C. L. Peel.

At the Court at Windsor, the 26th day of November, 1897.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty chapter thirty-seven sections six and eight, duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-eighth day of October, in the year one thousand eight hundred and ninety-seven, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property in the parish of Bowden in the county of Chester now vested in us.

"Whereas under and by virtue of a certain indenture bearing date the thirtieth day of November in the year one thousand eight hundred and sixty-five made between us the Ecclesiastical Commissioners for England of the first part and the Right Honourable George Harry Earl of Stamford and Warrington of the other part, the lands and hereditaments described in the schedule hereunto annexed became with their appurtenances and are now vested in us.

"And whereas the lands and hereditaments aforesaid are not subject to any outstanding beneficial lease or grant, but are now in our possession, but some portions thereof, on account of their character or situation, are unsuitable or

inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas, with a view to the advantageous appropriation of the same, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said lands and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly, that we should be empowered to sell or dispose of our interest in such lands and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act; all or any of the said lands and hereditaments so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands tithes rent charges tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.
