ORDER of the Local Government Board: Maintenance of Lunatics in Workhouse under Section 26 (1) of the Lunacy Act, 1890 :—
Fordeu Union.

To the Guardians of the Poor of the Fordeu Union ;—

To the Visiting Committee of the Salop and Montgomery Counties and Wenlock Borough Lunatic Asylum, situate at Bicton, near Shrewsbury ;—

And to all others whom it may concern.

WHEREAS by sub-section (1) of Section 26 of the Lunacy Act, 1890, it is enacted that—

“The visitors of any asylum may, with the consent of the Local Government Board and the Commissioners, and subject to such regulations as they respectively prescribe, make arrangements with the guardians of any union for the reception into the workhouse of any chronic lunatics, not being dangerous, who are in the asylum and have been selected and certified by the manager of the asylum as proper to be removed to the workhouse” ;

And whereas the Visiting Committee of the Salop and Montgomery Counties and Wenlock Borough Lunatic Asylum, situate at Bicton, in the County of Salop, propose, with the consent of the Local Government Board and of the Commissioners in Lunacy, to make arrangements with the Guardians of the Poor of the Fordeu Union for the reception into their Workhouse, situate at Fordeu, in the county of Montgomery, of a certain number of chronic male lunatics, not being dangerous, who are now, or may hereafter be, inmates of the said Asylum, and who have been,

or may hereafter be, selected and certified by the Manager of the said Asylum as proper to be removed to the said Workhouse ;

And whereas the Commissioners in Lunacy have prescribed Regulations in accordance with the above-cited enactment with regard to the reception and treatment in the said Workhouse of chronic male lunatics as aforesaid from the said Asylum not exceeding twenty-five in number, or of such smaller number as shall, with the lunatics chargeable to the said Union and being inmates of the said Workhouse, make the total number of lunatics in the Lunatic Ward of the said Workhouse not more than twenty-eight ;

And whereas by an Order dated the 4th day of April, 1870, the Poor Law Board made certain Regulations for the government of the Workhouse of the Fordeu Union, and by another Order dated the 13th day of May, 1870, the Poor Law Board prescribed the mode of keeping the Accounts relating to such Workhouse ;

And whereas it is expedient that We, the Local Government Board, should prescribe further Regulations in connection with the reception into the said Workhouse of chronic male lunatics as aforesaid, (hereinafter termed “patients,”) from the said Lunatic Asylum :

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order as follows :—

ARTICLE I. No patient shall be admitted to the said Workhouse either upon his first or any subsequent admission without a written or printed Order signed by the Manager or Medical Superintendent of the said Asylum. Such written or printed Order shall be according to the Form in the Schedule to this Order.

ARTICLE II. The patients shall be classified in such manner as the Guardians, with the advice of the Medical Officer of the Workhouse, shall direct.

ARTICLE III. The Guardians, acting under the advice of the Medical Officer of the Workhouse, may cause any patient to be returned to the said Asylum when they shall consider that it is expedient that he should not continue in the said Workhouse.

ARTICLE IV. The Master of the Workhouse shall give to the Manager or Medical Superintendent of the said Asylum not less than forty-eight hours' notice of the proposed return of any patient to the said Asylum as aforesaid.

ARTICLE V. The Master of the Workhouse shall keep a separate Admission and Discharge Book with respect to the patients received into the said Workhouse from the said Asylum.

ARTICLE VI. The Guardians shall cause Accounts to be opened and entries to be made, in such form as We may approve, in their Books of Account and in the Financial Statements to be submitted to the District Auditor, so that the costs and expenses incurred in respect of the maintenance and care of the said patients may be distinguished from the expenses of a like sort in regard to the other inmates of the said Workhouse.

ARTICLE VII. Subject to the foregoing regulations and the regulations of the Commissioners in Lunacy above referred to, every patient received into the said Workhouse shall be amenable to the Regulations in force respecting the government of the said Workhouse.

ARTICLE VIII. Expressions in this Order shall have the same meaning as in the Lunacy Act, 1890.
