At the Court at Windsor the 26th day of November, 1897.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the twenty-seventh section of "The Manchester Sheffield and Lincolnshire Railway Act 1895," and of the several Acts (or some of them) relating to the said Commissioners referred to in such section duly prepared and laid before Her Majesty in Council a scheme bearing date the fourth day of November, in the year one thousand eight hundred and ninety-seven, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the twenty-seventh section of 'The Manchester Sheffield and Lincolnshire Railway Act 1895' and of the several Acts (or some of them) relating to us which are referred to in such section, have prepared and now humbly lay before Your Majesty in Council the following scheme relative to the church and new parish of Saint Stephen Nottingham in the town and county of the town of Nottingham and in the diocese of Southwell.

"Whereas in pursuance of the firstly mentioned Act the Manchester Sheffield and Lincolnshire Railway Company have purchased and taken the site and fabric of the said church at the price and for the sum of six thousand pounds and have also purchased and taken the glebe belonging to the vicarage of the said new parish at the price and for the sum of four thousand pounds and the said sums have been paid to us as directed by the same Act.

"And whereas a site for a new church situate within the limits of the new parish of Hyson Green in the suburbs of the town of Nottingham and in the diocese of Southwell aforesaid was by a deed dated the twentieth day of July in the year one thousand eight hundred and eighty-seven conveyed to us the said Ecclesiastical Commissioners for England and no consecrated church has yet been erected upon such site.

"And whereas it has been proposed to us and it appears to us to be expedient that the new church of Saint Stephen to be provided out of the proceeds of the sale of the present church of Saint Stephen Nottingham should be erected upon the site so

conveyed to us as aforesaid and that a separate district comprising within its limits the said site for the proposed new church of Saint Stephen aforesaid should be formed out of the said new parish of Hyson Green.

"And whereas the endowments of the said new parish of Saint Stephen Nottingham are now represented by a sum of three thousand seven hundred pounds being the balance of the said sum of four thousand pounds after deducting therefrom a sum of three hundred pounds which has been applied in accordance with the Act in liquidating a mortgage on a part of the glebe aforesaid and by annual grants together amounting to two hundred and thirty-three pounds six shillings and eight pence payable by us out of our common fund:

"Now therefore with the consent of the Right Reverend George Bishop of the said diocese of Southwell (in testimony whereof he has signed this scheme and caused his episcopal seal to be attached thereto) we the said Ecclesiastical Commissioners for England humbly recommend and propose that as from the day on which an Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette the following arrangements shall be made firstly there shall be set apart towards the cost of building a church upon the site which is situate within the limits of the said new parish of Hyson Green and which has been conveyed to us as aforesaid such a portion of the above mentioned sum of six thousand pounds as will in our opinion be sufficient for the purpose.

"Secondly, that as from the day aforesaid all that part of the said new parish of Hyson Green which is described in the Schedule to this scheme and which is delineated and set forth upon the map or plan hereunto annexed and is thereon coloured pink shall become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Stephen Nottingham.'

"Thirdly that the whole right of patronage of the said district, and when the same district shall have become a new parish then of the said new parish shall subject to the provisions contained in the sixth sub-section of the said twenty-seventh section of the firstly mentioned Act vest in, and be fully and freely and at all times exercised by the present patrons of the vicarage of the new parish of Saint Stephen Nottingham aforesaid.

"Fourthly that as from the day aforesaid there shall be transferred to the said proposed district and new parish the whole of the endow-
