*Civil Service Commission, May 24, 1898.*

THE Civil Service Commissioners hereby give notice, that the following Regulations have been approved by the Lords Commissioners of Her Majesty's Treasury, viz.:—

**SPECIAL REGULATIONS** (Supplementary to the General Regulations issued 8th April, 1872, and amended by subsequent Notices in the London Gazette) respecting Open Competitive Examinations for the Situation of Assistant Civil Engineer (Second Grade) in Her Majesty's Naval Establishments at Home and Abroad, under the Admiralty.

*N.B.—These Regulations are liable to alteration for future Examinations.*

I. The limits of age for this situation are 23 and 28. Candidates must be of the prescribed age on the first day of the Examination.

II. Candidates will be required to show what technical education and practical training they have undergone to qualify themselves for a situation of this nature. They must show to the satisfaction of the Civil Service Commissioners (1) that they have served, for at least three years, in a public or private office, under a Civil Engineer or Architect in good general practice, or a Superintending Engineer of one of Her Majesty's Dockyards or a Commanding Royal Engineer; or (2) that they have in some other capacity acquired a three years' practical experience on important works; and (3) that they have fully profited by their practical training, and possess the necessary qualifications and experience. Evidence on these points must be sent in at such times and in such manner as the Civil Service Commissioners may appoint. If it prove *prima facie* satisfactory, the Candidate will be admitted to Examination, subject to such further inquiry as may be necessary.

III. The Examination consists of two parts, and will be in the following subjects, viz.:—

## PART 1.

Mathematics, including Geometry, Trigonometry, and Algebra.

Mechanical Philosophy, including Statics and Dynamics, Hydrostatics and Hydraulics, Pneumatics, and Heat regarded as a source of Power.

Experimental Science, including Inorganic Chemistry, Heat, Electricity, and Magnetism.

## PART 2.

\*Drawing:—

(a) Drawing and Design of Engineering Works.

(b) Details of Construction (including Theory of Construction) in Engineering Works.

(c) Drawing and Design of Architectural Works.

(d) Details of Construction (including Theory of Construction) in Architectural Works.

Quantities: Squaring dimensions, preparation and examination of builders' accounts, abstracting, getting into bill, and pricing. Estimates and Specifications.

\*Use and Properties of Materials.

\*Surveying and Levelling.

Sanitary Engineering.

No Candidate will be eligible who does not pass in one at least of the heads included in Part 1, and in each of the subjects in Part 2.

\* There will be an oral examination in these subjects. The oral examination in Drawing will be chiefly on the work sent in by the Candidate in the written examination.

IV. A fee of £6 will be required from each Candidate attending Examination.

V. Applications for permission to attend an Examination must be made at such times and in such manner as the Commissioners may appoint.

The Civil Service Commissioners further give notice, that an Open Competitive Examination for the situation of Assistant Civil Engineer (Second Grade) in Her Majesty's Naval Establishments at Home and Abroad, will be held in London, commencing on the 12th July, 1898, under the foregoing Regulations.

The number of situations to be filled will be the number vacant at the time of the Examination.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 28th June, an application in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
