Apparatus, and to Break Up Streets therein; Agreements with and Powers to Local Authorities; Incorporation of Acts, &c.)

NOTICE is hereby given, that application is intended to be made by the County of London and Brush Provincial Electric Lighting Company Limited, of Moorgate-court, Moorgate-place, in the city of London (hereinafter called "the Company") to the Board of Trade, on or before the 21st day of December next, under the provisions of the Electric Lighting Acts, 1882 and 1888, for a Provisional Order for all or some of the following purposes (that is to say):—

To authorise and empower the Company to produce, store, and supply electricity, as defined by the said Acts, electrical energy and power for all or some of the public and private purposes, as defined by the said Acts within the districts of St. Giles and Holborn and the extra-parochial places of Lincoln's-inn, Gray's-inn, Staple-inn, and Furnival's-inn (hereinafter called "the area of supply"), and for those purposes to enter upon, break up, and interfere with all streets, roads, and places, ways, footpaths, railways, tramways, canals, rivers, towing paths, bridges, culverts, sewers, gas and water-mains and pipes, and telegraph and pneumatic tubes and pipes, telegraph, telephone, and electric wires, or conduits within the said area, and to lay down, set up, maintain, renew, or remove, either above or underground or otherwise, pipes, tubes, wires, posts, apparatus, or other works or things required for enabling the Company to supply, produce, store, convey, transmit, transform, or distribute electricity, electrical power, and energy for the several private and public purposes aforesaid, within the said area, and to confer all such other powers upon the Company as may be necessary for effecting the objects of the proposed undertaking.

To enable the Company to erect, maintain, use, and work all necessary stations, together with all storehouses, engines, machinery, apparatus, works, and appliances for the production, storage, transformation, and distribution of, and to produce, store, transform, and distribute electrical power and energy.

To authorise the Company to hire, sell, and let meters, fittings, and other matters or things required for the purposes of the said Order.

To enable the Company on the one hand, and any county council, corporation, vestry, district board, commissioners, or other local, or sanitary, or road authority, and any railway or other Company on the other hand, to enter into and fulfil agreements as to the supply of electricity, and as to the breaking up and interfering with any streets, roads, ways, public footpaths, and other places and things as aforesaid, and otherwise with respect to the objects of the Order, and, if thought fit, to authorise such bodies, authorities, and companies to exercise the powers with respect to the breaking up of streets and other places and things, and all or any of the other powers proposed to be conferred upon the Company, and to confirm and give effect to any agreements which may have been, or may be, made in that behalf.

To authorise the Company to take, collect, and recover rents and charges for the supply of electrical energy and power, and the use of any machine, lamps, meters, fittings, or apparatus connected therewith.

To incorporate with the Provisional Order, and to extend and apply to the proposed undertaking and works and to the Company as Undertakers of the same, and with or without variation, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply which, by the Electric Lighting Acts, 1882 and 1888, or any Act amending the same or incorporated therewith, are or may be conferred upon Undertakers, and the Provisional Order will contain all such regulations and conditions as to the supply of electricity, and all matters incidental thereto, as the said Acts authorise or the Board of Trade may prescribe, and will alter, vary, or extinguish all rights and privileges which would or might interfere with any of its objects, and confer all other rights and privileges necessary for carrying such objects into effect.

The streets and other places, in, over, or along which it is proposed to take power to place any electric lines or other works, are all the streets and other places within the said area of supply, whether repairable by the local authority or not. It is proposed that electric lines should be laid down in the following streets within a period of two years after the commencement of the Order:

In the district of St. Giles:—Gower-street, Woburn-place, Russell-square (one side), Southampton-row, Bedford-place, Great Russell-street, Bedford-square (one side), Charlotte-street, Museum-street, Hart-street, Bloomsbury-place, Bloomsbury-street, Bloomsbury-square (north and south sides), Southampton-street, Broad-street, Little Queen-street, Great Queen-street, Great Russell-street.

In the district of Holborn:—Holborn (from the boundary of the district of St. Giles-in-the-Fields to the City boundary), Gray's-inn-road, Theobald's-road and King's-road, Bedford-row, Lamb's Conduit-street, Great Ormond-street, Chancery-lane (part of), passage between Bedford-row and Holborn.

The streets, roads, or places within the said area not repairable by the local authority which the Undertakers propose to take power to break up, are as follows:

In the district of St. Giles:—Holborn-place, Red Lion-yard and Plummer-court, all leading out of High Holborn, and Halls-yard, leading out of Great Wild-street.

The streets or roads and paths in the extra-
